Cost Associated with Bonds and Loans

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the Tennessee Code Annotated and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Cost Associated with Bonds and Loans

Reference Number: CTAS-1793
The county needs to understand the full and total cost of the issuance of debt. There generally is a cost associated when the transaction is complete, and then the on-going monthly and annual cost of the issue. These costs should be fully disclosed during your solicitation process for a financial advisor and debt issue. State form CT-0253 should be used in the solicitation process.
