Healthcare Facilities

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Healthcare Facilities

Reference Number: CTAS-550
In order to operate in Tennessee, every publicly or privately owned hospital, nursing home, recuperation center, ambulatory surgical treatment center, mental health hospital or home for the aged is required to be licensed by the state Department of Health. T.C.A. § 68-11-201 et seq. A county may operate such facilities if they are licensed and maintained according to rules established by the state Department of Health. T.C.A. §§ 68-11-204, 9-21-105(21)(A). The state health care licensing board has exclusive jurisdiction to regulate this area so that any conflicting regulations adopted by local governments are inoperative. The state health care licensing board must approve all new healthcare facilities before construction work may begin. T.C.A. § 68-11-202.
