Paid Leave for Childbirth and Adoption

Reference Number: CTAS-2485
T. C. A. § 8-50-814 allows a teacher, principal, supervisor, or other individual required to hold a license in a local education agency (LEA) who has been employed by the LEA for at least 12 months, to take up to six weeks of paid leave after the birth, stillbirth, or adoption of a child. The employee must give at least 30 days advance notice to the LEA. Employees using leave pursuant to T. C. A. § 8-50-814 are not required to use sick, annual, or similar leave, but this leave will be counted against the employee’s Family and Medical Leave. The leave does not have to be taken consecutively as long as it is used in a 12-month period. The state will reimburse an LEA in amount equal to leave paid by the LEA to the employee.

Personal Injury Caused by Assault

Reference Number: CTAS-2484
T. C. A. § 49-5-714 requires a local education agency (LEA) to pay a teacher’s full salary and benefits if a teacher is absent from work due to a personal injury caused by a violent assault on the teacher during the teacher’s employment activities. The LEA must pay the teacher’s full salary and benefits until the teacher is released by a physician to return to work or is permanently and totally disabled from returning to work. A teacher is required to apply for workman’s compensation or similar benefits if eligible. The LEA must pay the difference between the teacher’s full salary and the workman’s compensation, or similar benefits received. A leave of absence due to violent assault may not be charged against a teacher’s sick leave, personal leave, or professional leave. The LEA is not required to pay the full salary and benefits of a teacher assaulted during employment activities for more than one year.
