Reimbursement for State Inmate Medical Care

Reference Number: CTAS-1380

The state is liable for expenses incurred from emergency hospitalization and medical treatment rendered to any state prisoner incarcerated in a county jail or workhouse, provided that the prisoner is admitted to the hospital. The sheriff of the county in which the state prisoner is incarcerated must file a petition with the criminal court committing the state prisoner to the county jail or workhouse attaching thereto a copy of the hospital bills of costs for the state prisoner. It is the duty of the court committing the state prisoner to the county jail or workhouse to examine bills of costs, and if the costs are proved, the court is required to certify the fact thereon and forward a copy to the judicial cost accountant. Expenses for emergency hospitalization and medical treatment are paid in the same manner as court costs. T.C.A. § 41-4-115(b).

The state is responsible for transportation costs and cost of any guard necessary when a state prisoner is admitted to a hospital or requires follow-up treatment. Such reimbursement is to be made according to the procedures established by T.C.A. § 41-8-106, but shall be in addition to the per diem established in T.C.A. § 41-8-106. T.C.A. § 41-4-115(c).

No claim against the state for the payment of medical expenses shall be paid unless the claim is submitted to the department of correction within six (6) months from the date the services were provided. No claim against the state for the payment of costs incurred in the prosecution and safekeeping of criminal defendants shall be paid unless the claim is submitted to the department of correction within six (6) months from the date of entry of the judgment of conviction. T.C.A. §§ 40-25-144(a) and 41-4-115(g).

If a defendant serving a felony sentence in a local jail develops medical problems that the local jail is not equipped to treat, the court has the authority to transfer the defendant to the Department of Correction. T.C.A. § 40-35-314(e).
