Forms and Supplementary Schedules

Reference Number: CTAS-732

Using the forms provided by the budget coordinator, departments should complete the documents with accurate information. Also, if the forms do not adequately present the needs of the department, supplementary schedules or information should be added to the standard forms. Though it may not seem to be of utmost importance relating to budgets, communication is at least the second greatest problem in adopting annual budgets. The use of appropriate forms and supplementary schedules can assist in keeping budgetary communications clear.
