Hourly Rate Employees

Dear Reader:
The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Hourly Rate Employees

Reference Number: CTAS-962
If an employee is employed solely on the basis of a single hourly rate, the hourly rate is the “regular rate.” For overtime hours the employees must be paid, in addition to the straight-time hourly earnings, a sum determined by multiplying one-half the hourly rate by the number of hours worked over 40 in the week. If, for example, the hourly rate is $10.00 and an employee works 46 hours in a week, the employee would be entitled to receive $490.00 (46 hours at $10.00 plus six hours at $5.00; or stated another way, 40 hours at $10.00 plus six hours at $15.00 (time and one-half)). The regulations governing hourly rate employees are found at 29 C.F.R. § 778.110.
