Purchasing System

Reference Number: CTAS-908

All county purchasing is handled centrally under the County Financial Management System of 1981. The specific provisions regarding purchasing under the CFMS of 1981 are found in T.C.A. §§ 5-21-118 through 5-21-120. The financial management committee, with the assistance of the purchasing agent, is to establish a purchasing system for the county. The system must provide among other procedures the following:

1. The purchasing agent shall review all contracts or purchases for biddable supplies, materials, equipment, and other needs of the county;
2. No purchase or contract can be made when the bid prices exceed the current market price for the same merchandise or service;
3. Purchases and contracts must be awarded based on the lowest and best bid; and
4. Specifications development shall be made by the department, agency, or official to receive the merchandise, construction or service. T.C.A § 5-21-119.

Purchasing Agent. The finance director or a deputy appointed by him or her serves as the county purchasing agent unless the county legislative body establishes a separate purchasing department and appoints a purchasing agent. If the county legislative body approves a separate purchasing department and a purchasing agent is hired, all duties and responsibilities relative to purchasing are removed from the finance director. T.C.A. § 5-21-118.

- Public sale of all surplus materials, equipment, buildings, and land. T.C.A § 5-21-118(b)(4).
- Reviewing all contracts and purchases for biddable supplies, materials and equipment, and other needs of the county. T.C.A. § 5-21-119(b)(1).
