SECTION 4. The property tax currently being levied within the boundaries of the District for the benefit of the District pursuant to Chapter 136 of the Private Acts of 1949 for supporting and maintaining schools and school property of the District shall continue to be levied for the additional purpose of paying principal and interest on the bond herein authorized and any other indebtedness of the District. The Board of

Said taxes shall be used exclusively to pay principal and interest on the bond authorized herein and any other indebtedness of the District as they become due, to maintain debt service fund balances and to pay costs of operating and maintaining schools of the District. In the event the property taxes and such other funds as shall be pledged to the payment of the indebtedness of the District are not sufficient to pay principal thereof and interest thereon when due, the District shall apply funds from operations or other available funds of the District to the payment thereof. Any surplus arising from the tax hereinabove described and not required for the payment of debt service on outstanding obligations of the District may be used, at the discretion of the Board of Trustees of the District, for the construction, improvement, renovation, expansion, furnishing, fixturing and equipping of school building and facilities, and additions thereto, in and for the District, including the purchase of all property, real and personal, or interests therein, necessary in connection with said work, and the purchase of school buses and school transportation equipment, and all other operations and maintenance of schools in the District.

SECTION 8. The District is further authorized, by resolution of the Board of Trustees, to issue and sell notes of the District in anticipation of the issuance of the bond authorized herein. The notes may bear such date or dates, shall mature at such time or times, not exceeding three (3) years from their respective dated dates, may bear interest at such rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium, and may provide for the replacement of mutilated, destroyed or lost notes, all as may be provided by resolution of the Board of Trustees.
