Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Houston County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1913 (1st Ex. Sess.), Chapter 18, was a general road law which created a three-member Board of Public Road Commissioners, to be elected by the Houston County Quarterly Court. It authorized a tax levy for the improvement of public roads and had road duty requirements for all able-bodied men between 21 and 45 years. This was repealed by Private Acts of 1915, Chapter 23.
2. Private Acts of 1915, Chapter 19, was another general road law for Houston County. It provided for one road overseer from each road district, to be elected for a one year term. This Act also contained provisions for road duty and a tax levy for road purposes.
3. Private Acts of 1921, Chapter 19, was the next general road law for Houston County. Its provisions were similar to those of the 1915 road law.
4. Private Acts of 1929, Chapter 673, created a Highway Commission for Houston County, composed of a Highway Commissioner and the Chairman of the County Court. It gave the Commission control of the county roads and the purchase of all materials. This was amended by Private Acts of 1933, Chapter 209, to provide that the Road Commissioner would be elected by the voters, and was also amended by Private Acts of 1941, Chapter 71, to set the salary of the Highway Commissioner at \$1,200 per year.
5. Private Acts of 1943, Chapter 238, was the next road law for Houston County, with provisions similar to those of the 1929 law. It was repealed by Private Acts of 1945, Chapter 366, which was amended by Private Acts of 1947, Chapter 180.
6. Private Acts of 1953, Chapter 147, amended Private Acts of 1947, Chapter 180, so as to provide that the County Judge would serve as Chairman of the County Highway Commission. This act was subsequently amended by Private Acts of 1955, Chapter 213, Private Acts of 1965, Chapter 219, and Private Acts of 1974, Chapter 259.

SECTION 3. The proceeds received by the county from the hotel tax shall be for general county purposes for the benefit of the citizens of Houston County.

SECTION 4. Such tax shall be added by each and every operator to each invoice prepared by the operator for the occupancy of the hotel and given directly or transmitted to the transient and shall be collected by such operator from the transient and remitted to Houston County.

When a person has maintained occupancy for thirty (30) continuous days, that person shall receive from the operator a refund or credit for the tax previously collected or charged, and the operator shall receive credit for the amount of such tax if previously paid or reported to the county.

SECTION 5. (a) The tax levied shall be remitted by all operators who lease, rent or charge for any rooms or spaces in hotels within the county, to the county clerk or such other officer as may by resolution be charged with the duty of collection thereof, said tax to be remitted to such officer not later than the

The operator is required to collect such tax from the transient at the time of the presentation of the invoice for occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the county entitled to such tax shall be that of the operator. (b) For the purpose of compensating the operator in accounting for remitting the tax levied by this act the operator shall be allowed two percent (2%) of the amount of the tax due and accounted for and remitted to the clerk in the form of a deduction in submitting the report and paying the amount due by such operator, provided the amount due was not delinquent at the time of payment.

An operator shall be liable for interest on such delinquent taxes from the due date at the rate of twelve percent (12%) per annum, and is liable for an additional penalty of one percent (1%) for each month or fraction thereof such taxes are delinquent. Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the Houston County Assessor.

1. Private Acts of 1911, Chapter 411, amended the general law to provide that the Houston County Tax Assessor would be paid \$300 per annum.
2. Private Acts of 1943, Chapter 422, set the Tax Assessor's salary at \$600 per year. This was amended by Private Acts of 1949, Chapter 787, to provide that the salary would be set by the Quarterly County Court, provided that it was not less than \$600 nor more than \$1,200 per year.

Motor Vehicle Tax

The private acts listed below are no longer in effect in Houston County.

1. Private Acts of 1975, Chapter 53, levied a \$15 motor vehicle tax on the residents of Houston County and all non-residents using the county roads at least 30 days in each tax year. The County Court Clerk would collect the tax and issue a decal signifying payment of the same, for all of which the Clerk could charge a fee of fifty cents (\$.50) for each decal issued. Provisions were included to transfer decals from one vehicle to another and to replace those which might be lost, stolen, or destroyed. The proceeds of the tax would be used as the County Court decided but could be used, if desired, to pay school bonds or be deposited in the regular sinking fund. The terms of this act had to be approved by the people in a referendum before taking effect. Anyone not complying with the provisions of this act could be fined as in misdemeanor cases. This act was rejected by the Houston County Quarterly Court and never took effect. Further, it was specifically repealed by the act following.
2. Private Acts of 1975, Chapter 163, expressly repealed Private Acts of 1975, Chapter 53, above, in its entirety.
