Sanctions

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Sanctions ......................................................................................................................... 3
Sanctions

Reference Number: CTAS-532
If any region fails to submit a plan in a timely fashion, submits an inadequate plan, or fails to comply with other provisions of this act, then the commissioner of the Department of Environment and Conservation will impose the following sanctions:

1. On the first instance of noncompliance, the commissioner shall issue a letter of warning indicating the reasons for noncompliance, setting forth the sequence of graduated sanctions for noncompliance and offering technical assistance to remedy the causes of noncompliance.

2. Any noncompliance should be resolved as soon as possible. If noncompliance continues for thirty (30) days after receipt of the warning letter, the noncomplying county or region will lose eligibility for funds from the solid waste management fund, unless the commissioner states in writing that, due to particular circumstances, a longer time is appropriate.

3. If noncompliance continues for sixty (60) days after receipt of the warning letter, then, in addition to any other penalty imposed by law, the commissioner may impose a civil penalty of not more than five thousand dollars ($5,000) for each day of noncompliance beyond the sixty-day period.

Any civil penalty will be assessed in the same manner as provided in § 68-211-117(b). Any penalty collected pursuant to this section shall be deposited in the solid waste management fund. T.C.A. § 68-211-816.
