

County Technical Assistance Service

Welcome to Kate! The Learning Management System for the County Technical Assistance Service.

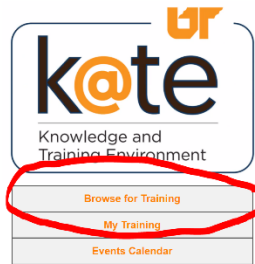

Please explore our training offerings by selecting the **Browse for Training** button under the K@te logo.

Once you add a course to your shopping cart you will be asked to create a user account.

If you already have an account for Kate - please **click here** and enter your login information.

If you have any questions about CTAS training call (615) 532-3555 or visit our website <http://www.ctas.tennessee.edu/>.

Use the click here link in the middle of the page. Enter your solution point username and password. K@te will require a new password.
