

BRADLEY COUNTY ROAD DEPARTMENT POLICY
FOR EASEMENTS ALONG COUNTY ROW

It is the policy of the Bradley County Road Department to request (in writing) from the current property owner authority to enter their property to allow work that needs to be completed to correct safety issues or other construction issues or repairs that cannot be completed on county ROW only. This will be for **County Maintained Roads ONLY**.

These agreements will state that property will be restored to current/or better condition than when it was entered upon by our equipment. Agreements will be signed by the property owner, as well as the Road Superintendent, dated and notarized.
