SECTION 1. Definitions. That as used in this Act, the following terms shall have the meanings indicated;

(a) Governing Body. The Quarterly County Court, Board of Commissioners, County Council, or other body in which the general legislative powers of a county are vested.

(b) Code. Any published compilation of rules which have been prepared by technical trade associations or model code organizations including housing, regulating building construction, electrical wiring, plumbing and gas installation.

SECTION 2. Adoption and Amendment of Code Reference. That the governing body of any County may adopt or repeal a resolution which incorporates by reference the provisions of any code or portions of any code, or any amendment thereof, properly identified as to date and source, without setting forth the provisions of such code in full. At least three copies of such code, portion or amendment which is incorporated by reference shall be filed in the office of the County Court Clerk and there kept for public use, inspection and examination. The filing requirements herein prescribed shall not be deemed to be complied with unless the required copies of such code, portion, or amendment are filed with the Clerk for a period of ninety days before the adoption of the resolution which incorporates such code, portion or amendment by reference. No resolution incorporating a code, portion or amendment by reference shall be effective until published in a newspaper having a general circulation in the County.

SECTION 3. Administration. That the adopting resolution may also incorporate by reference the administrative provisions of any code, or may include in the adopting resolution any suggested administrative provisions found in a code. Should a code not contain administrative provisions, the administrative provisions of another code may be adopted by reference, or may be adapted and included in the adopting resolution. The powers and duties of enforcing the provisions of any code incorporated by reference may be conferred upon such officials within the existing framework of the county government as the governing body may determine, such as, but not limited to, officials administering zoning and planning regulations of the county.

SECTION 4. Enforcement. That the County Attorney or any official vested with the powers of enforcing the provisions of any code incorporated by reference may, in addition to any other remedies provided by law, institute injunction to prevent the violation of any provisions of such code.

SECTION 5. Penalties. That the authority of this Act shall not extend to the incorporation by reference of any penalty clause contained in a code. Any person, firm or corporation or agent who shall violate a provision of any code incorporated by reference or fail to comply therewith or with any of the provisions thereof, or violate a detailed statement or plans submitted and approved thereunder, shall be guilty of a misdemeanor. Each such person, firm or corporation or agent shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of a code is committed or continued, and upon conviction for any such violation shall be punished by a fine of not more than fifty dollars.

SECTION 6. Applicability. That the provisions of this Act shall apply only to the unincorporated area of a county adopting such a code resolution and to those incorporated cities and towns within the county which do not elect, now or hereafter, to adopt their own codes regulating the same subject areas.

SECTION 7. Validity. That if any section, sentence, clause or phrase of this Act is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this Act.

SECTION 8. That this Act shall have no effect unless the same shall have been approved by a two-thirds (2/3) vote of the Quarterly County Court of DeKalb County within sixty (60) days after the sine die adjournment of the General Assembly of the State of Tennessee for the year, 1968. Its approval or non-approval shall be proclaimed by the presiding officer of the body having jurisdiction to approve, or disapprove, and shall be certified by him to the Secretary of State.

As amended by: Private Acts of 1979, Chapter 115

SECTION 6. Each purchase order or contract issued or executed by the County Judge or Executive as purchasing agent shall be evidenced by a order signed by the County Judge or Executive, which shall give

As amended by: Private Acts of 1979, Chapter 115

SECTION 7. Upon the approval of a requisition or contract by the Purchasing Committee, the County Judge or Executive, as purchasing agent, and as herein provided, shall forthwith arrange for, and purchase such materials, supplies, or equipment, in conformity with the provisions of this Act, and shall arrange for and purchase such necessary materials, supplies, and equipment when so requested by the proper authorities as this Act provides.

As amended by: Private Acts of 1979, Chapter 115

SECTION 8. The Purchasing Committee may authorize any department or agency of the county government to purchase in the open market, without filing requisition or estimate, any supplies, materials, or equipment for immediate delivery in actual emergencies arising from unforeseen causes, including delays by contractors, delays in transportation, and unanticipated volume of work; but such emergencies shall not include conditions arising from neglect or indifference in anticipating normal needs. Such direct emergency purchases, however, may only be made by department or agency heads at times when the office of the county purchasing agent is closed. At all other times, only the county purchasing agent shall make these purchases. A report of such emergency purchase, when made by a department or agency head, together with a record of the competitive bids secured and upon which it was based, shall be submitted in writing to the county purchasing agent before the close of the next working day following the date of such purchase, by the head of the county department or agency concerned, together with a full and complete account of the circumstances of such emergency. Such report shall be kept on file and shall be open to public inspection.

SECTION 9. The Purchasing Committee shall review each calendar quarter all purchase orders of each county department and any unsound purchasing practices shall be brought to the attention of the department head. If upon subsequent review, the Purchasing Committee finds that the department head continues in such unsound practices, the Purchasing Committee shall list these practices in a detailed report to the Board of County Commissioners.

SECTION 10. Notwithstanding any other provision of this Act, the Purchasing Committee may prescribe rules authorizing the heads of departments or agencies expending funds appropriated by the Board of County Commissioners of DeKalb County to repair equipment without complying with the provisions of Section 4 of this Act.

As amended by: Private Acts of 1979, Chapter 115

SECTION 11. No chief officer or buying agent of any department or agency of the county government shall devise or draft purchase orders for any purchase for the purpose of circumventing the provisions of this Act.

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in DeKalb County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1909, Chapter 271, was a general road law for DeKalb County. It provided that the Quarterly County Court would elect for a two year term a Road Commissioner from each Civil District (road district) of the county, to have supervision over the roads in his District. Road Overseers were to be appointed by each Road Commissioner to supervise road duty to which all male residents of the county between the ages of twenty-one and fifty-five were subject. A County Road Commissioner, appointed by the County Court, was to have general supervision of the District Commissioners and Overseers. Procedures for opening and closing roads were enumerated.
2. Acts of 1911, Chapter 116, was also a general road law for DeKalb County, with provisions similar to those in the 1909 Act.
3. Private Acts of 1919, Chapter 492, placed control of the roads in a Road Commission of three members, who were to be appointed by the Quarterly County Court biennially.
