SECTION 1. The following definitions apply to the terms used in this Act: (1) The term "budget" when used in this Act shall mean the appropriation of money appropriated by the County Commission for each department or activity of Benton County for the period shown by the adoption of the budget by the County Legislative Body and any appropriation authorized by statute.

(2) The term "official of the county" when used in this Act shall mean any official authorized by the County Legislative Body or the statutes of the State of Tennessee to draw from the Trustee and expend money of Benton County.

(3) The term "budget committee" when used in this Act shall mean a committee of five (5) members appointed or elected by the County Legislative Body of Benton County as hereinafter provided.

(4) The term "expenditure" or "expend" when used in this Act shall mean the act of committing Benton County to expend monies then and there in the Office of the County Trustee or to come into the office of the County Trustee of Benton County.

(5) The term "commission" when used in this Act shall mean the County Legislative Body of Benton County, Tennessee.

SECTION 2. The Budget Committee shall consist of not more than five (5) members who shall be appointed by the Chairman and confirmed by the County Legislative Body. The Budget Committee is to receive as compensation for their services in the preparation and supervision of the making of the budget a per diem fee as set by the County Legislative Body each fiscal year. The Budget Committee shall have the power and authority to employ such help and assistance as may be necessary to properly prepare and work out the budget and to do the matters and things in connection with said work and in preparation of said budget, as required by this Act, and to fix the wages or pay for the services of such help and assistance as may be employed for that purpose.

SECTION 3. Immediately after the second Monday of March, the Budget Committee of Benton County shall begin the preparation of a budget, containing a complete plan, itemized and classified according to function and activity of all proposed expenditures and all estimated revenues by sources, including borrowings by or for the county, for the ensuing appropriation year, which shall begin on the first day of July of each year, or at such other date as may be provided for by law, for the beginning of the appropriation year. Opposite each item of proposed expenditure, the budget shall show in separate parallel columns the amount appropriated for the preceding appropriation year, the amount expended during that year, the amount appropriated for the current appropriation year, and increases and decreases in the proposed expenditures for the ensuing year as compared with the appropriation for the current year. This budget shall be accompanied by:

1. A statement of the contemplated revenues, including borrowings, of Benton County for the ensuing appropriation year; and
2. An itemized and complete financial balance sheet of each fund account of Benton County, at the close of the last preceding appropriation year.

SECTION 4. A brief synopsis of the budget, as prepared by or under the supervision of said Budget Committee, shall be posted at one (1) or more public places in said county, including the bulletin board at the courthouse door, and a copy thereof shall be furnished to each County Commissioner and notice given of one (1) or more public hearings, at least five (5) days prior to the date of such hearing, at which citizens of said county shall have the right to attend and state their views thereon. The Budget Committee shall submit said budget to the County Commission at such time as will allow the Commission to adopt the budget at or prior to the July meeting with recommendation for adoption of said budget as may be agreed upon by the committee. However, it shall not be mandatory upon the commission to adopt the budget recommended by the Budget Committee, but if said budget is not adopted, the County Legislative Body shall prepare and adopt a budget of its own, using the budget estimate as a basis, but appropriating such sums as the Commission may deem proper for the expenses listed under subdivision (2) of Section 5 of this Act, whether greater or less than the budget estimate, but no appropriation recommended by the budget estimate under subdivisions (1) and (3) of Section 5 of this Act shall be reduced by the Commission and the taxes levied for such appropriations may be over and above all other taxes authorized or limited by law, and the Commission shall by appropriate order, adopt and enter upon the

minutes of the Commission a budget covering all expenditures for the county for the next appropriation year, itemized and classified as required by Section 3 of this Act. It shall be mandatory upon the County Legislative Body to adopt a resolution or fix a tax rate, levying upon all property subject to taxation within the county, and basing such levy upon the current tax collection experience of the preceding fiscal year, such rate of tax as may be required to produce the sum necessary to balance the budget upon a cash basis. In order that the current tax levy shall be truly based upon the current tax collection experience of the preceding year, such current tax levy shall be determined by dividing the sum necessary to be raised in order to balance the budget, by a percentage which does not exceed the percentage obtained by dividing the amount of current taxes collected in cash in the preceding fiscal year, by the amount of the taxes levied and payable in such preceding fiscal year.

SECTION 5. The sum necessary to balance the budget as provided in Section 4 of this Act, shall be ascertained by adding the appropriation included in said budget, which shall be as follows:

2. The amounts required and appropriated for the fiscal year for the expense of conducting and/or operating each department, division, office or board and the subdivisions of each.
3. The amount of any cash deficit, being the sum of all outstanding and unpaid bills or other lawful obligations and all amounts payable to all special funds of the county at the close of the last preceding fiscal year incurred for debt or other lawful charges in connection with the operation of the county to the extent that such sums exceed the cash on hand or on deposit to the credit of the general funds of the county in relation to expenditures for strictly county general expenses; and the school, highway and other funds, for those purposes, and by deducting therefrom, the estimate of the cash receipts to be available during the current year, from the taxes and miscellaneous revenue.

SECTION 6. The Budget Committee of Benton County may require the heads or other responsible representatives of all departments, divisions, boards, commissions, agencies or offices of said county, to furnish such information as may be deemed advisable and in such form as may be required in relation to their respective affairs and activities.

SECTION 7. The County Legislative Body shall cause to be made out immediately preceding the July meeting of said Commission in each and every year hereafter a statement showing the aggregate amount of the receipts and itemized disbursements of the twelve (12) month period ending on June 30. A copy of such statement shall be posted on the bulletin board at the courthouse door of said county.

SECTION 8. It shall be the duty of the School Board and County Superintendent of Benton County, to prepare and file with the Budget Committee, an itemized statement or budget, as specified in Section 3 of this Act, and figured and ascertained in accordance with the provisions of Sections 4 and 5 of this Act, of the funds which said board and superintendent estimate will be necessary for the maintenance and operation of the schools and expenses incident thereto for the year commencing the first day of July following the filing of such statement or budget, so that said school budget may be presented to the Commission by the Budget Committee along with the regular county budget.

SECTION 9. The County Legislative Body shall include in the county budget required by law and as a part thereof, a budget for the schools of the county, using such recommended budget estimate as a basis, but appropriating such sums as the commission may deem proper therefor fixing the amounts necessary for said purposes, and levying the taxes covering such proposed expenditures in the same manner and by the same method as that contained in Sections 4 and 5 of this Act.

SECTION 10. It shall be the duty of the County Executive to install and maintain or to cause to be installed and maintained a set of accounts as prescribed by the County Legislative Body and this Act, classified according to functions and activities, which will at all times reveal the amount appropriated, the amount expended to date chargeable against such appropriations and the unexpended balance of such appropriations. Furthermore, it shall be the duty of each and every official of the county, before making an expenditure for any purpose whatsoever, whether it be for personal services, contracted services, materials and supplies, equipment, bounties and claims, pensions and relief contributions, or debt service, to issue or cause to be issued to the county executive a requisition, and to receive from the County Executive a purchase order, which among other things, shall show the unexpended balance of the appropriation against which such purchase order or requisition has been charged.

SECTION 11. If any official of Benton County who has the power, right or authority to expend county funds from the County Trustee or funds coming into the County Trustee from the State of Tennessee

expends any sum in excess of the monies or funds then and there actually in the County Trustee to the credit of his department of the county government or in excess of the budget adopted by the County Legislative Body covering that certain period of time as shown by the budget, such county official making any overdrafts of the County Trustee or commitment in excess of the amount appropriated for the specific purpose for which the expenditure was made by the County Legislative Body of Benton County, shall be personally liable, together with the sureties of his official bonds, to Benton County for such overdraft, and/or the payee of any such warrant for the full amount of such overdraft or over-expenditure, and the county and/or payee of any such warrants, shall have cause of action of debt to recover from such official or officials and their bondsmen, the amount of the overdraft or over-expenditure, with interest from the date of issuance of such warrants.

SECTION 12. It shall be unlawful for any official and/or employee of Benton County, to draw, sign, issue, deliver, or to authorize the drawing, signing, issuance or delivery of any purchase order, warrant, or other commitment during the appropriation year when such warrant, purchase order or other commitment, added to amounts previously expended, shall exceed the appropriation made by the County Legislative Body for the specific purpose for which the expenditure is made. A violation of this Section shall be punished as official misconduct pursuant to § 39-16-402. It shall be mandatory upon the members of the County Legislative Body to determine whether or not warrants or purchase orders, or other commitments have been issued or made in violation of the intent of this Act, and if warrants, purchase orders or other commitments are found to have been issued in violation of the intent of this Act, it shall be mandatory upon said Commission or its qualified representative to certify the facts to the District Attorney General for presentation to the Grand Jury at the next term of the Circuit Court; and it shall be the duty of the District Attorney General to present facts to the said Grand Jury and to institute such other proceedings that may be necessary to give full effect to the provisions of this Act.

SECTION 13. Any violation of this Act shall be punished as official misconduct pursuant to § 39-16-402, provided further, that any county official convicted under this Act, shall be subject to removal from office under the ouster laws of the State of Tennessee, and it shall be mandatory upon the County Legislative Body to appropriate the necessary funds for the prosecution of such case.

SECTION 14. Appropriations for which no provision was made in the budget as adopted, shall be made only from any surplus resulting from an unappropriated balance of the tax rate, and then only by a two-thirds (2/3) majority vote of the members of the County Legislative Body.

SECTION 15. The holding of any section or part thereof, or any subsection, clause or phrase of this Act, to be void or ineffective for any cause shall not in any way affect any other section or part thereof in this Act. It is hereby declared, and shall be conclusively presumed that this Act and each section, subsection, sentence, clause and phrase thereof would have been passed and enacted, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases thereof be declared unconstitutional or void or ineffective for any cause.

SECTION 5. That except as otherwise expressly provided in this Act, The Port Authority Commissioners shall have full and exclusive control of and responsibility for the administration of facilities constructed or acquired pursuant to this Act; provided, however, that said Authority may lease or license lands or facilities under its jurisdiction, for operation by private persons or corporations, as provided in Section 4 (e) of this Act.

Title to property so condemned shall be taken in the name of the County of Benton, and property shall thereafter be entrusted to said Authority, as the agent of the County of Benton, to accomplish the purposes of this Act. Such condemnation proceedings shall be pursuant to and in accordance with Section 23-1401 through 23-1525, inclusive, of Tennessee Code Annotated, or as the same may be hereafter amended, or other eminent domain laws of the State of Tennessee that may be hereafter enacted; provided, however, that where title to any property sought to be condemned is defective, it shall be passed by the judgement or decree of the court, provided, further, that where condemnation proceedings become necessary, the court in which any such proceedings are filed, shall, upon application by The Port Authority, and upon posting of a bond with the Clerk of the Court, in such amount as the court may deem commensurate with the value of the property, order that a writ of possession shall issue immediately, or as soon and upon such terms as the court, in its discretion, may deem proper and just.

SECTION 10. That the initial members of the Board of Commissioners of the Port Authority, shall be elected by the Quarterly County Court for terms of ten years or until their successors are duly elected and qualified.

The Quarterly County Court of Benton County, Tennessee, at the expiration of the term of the Commissioners, shall elect their successors from among the seven nominees for the office, whose names shall be submitted to the Quarterly County Court of Benton County, Tennessee, by the Board of Commissioners of the Port Authority, and whose names shall be filed with the County Court Clerk not less than thirty days prior to the expiration of the term of the Commissioners; provided, however, that the Quarterly County Court, by a three-fourths vote of all the members of said court, may elect a successor Board of Commissioners not nominated by the Board of Commissioners of the Port Authority.

In the event of the death or resignation of a Commissioner prior to the expiration of his term, his successor shall be elected for the unexpired term by the Quarterly County Court from among seven nominees for the office, whose names shall be submitted to the Quarterly County Court of Benton County by the remaining Commissioners not less than thirty days prior to the meeting of the Quarterly County Court, and such successor Commissioner shall be elected for the unexpired term of the deceased or retiring Commissioner. All Commissioners shall be eligible for re-election. Before entering upon their duties, all Commissioners shall take and subscribe to an oath of office, as provided by the constitution and law for county officers, and the same shall be filed with the County Court Clerk.

A majority of the Commissioners shall constitute a quorum and the Commissioners shall act by vote of a majority present at any meeting attended by a quorum, and vacancies among the Commissioners shall

not affect their power and authority, so long as a quorum remains. Within thirty days after this Act becomes effective, the Commissioners shall hold a meeting to elect a Chairman. The Commissioners shall hold regular meetings at least once every ninety days, and at such regular time and place as the Commissioners may by resolution determine, and may hold such additional meetings, either regular or special, as may be determined by the Board of Commissioners. Special meetings may be called and held upon such notice and in such manner as the Board of Commissioners may, by resolution, determine. Save as otherwise expressly provided, the Board of Commissioners shall establish their own rules of procedure.

The Commissioners shall designate a secretary and a treasurer, or the same individual as secretary and treasurer, and such secretary and/or treasurer, may or may not be a Commissioner or Commissioners. The secretary shall attend all regular and special meetings and keep minutes thereof. The Board of Commissioners, by resolution, shall require the Treasurer or Secretary-Treasurer, if he is one and the same person, to execute a bond with approved corporate surety, for the faithful performance of his duties and the accounting of all monies and revenues that may come to his hands, as such, in such penalty as the Board shall specify, by resolution. Said bond shall be filed with the County Court Clerk and registered in the Register's Office, as required of county officers. The Board of Commissioners, by resolution, may require all other subordinate officers, or employees, to execute such fidelity bond for the faithful performance of their duties and the accounting of funds that may come to their hands, in such an amount, with such conditions and such sureties, as the Board of Commissioners may determine.

All members of the Board of Commissioners shall serve as such without compensation, but they shall be allowed necessary traveling and other expenses while engaged in the business of the Authority, as may be provided and approved by the Board, payable from the funds of the Authority, or such funds as may be appropriated by the Quarterly County Court of Benton County, Tennessee. The members of the Board shall be paid such amount for attendance at board meetings as may be fixed by resolution of the Quarterly County Court of Benton County, Tennessee.

SECTION 11. That the Port Authority Commissioners shall be removable only for good cause, and after preferment of charges, as provided by law for county officers.

SECTION 12. That the Port Authority Commissioners shall be authorized to employ and fix the compensation of such architects, attorneys, engineers, superintendents, consultants, professional advisors and other subordinate officers and employees, as may be necessary for the efficient management and operation of the Port Authority, and the operation of the facilities provided for in this Act, and who shall continue in the employment of the Authority, at the will and pleasure of the Board of Commissioners.

SECTION 13. That the County of Benton shall have power and authority to issue and sell its bonds to finance the acquisition, construction, improvement and/or expansion of the facilities herein authorized, and to refund bonds previously issued, or refinance indebtedness previously incurred for such purposes. The County of Benton may, in all respects, provide for the rights of the holder of all bonds, including the manner in which future bonds may be issued on a parity with such bonds.

The bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times, not exceeding forty years from their respective dates, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be sold or hypothecated in such blocks, may be subject to such terms of redemption with or without premium, may be declared or become due after the maturity date thereof, and may be in such amount as may be provided by resolution or resolutions of the Quarterly County Court of Benton County, Tennessee. Such Bonds may be issued for money or property, at public or private sale, for such price or prices and at such rate or rates of interest, and may be hypothecated in such manner as said Quarterly County Court may determine, but the interest cost to maturity of the bonds, when issued for property (at the value determined by said Quarterly County Court, which determination shall be conclusive), or the money received for any issue of said bonds, shall not exceed the maximum rate fixed by law, payable semi-annually. Such bonds shall have all the qualities and incidents of negotiability.

Pending the preparation of the definitive bonds, interim receipts or certificates in such form, and with such provisions, as the Quarterly County Court may determine, in the resolution authorizing said bonds, may be issued to the purchaser or purchasers of bonds sold pursuant to this Act. Said bonds and interim receipts of certificates, shall be fully negotiable. In case any of the officers, whose signatures or counter-signatures, appear on such bonds shall cease to be such officers before the delivery of the bonds, such signatures and counter-signatures shall nevertheless be valid and sufficient for all purposes, the same as though such officers had remained in office until the bonds had been delivered. Such bonds may be issued, notwithstanding and without regard to any limit or restriction on the amount or percentage of

indebtedness, or of outstanding obligations of the County of Benton, contained in any other statute, general or special, and notwithstanding and without regard to the requirements of any other general or special statute, including requirements as to elections for the approval of such bonds.

In the case of bonds payable solely out of the revenues of The Port Authority, it shall be the duty of the Quarterly County Court of Benton County, Tennessee, to provide by resolution for the issuance of such bonds, as requested by the Port Authority Commissioners. Prior to a vote by the Quarterly County Court of Benton County, authorizing the issuance of bonds to be financed wholly or in part through tax levies by the Quarterly County Court, the Port Authority Commissioners shall prepare and submit to the Quarterly County Court a recommendation that bonds in a stated amount be issued hereunder, supported by a report on the need for and projected use of the facilities for the financing of which such bond issue is proposed, including a review of alternate solutions, if any, and a justification of the solution proposed. Bonds may be issued as direct and general obligations of the County of Benton, payable out of its general income and revenue, or at the election and subject to the determination of the Port Authority Commissioners, may be made payable only out of the revenues from the facilities of the Port Authority. In case the bonds are issued as general obligations of the County, it shall be the duty of the Quarterly County Court of said County of Benton to levy a tax each year, over and above the taxes levied for general county purposes, to pay the interest and principal of said bonds, as they mature; provided, however, that in case the revenues derived from the operation of the facilities herein provided for, are sufficient to pay the interest and principal of said bonds, or a part thereof, as they may severally mature, then a special levy for the full payment of said interest and principal shall not be required, but the Quarterly County Court shall each year levy an amount of tax, which, when added to the amount of revenue derived from the operation of said facilities, then on hand and available for that purpose will be sufficient to pay the interest and principal maturing prior to the collection of the next succeeding tax levy. Said bonds shall be sold at public or private sale, and in such manner as may be determined by resolution of the Quarterly County Court, authorizing their issuance. Said bonds shall contain a recital that they are issued pursuant to and in accordance with this Act, and such recital shall be conclusive evidence of their legality. SECTION 14. That in order to secure the payment of any of the bonds issued pursuant to this Act, the interest thereon or in connection with such bonds, the Quarterly County Court of Benton County, Tennessee shall have power as to such bonds to the extent not inconsistent with the mandatory provisions of this Act:

- (a) To pledge the full faith and credit and unlimited taxing power of the County of Benton to the punctual payment of the principal of and interest of such bonds.
- (b) To pledge all or any part of the revenue derived from the operation of the facilities herein authorized.

- (g) To redeem such bonds, and to covenant for their redemption and to provide the terms and conditions thereof.
- (h) To covenant and prescribe as to what happenings or occurrences shall constitute "events of default," and the terms and conditions upon which any or all of such bonds shall become or may be declared due, before maturity, and as to the terms and conditions upon which such declaration and its consequences may be waived.
- (i) To covenant as to the rights, liabilities, powers, and duties arising upon the breach by it of any covenant, condition or obligation.
- (j) To vest in a Trustee or Trustees, the right to receive all or any part of the income and revenues pledged and assigned to or for the benefit of the holder or holders of bonds issued hereunder and to hold, apply and dispose of the same, and the right to enforce any covenant made to secure or pay, or in relation to the bonds; to execute and deliver a trust agreement or trust agreements, which may set forth the powers and duties, and the remedies available, to such trustee or trustees, and limiting the liability thereof, and describing what occurrences shall constitute "events of default," and prescribing the terms and conditions upon which such trustee or trustees, or the holder or holders of bonds of any specified amount or percentage of such bonds, may exercise such rights and enforce any and all such covenants and resort to such remedies as may be appropriate.
- (k) To make covenants other than and in addition to the covenants herein authorized, of like or different character, necessary or advisable to effectuate the purpose of this Act.

(l) To execute all instruments necessary or convenient in the exercise of the powers granted herein, or in the performance of its covenants or duties.

SECTION 15. That any holder or holders of bonds, including trustee or trustees for holders of such bonds, shall have the right, in addition to all other rights:

(a) By mandamus or other suit, action or proceeding in any court of competent jurisdiction, to enforce his or their rights against the county of Benton, the Quarterly County Court, the Port Authority, the Port Authority Commissioners, or any other proper officer, agent or employee of any of them, including, but without limitation, the right to require the County, the Quarterly County Court, the Port Authority, the Port Authority Commissioners and any proper officer, agent or employee of any of them, to assess, levy and collect taxes, and to fix and collect rates and charges adequate to carry out any agreement as to, or pledge of taxes or Authority revenues, and to require the County of Benton, the Quarterly County Court, the Port Authority, the Port Authority Commissioners, and any officer, agent or employee of them, to carry out any other covenants and agreements, and to perform its and their duties under this Act.

(b) By action or suit in equity to enjoin any acts or things, which may be unlawful or in violation of the rights of such holders of bonds.

SECTION 16. That the Quarterly County Court of Benton County, Tennessee shall have power, by resolution, to confer upon any holder or holders of a specified amount or percentage of bonds, including a trustee or trustees for such holders, the rights, in the event of an "event of default," as defined in such resolution or as may be defined in any agreement with the holder or holders of such bonds, or the trustee or trustees thereof:

(a) By suit, action or proceedings in any court of competent jurisdiction, to obtain the appointment of a receiver of the Authority's facilities or any part or parts thereof. If such receiver be appointed, he may enter and take possession of such facilities or part or parts thereof, and operate and maintain the same, and collect and receive all revenues thereafter arising therefrom, in the same manner as the Authority itself might do, and shall deposit such monies in a separate account or accounts, and apply the same in accordance with the obligations of the County of Benton, issued under this Act, as the court may direct.

(b) By suit, action or proceedings in any court of competent jurisdiction, to require the Quarterly County Court of Benton County, Tennessee, or the Port Authority Commissioners, to act as if they were the trustees of an express trust. Any such resolution shall constitute a contract between the County of Benton and the holders of bonds for such issue.

SECTION 17. That all expenses actually incurred by the Port Authority Commissioners in the making of surveys, estimates of cost and of revenue, employment of engineers, attorneys or other employees, the giving of notices, taking of options, selling of bonds, and all other preliminary expenses of whatever nature, which said Commissioners deem necessary in connection with or precedent to the acquisition or improvement of any of the facilities herein provided for, and which they deem necessary to be paid prior to the issuance and delivery of the bonds issued pursuant to the provisions of this Act, may be met and paid out of the general funds of the County of Benton, not otherwise appropriated or from any other fund available, as may be provided by the Quarterly County Court.

All such payments from the general or other funds shall be considered as temporary, non-interest bearing loans, and shall be repaid immediately upon sale and delivery of the bonds, and claim for such repayment shall have priority over all other claims against the proceeds derived from the sale of such bonds.

SECTION 18. That the Quarterly County Court of Benton County, Tennessee, is authorized to appropriate to the Port Authority from the general funds of Benton County, Tennessee, or such other funds as may be unappropriated, to pay the expenses of the Port Authority Board of Commissioners, or expenses or operation of any of the facilities authorized by this Act, and said Quarterly County Court is authorized and empowered to levy a tax, in addition to all other taxes, upon all taxable property within the county, sufficient to pay the appropriation made by it to The Port Authority.

SECTION 19. That all monies derived from the issuance of bonds hereunder, together with any federal or other grant or loan made, for the purposes of this Act, shall be paid to the Treasurer of the Port Authority. The Treasurer shall deposit such monies, together with all the receipts from the Authority operations, in a separate bank account or accounts, separate from all other county funds, and shall keep adequate record of all such receipts and their sources. The Treasurer shall pay out such monies only on vouchers signed by such Authority officials as The Port Authority Commissioners shall, by resolution, designate to sign such vouchers. No such vouchers for the payment of any such monies shall be issued except upon the resolution or order of the said Commissioners, a certified copy of which shall be filed in the office of the Treasurer.

SECTION 20. That the revenues derived from the operation of the port, storage and transfer facilities, and any and all other facilities herein authorized, shall be applied and used as follows:

- (1) The payment of all operating expenses of the Port Authority.
- (2) The payment of the interest on the bonds issued pursuant to the provisions of this Act, and the principal of said bonds, as they severally mature, and/or payments into the sinking fund reserves for this purpose.
- (3) The establishment of necessary reserves for contingencies, depreciation, maintenance, replacement of said port, storage, transfer facilities and any and all other facilities, or other purposes, as may be required under any bond indenture or as The Port Authority Commissioners may deem necessary or desirable.
- (4) Any revenue remaining after all the above items have been provided for, shall be held and used for the further development of and for additions to the Authority facilities, and for the acquisition or construction of new facilities, which may become necessary or desirable to further the purposes of this Act. None of such revenue shall go to the general funds of the County of Benton, except as may be directed by The Port Authority Commissioners.

SECTION 21. That except as otherwise herein expressly provided, all contracts of The Port Authority shall be entered into and executed in such manner as may be prescribed by the Board of Commissioners, but no contract or acquisition by purchase of equipment, apparatus, materials or supplies, involving more than \$500.00 or for construction, installation, repair or improvement of the property or facilities, under the jurisdiction of the Board of Commissioners, involving more than \$1,000.00 shall be made except after said contract has been advertised for bids, provided that advertisement shall not be required when:

- (1) An emergency requires immediate delivery of the supplies or performance of the service; or,

SECTION 23. That the Quarterly County Court of Benton County, Tennessee, with the approval of the Port Authority Commissioners, may dispose of all or substantially all of the land and real property acquired under the provisions of this Act, upon a vote for such disposal, or a majority of all the members of the Quarterly County Court. Any such vote shall be taken at a meeting duly and regularly called for the purpose of considering the question of the disposition of such property. The Port Authority Commissioners may dispose of personal property of said Authority when, in the judgement of said Board of Commissioners, it is advantageous to or necessary for the efficient operation of said Authority, to dispose of the same, or when said personal property is being replaced by new or more efficient property of like character, or when said personal property is no longer necessary for the operation of the Authority.

SECTION 24. That the powers, authority and rights conferred by this Act shall be in addition and supplemental to, and the limitations imposed by this Act shall not affect the powers conferred by any other general, special or local law.

SECTION 25. Administration - Historical Notes

Budget System

The following acts once created a budgeting system for Benton County, but they have been specifically repealed or superseded by current law. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Private Acts of 1937, Chapter 400, was the initial act providing for a Budget System for Benton County. The first section was given over to legal definitions. The Budget Committee, provided for in the Act, would prepare a budget ninety days before the meeting of the County Court in which the tax levy would be set which would show all the details of the items of anticipated expenses and revenues for the coming year. An analysis of the proposed budget must be published in the newspaper, and a public hearing conducted to which all people were invited. The County Court, which was not bound to accept the recommended budget, would fix a tax rate based on the amount of the budget, as adopted, and on an 85% probability of collection, and at least 5% above the budget requests to allow for errors and emergencies. The Budget Committee could force a department head including the school Board, to submit a budget request based on the anticipated need. The County Judge must keep accurate records and no expenditure would be allowed which exceeded the budget allocation. Violations were subject to fines as other misdemeanors were. J. T. Hollingsworth, N. J. Cuff, E. E. McDaniel, L. E. Hatley, and J. O. Cagle were named to the first Budget Committee. They would be paid \$5.00 per day for each day spent on this assignment up to \$45 per year. This Act was repealed by the one below.
2. Private Acts of 1939, Chapter 24, repealed Private Acts of 1937, Chapter 400, above, in its entirety.
3. Private Acts of 1973, Chapter 9, amended Section 4 of the Private Acts of 1939, Chapter 541, to require the budget committee to submit the budget to the quarterly county court at such a time as would allow the court to adopt a budget at or prior to the July term of court.
4. Private Acts of 1999, Chapter 32, repealed Private Acts of 1973, Chapter 9, and extensively amended Private Acts of 1939, Chapter 541 relative to the budget law in Benton County. This version of the Private Acts of 1939, Chapter 541, as substantially amended by the Private Acts of 1999, Chapter 32, is reproduced herein as an act in force.

County Legislative Body

The following acts once applied to the quarterly court or the county legislative body of Benton County and are included herein for historical purposes.

1. Private Acts of 1835-36, Chapter 30, stated that the County and Circuit Courts would meet at the house of Samuel H. Burton in Benton County until the building of a courthouse.
2. Private Acts of 1919, Chapter 647, provided that each Justice of the Peace in Benton County, using the 1910 Federal Census Figures, shall be paid \$2.50 per day for each day of attendance at a regular, or called, meeting of the Quarterly County Court, plus five cents per mile for each mile traveled when going to and from their residences and the meeting place but they could be paid for only one round trip per court session.
3. Private Acts of 1949, Chapter 908, stated that in counties having a population of no less than 11,900 and no more than 12,000 according to the Federal Census of 1940, or any subsequent Federal Census, the Justices of the Peace would be paid \$5 per day for each day's attendance at the sessions of the Quarterly County Court of Benton County.

County Mayor

The references below are of acts which once applied to the office of county judge, or county executive in Benton County. They are included herein for historical purposes only. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1855-56, Chapter 253, created the office of County Judge in every county of the State

who would be learned in the law and elected by the people to an eight year term. He shall be commissioned and sworn into office as are the other judges. Quorum Courts were abolished and all their duties and functions were assigned to the County Judge, who would also preside over the County court in place of the Chairman who was relieved of this task. The jurisdiction of the Court and the powers and authority of the Judge were enumerated in the act. This act was repealed by the Public Acts of 1857-58, Chapter 5, and Quorum Courts were restored to activity.

2. Public Acts of 1889, Chapter 94, as amended by Private Acts of 1919, Chapters 425 and 613, Private Acts of 1920 (Ex. Sess.), Chapter 90, and Private Acts of 1925, Chapter 668, created the office of County Judge to be elected on the first Thursday in August, 1890 by the qualified voters of Benton County for a term of eight years. The jurisdiction, powers and authority of the Judge were enumerated in the act.
