As amended by: Private Acts of 1937, Chapter 569.

SECTION 2. That it shall be the duty of the County Courts in said Counties, at the July Term 1930, Quarterly Session, and in each year thereafter at said Term, to carefully consider the report and budget submitted by said County Judge or Chairman, as provided in the First Section of this Act, and with such changes or modifications as may be deemed proper to make in the same, to adopt said budget, which, when so adopted, shall be and constitute the maximum amount of expenditures for said County for the year, except as hereinafter provided.

As amended by: Private Acts of 1937, Chapter 569.

SECTION 3. Code Enforcement

Private Acts of 1974 Chapter 348

SECTION 1. The governing body of Smith County is authorized to adopt, by reference, the provisions of any code or portions of any code as herein defined, to amend the provisions of such codes as it deems necessary, to provide for their administration and enforcement, to establish penalties for the violation of such codes and to define within the county where such codes will be applicable.

SECTION 2. As used in this act, the following terms shall have the meanings hereafter indicated:

- (a) "Governing Body" means the Quarterly County Court of Smith County or any other body in which the general legislative powers of the county may hereafter be vested.
- (b) "Code" means any published compilation of published rules or regulations which have been prepared by technical trade associations, model code organizations, or agencies of the State or Federal Governments which regulate building construction, housing quality, electrical wiring, and plumbing and gas installation.

SECTION 3. The governing body may adopt or repeal a resolution which incorporates by reference the provisions of any code or portions of any code, or any amendment thereof properly identified as to date and source, without setting forth the provisions of such code in full. At least three (3) copies of such code, portion, or amendment which is incorporated by reference shall be filed in the office of the County Court Clerk and there kept for public use, inspection, and examination. The filing requirements herein prescribed shall not be deemed to be complied with unless the required copies of such code, portion, or amendment are filed with the County Court Clerk for a period of thirty (30) days before the adoption of the resolution which incorporates such code, portion, or amendment by reference. No resolution incorporating a code, portion, or amendment by reference shall be effective until published in a newspaper having a general circulation in the county. Codes, regulations, or amendments to any of the foregoing adopted by the governing body, acting under the authority of this act shall not take precedence over existing or hereafter enacted state laws or regulations except wherein such codes, regulations, or amendments to any of the foregoing surpass the standards of said state laws or regulations, and county officers charged with enforcement under the authority of this act are hereby authorized and empowered to enforce all such valid state laws and regulations which are more stringent than said county codes or regulations.

SECTION 4. Any amendment which may be made to any code or regulation incorporated by reference by the governing body hereunder, may be likewise adopted by reference, provided that three (3) amended or corrected copies are filed with the County Court Clerk of Smith County for public inspection, use, and examination at least thirty (30) days prior to adoption. Notice of the adoption of any resolution adopting amendments by reference shall be published in a newspaper of general circulation in the county. No such resolution shall become effective until such notice has been published.

SECTION 5. The governing body may also incorporate by reference the administrative provisions of any code, or may include in the adopting resolution any suggested administrative provisions found in a code. If such a code does not contain administrative provisions, the administrative provisions of another code may be adopted by reference, or may be adopted and included in the adopting resolution. The powers and duties of enforcing the provisions of any code incorporated by reference may be conferred upon such officials within the existing framework of the county government as the governing body may determine, such as, but not limited to, officials and bodies administering zoning and planning regulations within the county.

SECTION 6. The county attorney or any official vested with the powers of enforcing the provisions of any code incorporated by reference may, in addition to any other remedies provided by law, institute proceedings for an injunction to prevent the violation of any provision of such code. Any magistrate or judge who is authorized to issue warrants under general law is authorized to issue to the enforcing officer a warrant authorizing the inspection of specified buildings, structures, or premises when necessary to enforce any codes or regulations adopted hereunder.

SECTION 7. The authority of this act shall not extend to the incorporation by reference of any penalty clause contained in a code. Any person, firm, or corporation or agent who shall violate a provision of any code incorporated by reference or fail to comply therewith or with any of the provisions hereof, or violate a detailed statement or plans submitted and approved thereunder, shall be guilty of a misdemeanor. Each such person, firm, or corporation or agent shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of a code is committed or continued, and upon conviction for any such violation shall be punished by a fine of not more than fifty dollars (\$50.00).

SECTION 8. The provisions of this act shall apply only to the unincorporated area of Smith County.

SECTION 9. If any section, sentence, clause or phrase of this act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this act, and to that end the provisions hereof are declared to be severable.

SECTION 10. This act shall have no effect unless it is approved by a two-thirds (2/3) vote of the Quarterly County Court of Smith County. Its approval or nonapproval shall be proclaimed by the presiding officer of such court and certified by him to the Secretary of State.

SECTION 11. For the purpose of approving this act as provided in Section 10, it shall take effect on becoming a law, the public welfare requiring it, but the provisions hereof shall not become operative until approved as provided in Section 10.

Passed: March 28, 1974.

Junk Yards

Private Acts of 1987 Chapter 95

SECTION 1. Definition. For the purpose of this Act, "automobile graveyard" means any lot or place which is exposed to the weather and upon which more than five (5) motor vehicles of any kind, incapable of being operated, and which it would not be economically practical to make operative, are placed, located or found. The term "automobile graveyard" or "automobile junkyard" shall not be construed to mean an establishment having facilities for processing iron, steel or nonferrous scrap and whose principal produce is scrap iron, steel or nonferrous scrap for sale for remelting purposes only.

SECTION 2. Limitation on establishment - Exception. No automobile graveyard shall hereafter be established within five hundred feet (500') of any county road in Smith County, nor shall any automobile graveyard hereafter be established within one thousand feet (1,000') of any dwelling. Provided, however, this added restriction on the establishment of automobile graveyards located in relation to such U.S. numbered routes shall not apply in any case wherein the land on which an automobile graveyard is to be established has been specifically designated or zoned for such use by the governing body of the county or city in which it is proposed to be established.

SECTION 3. Fence required. Any person who maintains an automobile graveyard, any part of which is within one thousand feet (1,000') of any county road or dwelling, shall erect and maintain a fence around such automobile graveyard. Such fence shall be at least eight feet (8') high and sufficient to conceal such automobile graveyard from the view of a person standing at the same level as such graveyard. A fence shall be required in any case when erection thereof would not effectively conceal a substantial portion of such automobile graveyard from the view of a person on such county road or dwelling.

SECTION 4. Responsibility for removal of graveyard. If any automobile graveyard is located within the limitations fixed above to any county road or dwelling, and said automobile graveyard is not operated as a business by anyone and is not used for any purpose whatsoever and no one claims ownership of said automobile graveyard, then the owner or owners of the land on which such automobile graveyard is located shall be responsible for the removing of such automobile graveyard.

SECTION 5. Enforcement of provisions - Violation of misdemeanor. Any citizen of this state may obtain a warrant for the arrest of anyone violating the provisions of this Act, but it is hereby declared to be a specific duty for the members of the Smith County Sheriff's Department to enforce the provisions of this Act. Any person violating any provision of this Act shall be guilty of a misdemeanor and punished as provided by law therefor. Each day's subsequent violation shall constitute a separate offense. However, in the case of automobile graveyards established prior to the passage of this Act, the owners or operators thereof shall have a reasonable and necessary period of time in which to comply with the provisions hereof.

SECTION 6. This Act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county legislative body of Smith County. Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body and certified by him to the Secretary of State.

SECTION 7. For the purpose of approving or rejecting the provisions of this Act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 6.

Passed: April 30, 1987.

For purposes of this act, "recycling center" means an establishment, place of business, facility or building which is maintained, operated, or used for storing, keeping, buying or selling of newspaper or used food or beverage containers for the purpose of converting such items into a usable product.

- (a) Those located within areas which are zoned for industrial use under authority of law;
- (b) Those which are not visible from the main traveled way of the system.

SECTION 5. Screening by junkyard operator or property owner. SECTION 6. It shall be the duty of anyone wishing to open a junkyard which fits within the definition of this act, to appear and seek approval before the Smith County Planning Commission before beginning operations.

SECTION 7. The Smith County Road Commissioner may apply to any appropriate court in the county in which said junkyards may be located for an injunction to abate such nuisance. The county attorney and the sheriff's department are authorized to assist the road commissioner in the enforcement of this act.

SECTION 8. (a) On or after the passage of this act, it shall be unlawful for any junkyard located within one thousand feet (1,000') of the nearest edge of the right-of-way of any county road or within one thousand feet (1,000') of any dwelling.

SECTION 9. Nothing contained in this act shall be construed as prohibiting the legislative authority of cities and towns from regulating junkyards within their respective jurisdictions.

SECTION 10. It is the intent of this act that the automobile junkyard shall be operated as a business and maintained daily by the owner or operators of such, keeping normal business hours so as not to become a nuisance to the general public.

Its approval or nonapproval shall be proclaimed by the presiding officer of the county legislative body of Smith County and certified by him to the Secretary of State.

SECTION 13. For the purpose of approving or rejecting the provisions of this act, it shall become effective

upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 13.

2. Private Acts of 1911, Chapter 589, allowed the County Courts of Putnam, DeKalb, and Smith Counties, respectively, to issue bonds in an amount not to exceed \$6,000, at an interest rate of four and one-half percent or less, and for maturity periods not in excess of thirty years, for the

purpose of building a bridge across the Caney Fork River at a point just above the place where the bridge of the Tennessee Central Railroad crossed the river near the Putnam and DeKalb County lines. The bridge would be the joint property of all three counties.

3. Private Acts of 1927, Chapter 537, stated that the Quarterly Court of Smith County had authorized the issuance of Highway Bridge Bonds in the amount of \$20,000 for the purpose of cooperating with the State Department of Public Works, which bonds were to bear interest at a rate not in excess of five percent and were to mature no later than the year 1944. Debts

1. Public Acts of 1866-67, Chapter 41, was the authority for the Quarterly Court of Hawkins County, by a two-thirds vote of its members, to issue interest bearing bonds in an amount equal to the County's outstanding debts, but no debt incurred in aid of the recent rebellion was to be paid with the proceeds of the bond issue. Section 6 extended the privileges, terms, and conditions of the act to Greene, Monroe, White, Franklin, Dyer, and Smith Counties.
2. Private Acts of 1929, Chapter 251, recited that the County was obligated in an amount of about \$80,000 in outstanding debts, notes, and warrants, that there existed about \$120,000 in outstanding claims against the Elementary School Fund, and that the debts and claims were due and unpaid. It declared that the Quarterly Court had authorized the issuance of bonds in the amount of \$200,000 at a lower rate of interest than the six percent rate then accruing on the debts, resulting in substantial savings to the people of the County. The act validated, ratified, and confirmed all the previous actions of the Quarterly Court in connection with that bond issue and made the payment of the bonds the binding, general, and incontestable obligations of the County, notwithstanding any contention to the contrary.
3. Private Acts of 1935, Chapter 80, recited that there existed \$45,000 in valid, binding, just, and unpaid debts owing by Smith County, that no funds were available to pay the debts, and that it appeared to the Quarterly Court that tax anticipation notes should be issued to create a fund to pay these obligations. The Quarterly Court had authorized the County Judge and County Court Clerk to sell such notes at the earliest possible date at four and one-half percent interest or less, which action would save the County from paying one and one-half percent interest on the debts. The outstanding debts were payable with six percent interest. All prior actions were validated and legalized and the bonds were declared to be the general and incontestable obligations of the County, which was obligated to levy a special additional tax to establish a sinking fund for the purpose of paying the indebtedness created by the bond issue.

Roads

1. Acts of 1907, Chapter 172, permitted the Quarterly Court of Smith County to issue bonds in an amount up to \$100,000 with an interest rate of five percent or less, maturing from fifteen to fifty years, as the Court determined. The proceeds of the bond issue would be used to build and improve public roads, culverts, bridges, piping, and drainage. The Quarterly Court would appoint three Commissioners to sell the bonds and supervise the work. They could not be members of the Court. One member would act as secretary. They could employ an engineer to assist them, they were to make periodic reports to the Court, and they were to have no personal interest in the programs at any time.
2. Private Acts of 1911, Chapter 610, provided that the Quarterly Court of Smith County would issue bonds in an amount up to \$300,000. The bonds were to bear interest at the rate of five percent, and were to mature within fifteen to fifty years, as the Court decided. The money from the proceeds would be used to buy and build roads in the County. The act provided details of the bond issue and established a system of road districts to be supervised by a road commission.
3. Private Acts of 1917, Chapter 21, repealed Private Acts of 1911, Chapter 610, above.

Schools

1. Acts of 1813, Chapter 20, authorized, as Trustees of the Geneva Academy, Nathaniel W. Williams, Robert Allen, Archibald W. Overton, Charles Boulton, Arthur S. Hogan, John Gordon, and Lee Sullivan, to conduct a lottery for the benefit of the Academy. The Trustees were to draft a scheme to raise up to \$4,000 for the school. They were required to enter into a bond in an amount twice the lottery limit before putting the plan into operation so that prizes would be guaranteed and all expenses paid.

Schools - Gordonsville Special School District

1. Private Acts of 1927, Chapter 774, amended Private Acts of 1915, Chapter 684, above, which created the Gordonsville Special School District, by granting authority to the Board of Trustees of the school district to issue bonds in a cumulative amount of up to \$5,000, to bear interest at six percent or less, and to mature semi-annually. The proceeds would be used to liquidate the outstanding indebtedness of the District.

Boundaries - Historical Notes

The following is a summary of acts which authorized boundary changes for Smith County.

1. Acts of 1801, Chapter 37, changed the boundary lines of Smith, Wilson, Davidson, Williamson, and Robertson Counties to extend their east and west boundaries to the southern border of the State.
2. Acts of 1803, Chapter 74, stated that nothing in the act, which reduced Wilson County to its constitutional limits of six hundred twenty-five square miles, would be so construed as to prevent the Sheriffs of Davidson and Smith Counties from collecting taxes and arrearages as fully as if the act had not been passed. Section 3 appointed William Minor Quesenbury as Commissioner to run the lines between Wilson, Davidson, Rutherford, and Smith Counties at Wilson County's expense.
3. Acts of 1843-44, Chapter 61, established and declared the boundary line between Smith County and Macon County, as described in the act creating Macon County in 1842, to be the permanent line between those two counties.
4. Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following acts once affected jurors or boards of jury commissioners in Smith County, but are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1803, Chapter 73, provided that Counties in the Mero District would furnish a certain number of jurors for the use of the Superior Court of the District. Smith County was required to return four jurors to the Mero Court who would serve until their successors were appointed.
2. Acts of 1806 (Ex. Sess.), Chapter 19, divided the Mero District into three new Districts, namely, Robertson, Winchester, and Mero. Jackson, Smith, and Wilson Counties were placed in the Winchester District and the Court for the District was scheduled to meet on the third Monday in April and October.
3. Acts of 1806 (Ex. Sess.), Chapter 24, removed Wilson County from the Winchester District and placed it back in the Mero District. Each county in the Winchester District would furnish a specified number of jurors to the Courts. Smith County was required to send sixteen jurors.
4. Acts of 1817, Chapter 128, allowed the Justices in the Counties of Davidson, Smith, Franklin, Rutherford, Maury, Lincoln, Giles, Overton, Bedford, Williamson, Hickman, Sumner, Stewart, Humphreys, Wilson, Jackson, White, Montgomery, Warren, Robertson, and Dickson, at their first session in the year, to levy a tax for the purpose of paying additional compensation to jurors attending Circuit and County Courts. The additional pay was not to exceed fifty cents per day.
5. Acts of 1909, Chapter 403, was an act apparently intended to apply to Smith County, although population figures identifying the county to which the act was to be applicable are incorrect for Smith County. The act created a three member board of Jury Commissioners to be appointed by the Judge or Judges having criminal jurisdiction. The Commissioners could not be lawyers or county officials. They were to have no suit pending in any court and would serve for a period of one year. If one commissioner could not perform his duties, the others would discharge those duties. The members would take the oath prescribed in the act, select a chairman, and have the services of the Circuit Court Clerk as Clerk of the Board. They would compile a list, from the taxrolls or some other source of public information, containing names equal in number to one-fifth of the votes cast in the presidential election. The list would contain no fewer than two hundred fifty names and no more than four thousand. Detailed requirements for keeping records were set forth in the act. The names of the jurors would be written on a scroll or on cards, placed in a box, which would be locked and sealed and opened only in the presence of the Board or in open court before the Judge. Those names would constitute the Jury List for the next successive two years. The act required that between ten and fifteen days before Court term, a child under the age of ten years would draw names from the box equal in number to the jurors necessary for that term, the list to be presented to the Court. Five days before Court opened, the Sheriff would be given the names, and he would summon the individuals as jurors for the ensuing term.
6. Private Acts of 1913, Chapter 326, repealed Private Acts of 1909, Chapter 403, above.
7. Private Acts of 1915, Chapter 550, stated that in Smith County, every juror was entitled to receive and would be paid the sum of \$2 for each day's attendance in court as a juror, plus such mileage, ferriage, and tolls as were allowed by law.
8. Private Acts of 1927, Chapter 769, provided that in Smith County every juror would be paid \$2, for each day's attendance in Court, and such mileage, ferriage, and tolls as were allowed by law.
9. Private Acts of 1931, Chapter 576, created a three member Board of Jury Commissioners in Smith County. The members would be discreet free-holders and could not be lawyers, county officials, nor Justices of the Peace. They were not to have a suit pending in any court and were not to actively seek the job. They were to be appointed by the Judge of the Criminal Court for two-year terms, take the oath prescribed in the act, and select one of their members as chairman. The Circuit Court Clerk would serve as Clerk of the Board. On the first Monday in July, the Board would meet and select from the tax rolls or other public sources five hundred to fifteen hundred names.

The names would constitute the jury list for the next succeeding two years. The same process would be used to select special panels. The names of those chosen would be entered alphabetically in a book, to be furnished by the Clerk, and the list, when entered, would be certified by all three members of the Board. The names would also be written on slips of paper and placed in a box to be locked and sealed, and to be opened only in the presence of the Judge. Ten to fifteen days before Court started, a child under ten years of age would draw enough names from the box for jurors for that term of Court. A list of the names would be sent to the Judge. No one could be excused from jury duty except by the Judge. Members of the Board could be removed for cause at any time by the Judge.

10. Private Acts of 1931 (2nd Ex. Sess.), Chapter 85, amended Private Acts of 1931, Chapter 576, above, by directing that the Clerk to the Board of Jury Commissioners in Smith County would receive \$10 as compensation to be paid in the same manner as the members of the Board of Jury Commissioners were paid.
11. Private Acts of 1933, Chapter 152, repealed Private Acts of 1931, Chapter 576.
12. Private Acts of 1933, Chapter 293, created a three- member Board of Jury Commissioners in Smith County to be composed of discreet people over twenty-one years of age. They were not to be lawyers or state or county officials who had no suits pending in any court. They would be appointed by the Judge holding Criminal Court to two-year terms. Justices of the Peace were declared eligible to serve on the Board. The Clerk would notify each member of the Board within ten days of the appointment and they were to meet within ten days to be sworn by the oath specified in the act and to select a chairman and a secretary. The Board would meet on the first Monday of each month immediately preceding the opening of the term of court and select the names of forty-two persons from the tax rolls or other public sources from each Civil District, the persons to serve as jurors in the circuit and criminal courts. The names would be entered on a book provided by the Clerk for that purpose and certified by all three Board members. The Grand Jury would also be selected from the list, but the Judge could appoint a grand jury foreman from elsewhere. If for any reason, a juror failed to act, the Judge could appoint another in his place. If an insufficient number remained on the panel, the Judge could replenish it. Provisions for jurors during special terms were incorporated. Penalties were specified for anyone's failure to comply therewith. The Board members would be paid \$3 for determining the regular jury list three times a year and for special panels.
13. Private Acts of 1935, Chapter 736, amended Private Act of 1933, Chapter 293, above, by adding a provision that the Circuit or Criminal Court Judge would excuse from jury service any person summoned therefor who had not paid his or her poll tax, if liable therefor, at least thirty days prior to the beginning of the term of Court for which the Juror was summoned.
14. Private Acts of 1935, Chapter 825, relieved E. M. Kemp, principal, and W. B. High, surety, of any and all liability for signing a workhouse bond for fine and costs of \$198.65, balance then due of \$158.65, imposed by the Criminal Judge of Smith County on Kemp for unlawfully transporting liquor, and for two charges of public drunkenness, because Kemp was a victim of the depression and was destitute.
15. Private Acts of 1937, Chapter 277, relieved Haskell Duke, principal, and Sam Piper and Oddie Dias, sureties, from any and all liability incurred by them in signing a workhouse bond for \$139.95 on which a balance of \$45.85 was owed, being the fine and costs for a Bone Dry Law violation.
16. Private Acts of 1937, Chapter 278, relieved and discharged Stanton Price, principal, and Wade West, surety, of any and all liability which may have been incurred by them in signing for a fine and costs going up to \$254.85, on which \$197.47 was owed. The fine had resulted from a charge and conviction of unlawfully manufacturing liquor. Both principal and surety were destitute and unable to pay.
17. Private Acts of 1937, Chapter 279, provided that Charlie Dias, principal, and Sam Piper and Oddie Dias, sureties, were released and discharged from any liability incurred on a workhouse bond for \$139.95, on which \$80.85 was due and unpaid, as they were victims of the depression and were destitute and unable to pay.
18. Private Acts of 1953, Chapter 138, created a three-member Board of Jury Commissioners in Smith County to be appointed by the Judge or Judges of the Circuit Courts. The members were not to be attorneys nor state or county officials, were not to have a suit pending, and were to serve initial terms of one year, two years, and three years, respectively. All successors would serve three-year terms. Vacancies would be filled in the same way. The members were to take the oath provided in the act and select a chairman. The Clerk of the Board would be the Circuit Court Clerk or his Deputy. The Board would select from the tax rolls or other public sources three hundred names of

honorable people, to be written each on a separate piece of paper, which would be recorded alphabetically in a book furnished by the Clerk, and certified by all members of the Board. The slips of paper would be placed in a jury box, then locked, sealed, and kept securely by the Clerk, until ordered opened by the Judge in the presence of at least two members of the Board. The Clerk would receive ten cents for each name thus handled. Twenty to twentyfive days before court opened, the box would be opened, thoroughly shaken, and a child under ten years of age, or a person blind-folded, would draw out the number of names specified by the Judge to be jurors for the coming term of court. The clerk would keep a record of the jury service of each person on the list. The Judge could, if desired, select the members of the grand jury from the county at large and appoint a foreman. Provisions were made to summon special panels and to replenish the list, if depleted. Members would receive \$5.00 per day when actually engaged in the services of the Board and anyone violating the terms thereof would be fined.

The three classes of roads were (1) stage roads, (2) roads for loaded wagons, and (3) single horse and rider. Penalties were provided for obstructing roads and for failing to observe the terms and conditions of the act were provided.
2. Private Acts of 1826, Chapter 108, authorized Jesse Lincoln of White County to keep in repair a

- turnpike road between Sparta in White County and Liberty in Smith County. Adam Dale of Smith County was named as a Commissioner to inspect the work done on this turnpike.
3. Private Acts of 1832, Chapter 38, authorized Jesse Lincoln and William Ussery of White County to build a turnpike road from Sparta in White County to Liberty in Smith County, which would cross the Caney Fork River near Lockharts. William Bruster and Henry Lydy, both of White County, and Leonard Lamberton and William C. Garrison, both of Smith County, were appointed as Commissioners to inspect, supervise, and report on the work as it progressed.
 4. Acts of 1853-54, Chapter 104, authorized the Governor to issue six bonds of the State in the amount of \$1,000 each to the president and directors of the Carthage and Hartsville Turnpike Company, sixteen bonds of \$1,000 each to the president and directors of the Carthage, Alexandria, and Red Sulphur Springs Turnpike Company, and eight bonds of \$1,000 each to the president and directors of the Carthage and Rome Turnpike Company, provided in all cases, suitable liens, or mortgages, were given. One-half of the bonds would be issued when ten miles of the road was completed, and the other one-half when twenty miles was completed. The bonds were to be repaid semi-annually over a period not to exceed fifteen years. If default occurred in the payment of the bonds, the Governor was empowered to take over and sell the turnpike roads under conditions specified in the act.
 5. Acts of 1855-56, Chapter 196, amended Acts of 1853-54, Chapter 104, by requiring the Carthage and Hartsville Turnpike Company to liquidate their debt to the State by paying one-half of the amount of the principal and interest each year. The act also provided that any person filling in a drainage ditch on the road would forfeit \$5.00 and costs before any Justice of the Peace in Smith or Sumner Counties. If the Company failed to complete the road within the time allowed, they would nevertheless continue as a body corporate and politic insofar as the enforcement of any contractual provisions were concerned.
 6. Private Acts of 1868-69, Chapter 61, provided that the gates of the Alexandria, Carthage, and Red Springs Turnpike be thrown open and no pikeage be collected on the road until it was placed in the condition required in the charter of the road before tolls could be collected.

Public Acts of 1871, Chapter 109, recited that the State of Tennessee had loaned the sum of \$6,000 to the Carthage and Hartsville Turnpike Company and that a lawsuit was pending in the Chancery Court of Smith County which had been filed by creditors of the company contesting the priority of the State's lien on \$4,650, the proceeds from the sale of the company. The act permitted the State to compromise and settle the lien and debt against the company in such manner and on the terms deemed in the best interests of the State, but the settlement would not be in any amount less than \$3,000.
 8. Public Acts of 1895, Chapter 129, appointed J. F. Roy, R. B. Floyd, James Jones, J. W. Overall and A. P. Smith, of DeKalb County, and R. A. Lawrence, Jonathan Smartt, and E. N. Allen, of Smith County, as Commissioners to open books and subscribe stock for the purpose of constructing a macadamized road from Alexandria to Brush Creek. The amount of stock could not exceed \$4,000 at \$25 per share. The company would have the power to contract, but had to meet specifications contained in the act. When the road was completed, a toll gate was to be established where the road crossed the Nashville and Knoxville Railroad. The Commissioner would be in charge of the roads, bridges, culverts, and road hands in his District for a term of two years and he had to be sworn and bonded. The County Court would assign road hands to each District, each to work from five to eight days, as determined by the County Court, and would fix the price to be allowed for a day's work. The County Court could levy a special road tax of two cents per \$100 property valuation for each day required to be worked, two-thirds of which could be worked out on the roads. The District Commissioners would appoint the road overseers in their Districts who would be in immediate charge of sections of roads. Some specifications for roads were set forth in the act and the County Court could contract for work on roads designated by them. The County Court was further required to index and classify the roads into four classes. Petitions to open, close, or change roads would be handled by the Commissioner who would follow guidelines contained in the act. Commissioners would be paid the same as Justices of the Peace.
 10. Acts of 1905, Chapter 478, amended Acts of 1901, Chapter 136, above, in several minor particulars but was primarily concerned with revising the procedures for receiving and

Private Acts of 1929, Chapter 676, stated that, in Smith County, all funds contributed by the County in cooperation with the State Highway Department and expended on the construction of State Highways or in acquiring toll bridges would be refunded. The Smith County militia was designated as the 16th, 41st, and 59th Regiments, and was assigned to the Fourth Brigade with Sumner and Wilson Counties. The annual muster of the 16th Regiment was on the fourth Thursday in September, that of the 41st Regiment on the fourth Thursday in October, and that of the 59th on the second Thursday in October.
6. Public Acts of 1835-36, Chapter 21, designated the regiments of the militia in the State, assigning to Smith County the 51st, 52nd, and the 53rd Regiments. Smith and Wilson Counties were

assigned to the 9th Brigade.

7. Acts of 1837-38, Chapter 157, required that drill be held in each County of the State and that the 9th Brigade, in Smith County, would assemble its soldiers on the first Tuesday and Wednesday in September of each year.

Sheriff

The following acts have no current effect but are included here for reference purposes since they once applied to the Smith County Sheriff's Office.

1. Acts of 1809 (Sept. Sess.), Chapter 33, stated that when Smith County was reduced to constitutional limits and portions of the County transferred back to Jackson County, a list of taxes due was compiled, chargeable to George Matlock, the Sheriff. The taxes, however, already had been but not paid. Matlock was authorized to lay before the County Court a full and complete statement for the year 1806 and upon acceptable proof being given, he was to be relieved of those taxes.
2. Private Acts of 1823, Chapter 186, authorized the Sheriffs of Knox Davidson, Maury, Smith, Rutherford, Jefferson, Sumner, and Washington Counties each to appoint one deputy in addition to the number allowed by law and thereafter, if deemed necessary, to have three deputies each.
3. Private Acts of 1913 (1st Ex. Sess.), Chapter 110, stated that the Sheriff of Smith County would receive an annual salary of \$1,200, payable semi-annually in January and July, to be paid out of the county treasury by the Trustee on the warrant of the County Judge or Chairman, provided the Sheriff filed a sworn, itemized statement with the County Judge twice a year showing all fees collected in his office and the source of the fees. If the fees were less than the stated salary, the County would pay the difference, but the fees did not have to include the amounts for boarding prisoners and turnkeys. The Sheriff was forbidden to donate his fees to anyone.
4. Private Acts of 1927, Chapter 780, repealed Private Acts of 1913 (1st Ex. Sess.), Chapter 110, above, and stated that in Smith County, the Sheriff would receive an annual salary of \$1,000, payable monthly out of the county treasury on warrant of the County Judge or Chairman. The Sheriff could keep for himself all fees and commissions collected under the law.
5. Private Acts of 1929, Chapter 619, permitted the Superintendent of the Workhouse in Smith County to work prisoners, under the rules and regulations by which workhouse prisoners worked on public roads, to clean and to assist in beautifying cemeteries located outside of incorporated towns and containing thirty or more graves of soldiers or soldiers' widows from any war in which the State participated.

Chapter XI - Taxation

Hotel/Motel Tax

Private Acts of 2021 Chapter 26

SECTION 1. As used in this Act, unless the context requires otherwise:

- (a) "Consideration" means the consideration charges, whether or not received, for the occupancy in a hotel valued in money whether to be received in money, goods, labor, or otherwise, including all receipts, cash, credits, property, and service of any kind or nature without any deduction therefrom whatsoever. Nothing in this definition shall be construed to imply that consideration is charged when the space provided to the person is complimentary from the operator and no consideration is charged or received from any person;
- (b) "Hotel" means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging, or sleeping purposes for a consideration, and includes any hotel, inn, tourist cabin, campground, bed and breakfast, or motel;
- (c) "Occupancy" means the use or possession or the right to use or possession of any room, lodging, or accommodations in a hotel for a period of less than thirty (30) continuous days;
- (d) "Operator" means the person operating the hotel whether as owner, lessee, or otherwise;
- (e) "Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, governmental unit other than the United States or any of its agencies, or any other group or combination

acting as a unit to include the State of Tennessee;

(f) "Tax collection official" means the County Clerk; and

(g) "Transient" means any person who exercises occupancy or is entitled to occupancy of any rooms, lodgings, or accommodations in a hotel.

SECTION 2. Smith County is hereby authorized to levy a privilege tax upon the privilege of occupancy in any hotel by a transient in an amount not to exceed five percent (5%) of the consideration charged by the operator. The tax imposed is a privilege tax upon the transient occupying such room or other accommodation and is to be collected and distributed as herein provided. The rate of the tax may be modified by the county legislative body subject to the five percent (5%) limitation.

SECTION 3. The tax shall be added by each operator to each invoice prepared by the operator for the occupancy of his hotel. Such invoice must be given directly or transmitted to the transient, a copy thereof filed by month and retained by the operator as provided in Section 7 hereof.

When a person has maintained occupancy for thirty (30) continuous days, he shall receive from the operator refund or credit for the tax previously collected from or charged to him, and the operator shall receive credit for the amount of such tax if previously paid or reported to the County.

SECTION 4.

(a) The tax hereby levied shall be remitted by all operators who lease, rent, or charge for any rooms or accommodation space in a hotel to the County Clerk not later than the twentieth (20th) day of each month next following such collection from the transient. The operator is required to collect the tax from the transient at the time of the presentation of the invoice for occupancy, whether prior to, during, or after occupancy, as may be the custom of the operator. The obligation to the county entitled to such tax shall be that of the operator.

(b) For the purpose of compensating the County Clerk for collecting the tax, the County Clerk shall be allowed five percent (5%) of the amount of tax remitted by the operators.

SECTION 5. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will be added to the rent, or that, if added, any part will be refunded.

SECTION 6. Taxes collected by an operator which are not remitted to the County Clerk on or before the due dates are delinquent. An operator shall be liable for interest on such delinquent taxes from the due date at a rate of twelve percent (12%) per annum, and in addition for a penalty on such taxes of one percent (1 %) for each month or fraction thereof that such taxes are delinquent. Such interest and penalty shall become a part of the tax herein required to be remitted. Willful refusal of an operator to collect or remit the tax or willful refusal of a transient to pay the tax imposed may result in the imposition of a civil penalty not to exceed five hundred dollars (\$500.00) upon a finding of such willful refusal by a court of competent jurisdiction. Any civil penalty imposed shall be applicable to each individual transaction involving lodging services paid by a transient to the operator in those cases when the operator fails or refuses to pay the tax payable to the County Clerk.

SECTION 7. It is the duty of every operator liable for the collection and payment of any tax imposed by this Act to keep and preserve for a period of three (3) years all records necessary to determine the amount of such tax, which records the tax collection official shall have the right to inspect at all reasonable times.

SECTION 8. In administering and enforcing the provisions of this Act, the tax collection official shall have as additional power the powers and duties with respect to collection of taxes provided in Tennessee Code Annotated, Title 67, or otherwise provided by law.

SECTION 9. The County Clerk shall faithfully account for and make proper reports of all funds paid to and received by such Clerk for the privilege tax.

SECTION 10. The proceeds of the tax shall be paid over to the County Clerk and placed in the county general fund to be appropriated by the county commission for the public safety and tourism.

SECTION 11. The privilege tax levied by this Act shall be in addition to all other taxes levied or authorized to be levied whether in the form of excise, license, or privilege taxes, and shall be in addition to all other fees and taxes now levied or authorized to be levied.

SECTION 12. If any clause, sentence, paragraph, section, or any part of this Act shall be held or declared to be unconstitutional, it shall not affect the remainder of this Act notwithstanding the part held to be invalid, if any, and to that end the provisions of this Act are declared severable.

SECTION 13. This Act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county

legislative body of Smith County. Its approval or nonapproval shall be proclaimed by the presiding officer of the legislative body and certified by such officer to the Secretary of State.

SECTION 14. For the purpose of approving this Act as provided in Section 13, it shall take effect on becoming a law, the public welfare requiring it. For all other purposes, it shall take effect on the first day of the month following approval as provided in Section 13.

Passed: May 4, 2021.

Taxation

The following is a listing of acts pertaining to taxation in Smith County which are no longer effective. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1807, Chapter 23, declared that when Smith County was reduced to its constitutional limits, persons living in land transferred from Smith County owed taxes due the County. This act made it lawful for the Sheriff to collect those taxes due at the time the partition.
2. Acts of 1807, Chapter 77, allowed the County Court of Smith County to levy a tax for the relief of William Bartlett who had contracted to build a jail in Carthage, completed the undertaking in a satisfactory manner, and thereby had been materially damaged. The County Court was to compensate him in a manner and to the extent to which they considered right and proper,

- payable out of any funds available.
3. Acts of 1809 (Sept. Sess.), Chapter 61, stated that John Gordon, the collector of public taxes in Smith County for the year 1803, was prevented from passing into the treasury the full amount of taxes charged to him because he was prohibited from selling the lands of nonresidents by interference of state laws. Judgment was rendered against him in the amount of \$43.21. The act authorized payment of the money to Gordon.
 4. Acts of 1815, Chapter 76, authorized the County Courts of Smith and Overton Counties to lay a sufficient amount of taxes in the next succeeding two years to build a good and substantial jail and stocks at their respective courthouses. The Commissioners in charge of the work at Carthage and Monroe would proceed with the building as soon as money collected from the tax was available.
 5. Private Acts of 1819, Chapter 29, allowed the County Court of Smith County to levy a tax in order to build an office to be located in Carthage for the County Register, Circuit Court, and the County Court Clerk.
 6. Private Acts of 1819, Chapter 101, suspended the effective date of Private Acts of 1819, Chapter 29, above, until December 1, 1821.
 7. Private Acts of 1821, Chapter 80, repealed Private Acts of 1819, Chapter 29, above.
 8. Public Acts of 1870-71, Chapter 50, allowed several counties and incorporated towns in the State to levy taxes for county and city purposes under the following conditions: (1) that all taxable property be taxed according to its value upon principles established for state taxation, and (2) that the credit of no county or town would be given or be loaned to any person, company, association or corporation unless a majority of the Justices of the County Court first agreed to submit the issue to a referendum vote by the people and that the issue be approved by a threefourths majority of the voters. Several counties, including Smith County, were exempted from the requirement of a three-fourth's majority for the next succeeding ten years and the requirement of a simple majority vote was substituted for that period.
 9. Private Acts of 1975, Chapter 2, established a privilege tax for using the county highways in counties with not less than 12,050 and not more than 13,000 in population, according to the 1970 Census, which figures applied to Hickman and Smith Counties. The privilege tax was \$15 for all vehicles except those expressly exempted, such as farm vehicles and machinery, and \$7.50 for motorcycles, and like vehicles. Anyone using the roads for at least thirty days each year was subject to the tax. Noncompliance was declared a misdemeanor. The County Court Clerk would collect the tax at the same time state license fees were collected and would issue a decal to be placed on the vehicle to denote payment, for which the Clerk would be paid fifty cents per license as part of the cost. The tax was good from March 1st to the last day of February. A \$1 fee was to be charged for the replacement of lost or destroyed decals or for the transfer of decals to another vehicle. The act was rejected or disapproved by the Quarterly Courts of the counties involved and did not become effective.
 10. Private Acts of 1979, Chapter 88, levied a special privilege tax of \$15 upon motor driven vehicles in Smith County. Procedures to be followed in the collection of the tax and distribution of tax proceeds were set forth. The act was subject to approval in a referendum.
