Chapter V - Court System

Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following acts once affected jurors or boards of jury commissioners in Decatur County, but are no longer operative.

1. Acts of 1907, Chapter 98, created the Board of Jury Commissioners for Decatur County which would consist of three members to be appointed by the Circuit Court Judge from different parts of the County, no more than two to be from the same political party, who would have no suit pending in court, nor any interest in any, and who would not seek to be appointed to the position. The Clerk of the Court would notify them of their appointment setting a time for meeting at least thirty days prior to the next term of court. The members would gather on that day and be sworn with the oath set out verbatim in the act. The Jury Commissioners would then select 25 jurors, or more, if the Judge ordered. Those selected would have their names certified and entered upon a book kept by the Circuit Court Clerk. At least ten days before the opening of Court, the Clerk would deliver the first 25 names to the Sheriff to be summoned. Provisions were made to summon special panels and to replenish panels if, and when, they might become exhausted. No one would be excused except by the Judge and then only for the reasons stated in the act. The Grand Jury would be selected from those chosen for the term. The Commissioners could be punished for a willful failure to serve and would be paid \$2.00 for each day actually spent in the discharge of these responsibilities.
2. Private Acts of 1911, Chapter 115, created Boards of Jury Commissioners for the counties of Hardin, Chester, Benton, Decatur, and Madison. There would be three member Boards appointed by the Circuit, or Criminal, Court Judges. They must be residents of the county, of good moral character, with no suit pending, and with no record of having solicited the position. If there were more than one court, each Judge would appoint a Board for the court over which he presided, and submit their names to the Clerk of the Court serving him. The members would meet, after being notified, at least 30 days before the term of the court, and be sworn according to the oath in the act. The Board would then proceed to select 37, or more if ordered, names from the tax rolls, or other public sources, who would serve as the Grand and Petit Jurors for that term of court. The remainder of the terms and conditions of this act, including the compensation of the Board members, were similar to those stated in the analysis of the preceding act.
3. Private Acts of 1915, Chapter 565, declared that hereafter in Decatur and Cumberland Counties every juror would be entitled to receive \$2.00 for each days' attendance as a juror, and such mileage, ferriage, and tolls as were provided by law.
4. Private Acts of 1941, Chapter 488, provided for a six member Board of Jury Commissioners for Decatur County who would be appointed by the Circuit, or Criminal, Court Judge. They could not be attorneys or county officials, or have a suit pending, or an interest in any, nor could they solicit the appointment. At the end of two years, three members would be appointed for two years, and three members for four years, with all vacancies to be filled in the same way. The members must take the oath prescribed in the act, and select a Chairman from among their own number. The Circuit Court Clerk, or his deputy, if desired, would serve as Clerk to the Board, after also being sworn according to the oath in the act. On the first Monday in July, and every two years thereafter, or within 20 days thereof, the Board would meet and select from the tax rolls, or from other public sources of information, the names of upright, honorable men, equal to 1/5 of the number voting in the last presidential election, but, in no case, to be more than 2,000 nor less than 800 names. These would be the jury list for the courts needing them for the next two years, the names being certified by the Board and properly recorded by the Clerk. One-sixth, or two-fifths, if preferred, of these names would be selected and recorded separately as prospective Grand Jurors. All names would also be written on separate slips of paper, placed in a box for each type of jury, which would then be locked and sealed, and not opened except in the presence of the Judge to whom the box would be delivered and from which the Judge would draw the names of both Grand and Petit Jurors, and the boxes resealed, all ten days before the opening of court. The list as then constituted, would be sent to the Sheriff who would summon them as jurors. Penalties were provided for all who might thus violate the terms of this act, the terms of which would not apply to the Chancery Courts of the County. Jury Commissioners would receive \$3.00 per day for each day actually spent in service under this act.

5. Private Acts of 1957, Chapter 367, would have set the per diem compensation for jurors in Decatur County at \$6.00 per day for each day, or part thereof, spent in service as a juror, plus ten cents per mile of actual travel between home and court house if the juror lived more than five miles away. The Foreman and the Clerk of the Grand Jury would be paid \$8.00 per day and ten cents per mile. All of the above was made subject to approval by the people in a referendum. This Act was rejected by the Quarterly Court of Decatur County and never became an effective law because of the Home Rule provisions of the State Constitution.
6. Private Acts of 1959, Chapter 368, set the compensation of the Foreman of the Grand Jury in Decatur County at \$8.00 per day for each day the Grand Jury was actually in session, which would be paid out of the county treasury in the same way as other jurors are paid. This Act was properly ratified by the Quarterly Court of the County but does not exceed the amount allowed under the general laws of the State.

2. Private Acts of 1919, Chapter 493, amended Private Acts of 1911, Chapter 177, Item One, above, by increasing the salary of the Clerk and Master from \$500 to \$750 per year under the same terms and conditions as were stated in the 1911 Act.

4. Private Acts of 1943, Chapter 369, amended Private Acts of 1935, Chapter 783, by changing the census year quoted from 1910 to the year 1930 (which would make the act applicable to Decatur County because the figures would not then fit the 1930 Census figures of 10,106). Circuit Court - Clerk

The following acts have no current effect, but once applied to the Decatur County Circuit Court Clerk. They were repealed, superseded, or never received local approval. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1847-48, Chapter 84, made it the duty of the Circuit Court Clerk of Decatur County to transcribe all judgements, orders, and decrees which may have been rendered or made by the said Circuit Court since the organization of Decatur County, into a well-bound book which constitute the record of that court in Decatur County and be entitled to due and full faith and credit as such. The Clerk would also deliver to the Circuit Court Clerk of Perry County, on or before next July 1, all the records of cases which were in his hands before the County was divided. The Clerk of Perry County's Circuit Court was empowered to issue any necessary additional process in these cases.
2. Acts of 1903, Chapter 255, was a salary act with statewide effect which concerned only the Circuit Court Clerks. The salaries were set according to the population class of the county in which the Clerks were located and provided the Clerks would file a sworn, itemized report with the County Judge, or Chairman, each year showing the total amount of fees collected in that office. If the fees failed to equal the salary, which in the case of Decatur County was \$500 per year, the County would pay the difference, but, if the fees exceeded the salary, the Clerk was allowed to retain the excess. This was one of a series of similar salary acts, or anti-fee bills, which preceded the current law on this manner.
3. Private Acts of 1919, Chapter 165, provided that the Circuit Court Clerk of Decatur County, identified by the use of the 1910 Federal Census figures, would be paid an annual salary of \$800, provided the Clerk complied with the conditions of filing a sworn, itemized account as stated above.
4. Private Acts of 1919, Chapter 347, amended Private Acts of 1919, Chapter 165, above, by changing the population figures quoted in that act, so as to make the act apply to Decatur County.
5. Private Acts of 1935, Chapter 226, amended Private Acts of 1919, Chapter 165, and Private Acts of 1919, Chapter 347, so as, to increase the annual salary of the Circuit Court Clerk from \$800 to \$1,000 with all other terms and conditions to remain as they were stated in above acts.
6. Private Acts of 1945, Chapter 442, set the annual salary of the Circuit Court Clerk of Decatur County at \$1,200, payable in the equal monthly installments out of regular funds of the County, provided the Clerk filed a sworn, itemized statement with the County Judge, or the Chairman, by the 15th day of the month showing the amount of fees collected the preceding month. The report was not required if the fees exceeded the salary, the excess becoming the property of the Clerk.
7. Private Acts of 1949, Chapter 825, amended Private Acts of 1945, Chapter 442, above by increasing the annual salary of the Circuit Court Clerk from \$1,200 to \$1,500, all other conditions to remain unchanged.
8. Private Acts of 1961, Chapter 152, provided that the Circuit Court Clerk of Decatur County would be paid an additional \$1,800 per year for being the Clerk of the General Sessions Court which amount would be over and above, and in addition to the salary allowed the Clerk under Section 8-2405, Tennessee Code Annotated, and which was permissible under Public Acts of 1959, Chapter 109, Section 16, which created the Courts of General Sessions. The Act was not approved by the Quarterly County Court of Decatur County and failed to become an effective law.

1. Public Acts of 1899, Chapter 199, declared that the Attorney-General of the 11th Judicial Circuit shall attend upon and perform the duties of that office, as prescribed by law, in the Circuit Courts of the counties which composed the circuit, which were Madison, Chester, McNairy, Henderson, Decatur, Perry, and Benton.
2. Public Acts of 1899, Chapter 311, concerned only the county of Madison in the 11th Judicial Circuit.
3. Private Acts of 1919, Chapter 166, repealed Private Acts of 1907, Chapter 381, which attempted to create the position of Assistant Attorney General in Decatur County.

5. Public Acts of 1976, Chapter 560, created an additional office of Assistant District Attorney General for the Twenty-Second Judicial Circuit.

General Sessions Court

The following act once affected the general sessions court of Decatur County, but is no longer in effect and is included herein for reference purposes.

1. Private Acts of 1982, Chapter 366, would have placed probate jurisdiction in the General Sessions Court and made the County Clerk the clerk of the court. There was a deadline of September 1, 1982 for this act to be ratified locally. We are advised that the Decatur County Commission never took a vote on Chapter 366 which renders it void, thus leaving probate jurisdiction in the Chancery Court of Decatur County.

Secretarial Assistance

The following act is no longer in effect but is listed here for historical purposes.

1. Public Acts of 1939, Chapter 71, authorized the Chancellor of the 8th division, to which Decatur County belonged, to employ a Secretary to serve at his pleasure and discretion.
