Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the Tennessee Code Annotated and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee

| County Mineral Severance Tax (Private Act) | ......................................................... | 3 |
Several counties have enacted mineral severance taxes by private act. Private acts on this subject are no longer authorized, but private acts on this subject enacted prior to June 5, 1984, remain in effect, except that the rate cannot exceed 15 cents per ton. T.C.A. §§ 67-7-209, 67-7-212. The minerals subject to the tax are delineated in each county's private act, along with provisions regarding rate, collection and distribution of the tax proceeds. Currently, the following counties have a mineral severance tax levied by private act: Benton, Carroll, Carter, Decatur, Giles, Humphreys, Roane, Rutherford, Unicoi, Weakley, White, and Williamson.
