Minors and the Beer Laws

Reference Number: CTAS-365

Several statutes dealing with the sale or possession of beer have special provisions dealing with the purchase or possession of beer by minors. When used in Title 57 of the *Tennessee Code Annotated* with respect to purchasing, consuming or possessing alcoholic beverages (including beer), "minor" means any person who has not attained 21 years of age. T.C.A. § 1-3-105(1). However, any person who is 18 years of age or older may transport, possess, sell or dispense alcoholic beverages (including beer) in the course of that person's employment. T.C.A. § 1-3-113.

In summary, the statutes dealing with minors provide as follows:

1. It is unlawful for any person under the age of 21 to purchase, possess, transport or consume alcoholic beverages (including beer), except that persons who are 18 or over may transport, possess, sell or dispense alcoholic beverages (including beer) in the course of their employment. T.C.A. §§ 1-3-113 and 57-5-301(e). A person under the age of 18 cannot process a sale or bag beer in the course of his or her employment. Attorney General Opinion U90-116 (8/15/90).
2. Anyone purchasing beer for off-premises consumption must present a valid, government-issued form of identification that contains a photo and the birth date of the consumer. Persons exempt under state law from the requirement of having a photo ID must present other identification acceptable to the permit holder. Beer cannot be sold to anyone who does not present the required identification showing that the person is an adult. However, a permit holder cannot be criminally prosecuted or civilly punished for any sale made to a person who is or reasonably appears to be over the age of 50 and failed to present the required identification. T.C.A. § 57-5-301(a)(1).
3. It is unlawful for any person engaged in the sale, manufacture or distribution of beer to make or permit to be made any sale to minors. T.C.A. § 57-5-301(a)(1). The first offense of selling beer to a minor is a Class A misdemeanor. T.C.A. § 57-5-301(a)(2). A second offense of selling beer to a minor is a Class E felony. Upon the second conviction, the permit of such person shall be automatically and permanently revoked regardless of any other penalty actually imposed. T.C.A. § 57-5-303(c). However, the permit cannot be revoked (but may be suspended for up to 10 days or a penalty up to \$1,500 may be imposed) if an operator or any person working for the operator sold beer to a minor over the age of 18 after the minor exhibited identification (false or otherwise) indicating the minor's age to be 21 or over, the minor reasonably appeared to be of that age, and the person making the sale did not know that the person was a minor. T.C.A. § 57-5-108(b). Note that the penalties for sale of beer to minors are different if an off-premises permit holder has been certified as a "Responsible Vendor" under T.C.A. § 57-5-606.
4. It is unlawful for any person under the age of 21 to purchase or attempt to purchase beer. T.C.A. § 57-5-301(d)(1). While a store owner or employee cannot hold a driver's license or other identification as evidence of a violation, a violator may be detained until proper authorities are called and arrive, provided that the offense was committed in the owner's or employee's presence and delivery of the offender to proper authorities occurs without unnecessary delay. Attorney General Opinion U88-59 (5/26/88).
5. It is unlawful for anyone to purchase beer or like beverages for anyone under the age of 21. T.C.A. § 57-5-301(d)(2).
6. It is unlawful for any person under the age of twenty-one (21) to exhibit false identification or to make false statements to the effect that he or she is 21 years of age for the purpose of purchasing beer. T.C.A. § 57-5-301(d)(3).
7. It is unlawful for the management of any place where beer is sold to allow minors to loiter in such places. The burden of ascertaining the age of minor customers is on the owner or operator of the business. T.C.A. § 57-5-301(c).

The law does not establish a minimum age for applicants for beer permits. Attorney General Opinion 87-28 (2/23/87). However, T.C.A. § 1-3-114 provides that any person 18 years old or older must not be prohibited from entering into any profession or from performing any services on the basis of the person's minority. Therefore, an 18-year-old person could obtain a permit to sell beer, if the person is otherwise qualified. A county or city could not set a minimum age requirement for obtaining a permit to sell beer at

greater than 18 years of age.

The Attorney General has opined that an individual under the age of 18 is not eligible to obtain a permit for the retail sale of alcoholic beverages, pursuant to T.C.A. § 57-3-210(h), if the person intends to engage in the physical manufacture, storage, sale, or distribution. However, T.C.A. § 57-3-210(h) does not apply to corporations and thus does not prohibit the carrying on of a retail liquor business by a corporation which has a minority or majority stockholder under the age of 18, so long as the stockholder is not engaged in any of the prohibited acts under that subsection. While that code section does not apply to the sale of beer, it could be inferred from the opinion that a Class B county or city could reasonably set a minimum age at 18 in order to obtain a beer permit, but if the applicant was a corporation with a stockholder under the age of 18, a permit could still be issued. Attorney General Opinion 87-28 (2/23/87) and Attorney General Opinion U86-101 (7/2/86).

Sting Operations Using Minors

Reference Number: CTAS-375

Law enforcement may conduct sting operations using minors in accordance with the requirements of T.C.A. § 39-15-413. Criminal prosecutions for unlawful sales of beer for off-premises consumption to underage persons as a result of a sting operation using a person under the age of 21 cannot be commenced unless the person or law enforcement officer supervising the person used in the sting operation obtains the name of the permit holder and the employee of the permit holder from whom the beer was purchased or attempted to be purchased. The law enforcement officer is required to notify the permit holder in writing within 10 days of the sting that the action occurred, giving the name of the permit holder and the employee involved, and whether the person was successful in making the purchase. T.C.A. § 39-15-413.
