SECTION 2. That it shall be the duty of the said commission to meet at the Court House at the County Seat on the first Monday in May, 1937, for the purpose of making a careful investigation of the financial needs of the county for the preparation of a budget and the computation of tax levies to be submitted to the County Court at its July Quarterly term for the year 1937, and each year thereafter they shall meet on the first Monday of May, and as often as called to meet by the Chairman.

Each department of the County Government, and each department thereunder, will be required to submit an itemized statement of its needs for a period of twelve months, beginning July 1st, and ending June 30th, to said commission at its annual meeting the first Monday in May.

It shall be the duty of the said commission to make a thorough investigation of each department or branch, and each sub-division thereunder, of the County Government, and for said purposes said commission shall have the authority to examine the records and books of all county officials; to issue subpoena and compel the attendance of witnesses.

Said commission shall, after the detailed investigation of the needs of each branch or department of the County Government, prepare a budget, which shall show in detail the exact financial condition of each branch or department of the County Government, showing the amount of money expended during the past year by each branch or department, and the purpose for which same was expended; the imperative needs of each branch or department of the County Government for the current year; the total amount expended by the County Government the past year, and the total amount necessary for the current year, and the rate of taxation necessary in order to provide the amount of revenue necessary and actually needed to economically and efficiently administer the functions of each department of the County Government. The said budget shall show the total tax rate necessary to levy and the rates for each particular purpose.

It shall be the duty of the commission to examine the tax books and determine the aggregate of the assessment for the preceding year, and to determine the probable aggregate of the assessment for the current year, in order that an accurate computation of the rate of taxation necessary may be ascertained. For the purpose of determining these matters the commission shall have the power to subpoena the tax assessor as a witness.

It shall be the duty of the commission to determine from the collections of the previous year the probable amount of revenue that will be collected from sources other than the ad valorem tax.

SECTION 3. That said commission shall report their budget and tax rates recommended to the July term of the County Court and shall show all facts set out in the second section of this Act.

Each member of said commission, except the Chairman who shall receive no additional compensation for his services, shall receive as compensation the sum of \$3.00 per day for the number of days actually served, not to exceed five days for any one year's aid per diem, to be paid out of the General County fund. The County Court Clerk, or one of his deputies, shall serve as Secretary to said commission, but shall have no vote in the deliberation of said commission, and for the preparation of the report of the commission shall be allowed the sum of \$10.00 to be paid from the General County fund.

SECTION 7. That all purchases or contracts made in excess of the adopted budget shall be void and unenforceable against the county, either under the terms of the contract or upon quantum meruit.

Administration - Historical Notes

Budget System

The following act once created a budgeting system for Dickson County, but it has been specifically

repealed or superseded by current law.

1. Private Acts of 1929, Chapter 618, created a three member Budget and Finance Committee for Dickson County composed of the County Judge, or Chairman, of the County Court, and two other members. Act named Johnny Johnson and E. H. Stone as the other members to serve until their successors, elected in the general August election of 1930 could take office for four years. The other members must be residents of the County for two years and not members of the County Court. The Commission would meet at the Court House on the first Monday in May, 1929, and annually thereafter. They would make careful study of the financial condition of the County and purpose a budget for the year to come. All department heads were instructed to submit certain information to the Commission who would compute a tax rate and a tax aggregate from the data submitted for the ensuing year. The condition of the credit of the county and its bonded debt were to be investigated. At the July term of court the budget and the rate would be submitted which would then be published twice in a public newspaper. The tax set by the Quarterly Court must produce at least the amount of money specified by the Budget as it was adopted. The budget appropriation could not be exceeded lawfully. Commissioners would be paid \$6.00 per day up to 18 days in one year. This Act was superseded by the one published herein.

23. Acts of 1893, Chapter 71, abolished the Charter of the town of Charlotte in Dickson County, repealing the act which established the city.
24. Acts of 1897, Chapter 124, was a salary act wherein the compensation of certain county officials was determined according to the population classification of the county. These officials were deprived of their fees which became the property of the county, and would be paid only the salary stated. Although this statute was declared unconstitutional in Weaver v. Davidson County, 104 Tenn. 315, 59 S.W 1105 (1900), yet it and some of those to follow became the pattern for the salary statutes under which the State now operates.
25. Private Acts of 1909, Chapter 570, was the legal authority for the Quarterly County Courts of Dickson County, Putnam County, and Franklin County to adopt a Resolution to contract with that Bank making the best bid on the amount of interest to be paid on the monthly balance of funds deposited in the Bank which belonged to the County. The County Judge was given the power to employ expert advisers, legal or otherwise, to assist him and the court in the furtherance of this program. Upon his compliance with the directors set out in the adopted Resolution, the County Trustee would be relieved of all liability regarding the deposit of county funds.
26. Private Acts of 1915, Chapter 588, amended Private Acts of 1909, Chapter 570, above, in Section 6, to provide that the contract bank would on or before the 15th day of the month submit a sworn, itemized statement to the County Judge, or Chairman, showing the correct balance of funds on hand in the Bank to the credit of the County Trustee, and the interest thereon due the county to the first day of the preceding month.
27. Private Acts of 1923, Chapter 695, stated that the Quarterly County Court of Dickson County (identified by the use of the 1920 Federal Census figures) would, at its regular July meeting, contract to lend all county money to the various banks at a flat rate of 4% interest as was stipulated therein. In order to qualify as a depository a Bank has to execute a bond satisfactory to the County Judge. County funds were to be deposited as nearly equal as possible among the participating banks. Banks were further required to furnish statements showing the status of the account upon the demand of the County Judge, or Chairman.
28. Private Acts of 1925, Chapter 71, was enabling legislation for the County Judge of Dickson County to invest any fund of Dickson County which might be in the hands of the County Trustee, or in a sinking fund to retire bonds, in any other interest bearing warrant, note, or warrant, with a due date later than the bonds for which the sinking fund was originated. Reinvestment of said funds would be in the discretion of the County Judge.
29. Public Acts of 1929, Chapter 88, declared in the introduction that a fitting memorial ought to be erected to the sons and daughters of Dickson County who had taken part in war, and such a

memorial would be found in a building for the Lucien Berry Post of the American Legion in the town of Dickson. The officials of the Legion Post were to have the management of the building after its erection and the same would be suitable for public meetings and the meetings of the Post membership. A commission would be appointed to plan, design, and supervise the construction of the edifice. The State would appropriate \$15,000 and the City of Dickson would match that amount and furnish a lot in addition thereto for the building to be built on.

30. Private Acts of 1931, Chapter 501, stated in the preamble that Florence McKinley Jordan, of Dickson County, desired to transact business in her own name as if she were 21 years of age, that her father died several years ago and she has been working and doing business for herself as an adult since that time, and her widowed mother joined with her in this petition, this act removed the minority of Miss Jordan and conferred upon her the legal status of an adult.
31. Private Acts of 1931, Chapter 826, amended Private Acts of 1923, Chapter 695, Item 27, above, by reducing the percentage payments to be made by Banks on county funds deposited with them from 4% to 3%.
32. Private Acts of 1933, Chapter 161, emancipated Etha Bell Deason, of Van Leer, in Dickson County, from all the disabilities of her minority so that she could manage and use her property in the same manner as any adult.
33. Private Acts of 1933, Chapter 343, declared that from henceforth all the disabilities of infancy were taken away from Lorenzi Dowl Miller, of Dickson County, who would be treated legally as an adult in all respects.
34. Private Acts of 1933, Chapter 518, relieved the enforcement of a decree rendered by the Chancery Court against H.T.V. Miller, an ex-Mayor of the City of Dickson, who incurred certain obligations as Mayor in accordance with instructions given him by the Aldermen of the city but was later compelled to pay the obligations from his own personal funds. The Chancery Court made no finding that the Mayor was lax in his duty and, therefore, this act found it to be right and proper that the city repay the money to Mayor Miller which he had paid out in this instance.
35. Private Acts of 1935, Chapter 159, removed the infancy of John Edward Blackwell, in Dickson County, and granted to him all the privileges and responsibilities of adulthood.
36. Private Acts of 1951, Chapter 15, created the position of County Auditor for all counties between the population brackets of 19,700 and 19,800 according to the 1940 census. These figures include Dickson County and Warren county. It is obvious from amendments and other evidence that, although this act is included in some publications as a Dickson County act, that the General Assembly intended it to apply only to Warren County.
37. Private Acts of 1997, Chapter 84, created and established the Water and Wastewater Authority of Greater Dickson. This act was repealed by Private Acts of 1998, Chapter 178.
38. Private Acts of 1998, Chapter 178, created and established the Water and Wastewater Authority of Greater Dickson. This act was repealed by Private Acts of 2001, Chapter 51.

1. Acts of 1807, Chapter 8, required every planter to have a sufficient fence about his cleared land in cultivation which would be at least five feet high and close enough to keep hogs out of the fenced area. If trespass occurred through the fence application for damages could be made to any Justice of the Peace who could appoint two disinterested land holders to assess the damages.

This Act was repealed by the one following.
4. Acts of 1871, Chapter 9, repealed so much of Section One of Acts of 1870, Chapter 19, above, which related to the protection and preservation of fish in certain named counties as the same was being applied in the counties of Maury, Dickson, Warren, Marion, Benton, Humphreys and Cannon.
5. Acts of 1879, Chapter 198, declared it illegal for any person to take any fish in the waters of the counties of Dickson, Houston, Cheatham, Davidson, Rutherford, Williamson, Shelby, Fayette, Tipton, and Carroll, except by baited hook and line, or trot line. Anyone taking fish in those counties by any other means would be guilty of a misdemeanor and could be fined accordingly. This Act, however, did not apply to private lakes, or ponds, nor to the waters of the Cumberland, Tennessee, and Big Hatchie Rivers. Offenders were subject to fines from \$25 to \$100. This Act was repealed in Item 7, below.
6. Acts of 1881, Chapter 84, amended Acts of 1879, Chapter 198, Item 5, above, so that the waters of the Big Sandy River were also exempted from the application of the Act in Carroll County and the bayous, ponds, and sloughs in the Big Sandy River bottom were taken out of the Act.

This Act was repealed in Item 9.
9. Acts of 1901, Chapter 465, declared it unlawful to catch, kill or wound fish in any of the streams of Dickson County, except with baited hook and line, or rod, but minnows to be used for bait could be caught with nets, and suckers could be taken at any time with a grab hook, and rod and line. This Act did not apply to the Cumberland or Harpeth Rivers in adjoining counties and Acts of 1899, Chapter 151, above, was repealed. Violators could be fined from \$5 to \$20 for each offense.
10. Private Acts of 1903, Chapter 123, rendered it lawful to catch fish in Dickson County in every way and at all times except for minnow nets used to procure bait. No penalties were mentioned for violators of this law.

The results of the election must be certified and the same transmitted to the delegation representing Dickson County in the General Assembly.
14. Private Acts of 1919, Chapter 793, made it illegal for the owner, or anyone having the control and management, of cattle and swine to permit male cattle, or bulls, which are six months old, or older, or male swine, which are three months old, or older, to run at large in Dickson County,

- which was identified by the 1910 Federal Census figures. Any owner, or custodian, willfully violating this act could be fined from \$5 to \$25 for each violation.

Private Acts of 1921, Chapter 149, declared it to be against the law in Cheatham County and Dickson County for any person to hunt, shoot, kill, injure, capture, or take by any means, or methods, any deer except from December 20 until after December 31, of each year. The ballot would be simply a "For" or "Against" proposal. The Election Commission was responsible for canvassing the vote and reporting the results to the Dickson County legislative delegation in the General Assembly.
 17. Private Acts of 1921, Chapter 405, saw Dickson County included with nearly every other Tennessee County in declaring itself exempt from Public Acts of 1919, Chapter 61, which was a highly regulatory act concerning the care and keeping of dogs across the state and establishing rather severe penalties for violations of the same.
 18. Private Acts of 1921, Chapter 476, was legal authorization for any resident of Cheatham County, or Dickson County, to fish at any time, or season, of the year, for game fish except between May 1 and June 15 of each year. One was allowed to fish for non-game fish at any time and place in the county with hook, rod and line, trot line, net, basket, or in any other manner except to seine, shoot, poison, or use explosives.
 19. Private Acts of 1921, Chapter 503, applied to the Counties of Humphreys, Stewart, Dickson, Houston and Perry. The Act declared it unlawful for any person to shoot, kill, or injure, any quail, partridge, or dove, except within the times fixed by law, which were from November 15 until the following January 15, of each year. Squirrels, rabbits, and migratory birds could be killed at any time. Any person hunting upon the lands of another must first secure the owners, or occupant's, permission to do so. Fines for those disobeying this law were a minimum of \$10 and a maximum of \$25 which would all go into the school fund.
 20. Private Acts of 1921, Chapter 951, amended Public Acts of 1909, Chapter 519, which created the position of Game, Fish and Forrest Commissioner so that the act did not apply to the counties of Humphreys, Stewart, Dickson, Houston and Perry.

Ballots were to be counted and the results certified to those delegates in the General Assembly.
 22. Private Acts of 1923, Chapter 508, made it unlawful for the owner, or custodian, of livestock, including horses, mules, cattle, sheep, swine, and goats to permit the same to run at large in Dickson County. The owner of the animals was to be held liable for all damages caused by the trespassing animals which would be a lien on the stock to which could be added the cost of taking them up and caring from them. The trespass was also a misdemeanor for which fines from \$2 to \$10 could be imposed. Nothing in this Act would have any effect on the liability of railroads previously imposed.
 23. Private Acts of 1927, Chapter 642, made it lawful for any person, firm, or corporation, in Dickson County, to hunt, capture, or kill, at any season of the year foxes, mink, or weasels, by the use of a snare, traps, guns, dogs or otherwise.
 24. Private Acts of 1931, Chapter 415, rendered it legal in Dickson County to fish in any of the rivers and streams which flow through or border on any county with split wooden fish baskets for home use of consumption but not for sale or shipment out of the County. Every person so fishing, however, must comply with all the existing fish and game laws including the obtaining of the consent of the owners whenever necessary. Failure to observe the requirements of this Act could result in the payment of fines from \$5 to \$25 with the jurisdiction to hear and determine the cases being given to the Justices of the Peace.
 25. Private Acts of 1931, Chapter 728, applied to Houston County and to Dickson County by the citation of 1930 Federal Census figures. The Act made it lawful for land owners on his own land through which any stream may run to catch fish during open season for his own use by means of a split basket, but must not catch fish for sale or shipment out of the county under this Act. It was further declared to be within the law to kill, or capture, foxes and rabbits at all times in these counties, there being no closed season specified on these animals.

26. Private Acts of 1935, Chapter 784, stated in the preamble that G.C. Redden had ministered to livestock for various ailments and diseases in Dickson County, and there were a large number of stock in the county and no licensed veterinarian to see after them. Redden, not having a certificate, could not charge for his services which were necessary and in demand throughout the county. This Act authorized and permitted Redden to treat, doctor, and administer to livestock in the said county to make a reasonable charge for his services.
27. Private Acts of 1937, Chapter 279, stated in the introduction to the Act that Collom Fry, of Dickson County, had ministered to livestock for various diseases for several years, that there were many head of cattle in the county and only one veterinarian to take care of them. Fry's services were in great demand but he did not have a certificate to practice, therefore this Act authorized Fry to treat, doctor, and to minister to livestock in Dickson County and to make reasonable charges for those services he rendered.

Chapter III - Bond Issues

Bond Issues - Historical Notes

A listing of the acts which authorized various bond issues for Dickson County is included below for reference purposes, although these acts are no longer current.

Courthouse

1. Private Acts of 1927, Chapter 830, was the legal authority for the Quarterly Court of Dickson County to issue and sell coupon bonds up to \$50,000 for the purpose of repairing or building a new Courthouse at a cost of \$35,000, or less, in the town of Dickson to be used in place of the dilapidated structure now serving as such, and \$15,000 would be used to repair, or build, an addition to the Courthouse at Charlotte. The interest rate could not exceed 5%, and the bonds would mature at the rate of \$2500 per annum beginning on July 1, 1928. All the details essential to a valid bond issue were included in the Act, and a tax levy for the sinking fund was required. These bonds would be sold for cash by the County Judge, County Court Clerk, and County Trustee. The County Judge must keep all the necessary records.

Debts

1. Private Acts of 1931, Chapter 2, declared in the preamble that Dickson County had outstanding debts due in the amount of \$200,000 incurred for various county purposes, as schools, roads, a Courthouse, and bridges, which debts were bearing interest at a greater rate that the county could negotiate its bonds for, and to retire these debts at a lower rate of interest could certainly be in the best interest of the County, therefore, this act allowed the County Judge and the County Court Clerk to issue bonds up to \$200,000, so as to retire and pay off a like amount of the above mentioned obligations of the County, at an interest rate of 5 1/2%, or less, and maturing according to the schedule mentioned in this law. All the details were present and a tax levy for the sinking fund was mandated.
2. Private Acts of 1931, Chapter 425, authorized Dickson County acting in its corporate capacity and through its Quarterly Court to borrow for the same the use of the County sums of money whose sum total could not exceed 2/3 of the total revenue of the county during the preceding year. Loans could be negotiated in anticipation of revenue, which would be used for general county purposes and the payment of outstanding debts. Loans could be made by Resolution of the court, the proceeds of the same being delivered to the County Trustee and dispensed according to the directions of the Court and the County Judge.
3. Private Acts of 1935, Chapter 45, noted in this introduction the existence of interest bearing notes due and owed by Dickson County in the amount of \$27,000 or more, for the payment of which no provisions had been made. This Act was the enabling legislation for the Quarterly Court to issue and sell up to \$30,000 in bonds in order to pay off the above debts and to place any surplus into the general fund. The interest rate could be no more than 5% and the bonds would mature in accordance with the schedule stipulated in the Act. These bonds were made tax exempt from other levels of government. All details and the tax levy were set out in this statute.
4. Private Acts of 1937, Chapter 145, permitted the Quarterly Court of Dickson County to issue and sell bonds, at an interest rate of no more than 5%, and to mature no later than 30 years from the date of issue, which money would be used to pay off outstanding debts, unpaid bills, and other

commercial papers negotiated by the County. The details were present and the tax levy required.

5. Private Acts of 1939, Chapter 42, ratified, confirmed, validated, and legalized all the prior proceedings of the Quarterly Court of Dickson County and county officials taken in connection with the issue and sale of \$15,000 in bonds, at an interest rate of 4%, and which would mature from one to thirty years from the date of issue. In addition, all the debts to be paid were ratified, all notwithstanding the lack of any statutory authority at the time. The details were not spelled out but the tax levy was mandated until the bonds were amortized.

Dickson

1. Private Acts of 1931, Chapter 26, also ratified and confirmed all the actions of the Mayor and Aldermen of the town of Dickson in connection with the issue and sale of \$10,000 in bonds, at an interest rate of five and three-quarter percent, to be applied on the payment of debts of the city, or to refund bonds heretofore issued by the city.

Jails

1. Private Acts of 1947, Chapter 311, allowed the Quarterly Court of Dickson County to issue up to \$50,000 in bonds, which would mature no later than 30 years after their issue and bear an interest rate which would be determined by the court. All the details of genuine bond laws were present and a tax levy was mandated in order to amortize the bonds. The proceeds would be used to construct and equip a county jail.

Poor

1. Acts of 1875, Chapter 56, mentioned in the preamble the dire poverty when then existed in many counties of Tennessee which was causing the poor and indigent people to suffer tremendously, this act was the enabling law for the Quarterly Courts of Stewart County, Montgomery County, Houston County, Dickson County, Cheatham County, Humphreys County, and Benton County, to issue and sell bonds, not to exceed \$10,000 in amount at any time, bearing interest of 6%, or less, which money would be used to alleviate the suffering of the poor. Essential details and the tax levy were included in the law. The Quarterly Courts were to supervise the expenditure of the funds and disobedience or fraud in connection with the program was a felony which could lead to as much as five years confinement.

Roads

1. Private Acts of 1903, Chapter 541, allowed the Dickson County Quarterly Court at its first term after the passage of this Act to submit to the people at a time selected by the Court the question of whether to issue or not \$100,000 in bonds to build highways and to macadamize roads as the commission named in the Act might direct. The ballot would be marked simply "For" or "Against" and all residents of the county were qualified to vote. The interest rate could not exceed 4%, nor the maturity period go beyond 30 years from issue. All essential details and the tax levy were included. The Court was instructed to appoint three Commissioners to supervise and manage the road program.
2. Private Acts of 1913, Chapter 169, was the legal authority for the voters of Dickson County to vote on the issue of \$250,000 in 30 year coupon bonds which amount would be expended on the establishment and improvement of the 22 highways listed in the act. The allocated interest rate could not exceed 5%, and all other details were present in the act. The Court would select five commissioners to plan and supervise the program for a period of two years. The Commission could hire an engineer and other technical people to assist them. No person could be a commissioner who had an interest in any part of the business of the program or a contract connected with it.
3. Private Acts of 1915, Chapter 50, amended Private Acts of 1913, Chapter 169, above, by adding a provision at the end of Section 7 which allowed the commissioners to go across county lines when building roads if a better road could be obtained thereby but the beginning and the terminus of the various roads must remain as they were spec in the earlier act.
4. Private Acts of 1915, Chapter 339, was the second amendment to Private Acts of 1913, Chapter 169, Item 2, above, which authorized the issuance of bonds for road purposes, by removing Highway #13 out of Section One of the Act and substituting another portion of Highway #13 in its place beginning near the toll gate on the pike leading from Dickson to Charlotte and run down Jones Creek on the most suitable route in the discretion of the Commission.
5. Private Acts of 1915, Chapter 548, authorized the voters of Dickson County to vote on the question of issuing \$250,000 in interest bearing bonds which would mature in 30 years after the date of issue, at a maximum interest rate of 5%, which funds were to be expended on 28 different portions of highway as they were enumerated in the Act. The election would occur on

August 14, 1915, as the Act required. The details of the bond form, the sale of the bonds, and the manner of their redemption were all contained in this law. Six commissioners were to be elected, three from the northern portion of the County and three from the southern portion, who were to exercise the powers granted under the Act and have general supervision over the entire program. The Commission could condemn property in the name of the County and employ an engineer to assist them.

Schools

1. Private Acts of 1919, Chapter 609, allowed the Mayor and City Council of Dickson to issue \$8,250 in bonds, in addition to the bonds authorized by Acts of 1903, Chapter 291, which amount would permit the city to pay for one-half of the property of Dickson College located in that city. It was understood that Dickson County would supply the other one-half of the funds and the property would be used for a high school in Dickson.
2. Private Acts of 1929, Chapter 716, ratified, confirmed, legalized, and validated the actions of the Mayor and City Council of Dickson, Tennessee, taken in connection with the issue and sale of \$28,000 in school bonds for the said city, at a maximum interest rate of 6% which bonds would be paid in full by June 1, 1953. All details were included as well as a tax levy.
3. Private Acts of 1937 (Ex. Sess.), Chapter 24, enabled the Quarterly Court of Dickson County to sell \$15,000 worth of bonds which would be used to pay the outstanding debts against the High School account and the High School Transportation Account, all of the debts having been made for legitimate county purposes. Among all the essential details were the requirements that the interest rate could not exceed 4%, nor the maturity schedule go beyond fifteen years. The proceeds would go to the Trustee who would pay off the debts.
4. Private Acts of 1949, Chapter 428, provided that, in Dickson County it would be lawful to contract with incorporated cities and towns located within the said county for the county to assume the payments of principal and interest in whole, or in part, on school building bonds issued by the city since June 1, 1947, wherein the said bonds were the direct obligations of the cities. The cities could request the counties to assume the obligations through their governing body, all of which could be accomplished through a Resolution of the Court. This Act would in no wise relieve towns from paying any obligation incurred by them in connection with other bond issues, or debts.

Boundaries - Historical Notes

The following is a summary of acts which authorized boundary changes for Dickson County.

1. Acts of 1799, Chapter 3, divided Davidson County into two counties calling one Williamson County from which Dickson County was later taken.
2. Acts of 1805, Chapter 52, appointed Henry Rutherford, as a Commissioner to run and mark the boundary lines between Williamson County, Davidson County and Dickson County. Rutherford would be paid \$2.00 per day and each chain carrier hired would get \$1.00 per day, which expense would be equally divided among the three counties. He must also be sworn in before commencing the work.
3. Acts of 1806, Chapter 22, apportioned the sum to be paid to Henry Rutherford for established and marking the lines between the counties of Dickson, Davidson and Williamson, at two-fifths for Davidson, two fifths for Williamson, and one fifth for Dickson.
4. Acts of 1806, Chapter 50, Section 3, required that the principal surveyors of the First and Second District would run and mark the county lines of Rutherford, Williamson, Dickson, and Stewart Counties extending them towards the south to the Indian Territory, or to the southern boundary of the State as the case may be.
5. Acts of 1807, Chapter 44, created Hickman County which took part of Dickson County. This Act is published herein.
6. Acts of 1809, Chapter 28, provided that the extension of the boundary lines of several counties south to the Indian Territory, or the southern boundary of the State, would be paid for by the people of the respective counties which included Dickson County.
7. Acts of 1809, Chapter 31, established Humphreys County south of Stewart County and adjoining the counties of Hickman and Dickson but there is no indication in the Act that any of Dickson County was taken to form the new County.
8. Acts of 1809, Chapter 97, which added a portion of Dickson County to Humphreys County, is published herein.
9. Acts of 1817, Chapter 14, make it the duty of the Sheriff to hold an election in the City of Charlotte at 1:00 p.m. on the first Saturday in April to elect seven Commissioners for the city, who must be sworn into office, select one of their members as the Chairman of the Commission, and appoint a Clerk and Treasurer for the city, whose primary duties were enumerated in the Act. Many of the powers of the Commission were stipulated, including the authority to levy a tax in accordance with the schedule incorporated into this law. No appropriation of money could be made unless authorized under the law and then only for the benefit of the citizens in the town.
10. Acts of 1819, Chapter 109, Section 11, provided that the boundary line run by William B. Ross as the dividing line between Dickson County and Hickman County would be and remain as the true boundary line between these two counties.
11. Acts of 1821, Chapter 125, changed the lines between Dickson County and Humphreys County. This act is printed herein.
12. Acts of 1831, Chapter 214, made it the duty of the Sheriff of Dickson County to open and hold an election at the Courthouse in Charlotte on the first Saturday in next April to elect seven Commissioners for the town of Charlotte with a majority of the Commissioners being given the power to transact the business of the town.
13. Acts of 1837-38, Chapter 8, created Cumberland County out of parts of Davidson County, Robertson County, Montgomery County, and Dickson County describing the area included within the new county with a particular description. Courts were to meet at the house of James Stewart until the county seat was selected and a Courthouse was available. The Sheriff of the former counties would collect the taxes due in the portion stricken off for the current year. James Darden, of Robertson County, Allen Thompson and Samuel B. Davidson, of Davidson County, and Pleasant Bagwell, of Dickson County, were named as Commissioners to pick a county seat who would be joined by five others from the new County. Thomas Shaw, of Robertson County, would

- run and mark the boundary liens. All of the above was contingent upon approval by the voters in a referendum election which approval apparently never came.
14. Acts of 1837-38, Chapter 49, incorporated the City of Charlotte under the Mayor-Aldermen type of government which would have the same corporate powers and privileges as were heretofore granted to Dover in Stewart County, except the ones of a purely local nature.
 15. Acts of 1837-38, Chapter 124, provided that the dividing lines between the counties of Davidson, Robertson, Montgomery, Dickson, and Cumberland would be run and marked sufficiently by the surveyors previously appointed to do so. The Surveyor must furnish to the Sheriff of each County a plat showing the area involved in Cumberland County. The Sheriff would hold an election in each precinct therein on March 10, next, except that on the southside of the Cumberland River the election would be at the house of James Lovell instead of James Hooper. The officials of the election would report the results to the Governor.
 16. Acts of 1843-44, Chapter 59, set up the new county of Cumberland again which action was also subject to approval by the people in a referendum election. Courts would be at home of Lyttleton J. Perdue until the Court-house was built. The act named Samuel B. Davidson, of Davidson County, James Darden and Henry Frey, of Robertson County, Pleasant Bagwell, of Montgomery County, and Benjamin C. Robertson, of Dickson County, as Commissioners to select and establish the county seat. William S. Perry was directed to run and mark the lines. This Act was repealed in Item 18 below.
 17. Acts of 1843-44, Chapter 193, instructed the Surveyors of Dickson County and Montgomery County to complete the unfinished line between the said counties. The Surveyors were to meet at the point where the line now ends and each one would project the line and mark the relevant parts. A plat would be made and filed with the County Courts of the respective counties. The Surveyors were to be paid \$3.00 a day for each day spent on the job.
 18. Acts of 1855-56, Chapter 122, formed the new County of Cheatham out of portions of the Counties of Robertson, Montgomery, Davidson, and Dickson. Portions of this Act are printed herein.

The ballot would be "for" or "against" removal. The results would be reported to the County Judge, or Chairman. If none received a majority the one with the lowest votes would be dropped and the election continued among the other two.
 22. Acts of 1870-71, Chapter 46, created Houston County out of portions of Stewart County, Humphreys County, Montgomery County, and Dickson County. Pertinent portions of this act are published herein.

Acts of 1887, Chapter 116, made it the duty of the County Surveyors of Cheatham County, Montgomery County, and Dickson County, jointly to survey the boundary line between the said counties south of the Cumberland River. A map of each section must be prepared and deposited with the County Court Clerk of each County involved who would be obligated to pay its own surveyor his reasonable compensation.
 35. Acts of 1891, Chapter 251, repealed Acts of 1887, Chapter 105, above, and described the line between Cheatham County and Dickson County as beginning at Paint Rock Bluff on the Harpeth River to run with the old county line between Cheatham County and Dickson County to Tract Creek, thence down the said creek to its mouth to the Cheatham County line so as to include in Cheatham County what is known as Horseshoe.

 38. Acts of 1899, Chapter 353, incorporated the town of Dickson under the Mayor-Aldermen type of Charter, embracing the physical area described in the Act. Seven Aldermen would be elected to one year terms and the council would appoint a Recorded, Marshal, and other officers, who would exercise the powers named therein for the Mayor and Council in 32 separate paragraphs. The first election would occur on the second Monday in May, 1899. The Charter was a blueprint of most of those being enacted at that particular historical area. It is so lengthy, it is difficult to reduce it sensibly.

1. Acts of 1803, Chapter 73, apportioned the number of jurors which the Counties in the Mero District were required to send to the Superior Court of the same. Jackson County must send two jurors; Smith County, four jurors; Sumner County, six jurors; Wilson County, three jurors; Rutherford County, two jurors; Williamson County, four jurors; Davidson County, seven jurors; Robertson County, four jurors; Montgomery County, four jurors; Dickson County, two jurors; and Stewart County, two jurors.
2. Acts of 1806, Chapter 24, designated the number of jurors each county in the Robertson District must send to the District Court at Clarksville. Robertson County was directed to furnish eleven jurors; Montgomery County, twelve jurors; Dickson County, nine jurors; and Stewart County, seven jurors.

Acts of 1817, Chapter 128, made it legal for the Justices of the Peace in the Counties of Hawkins, Smith, Franklin, Rutherford, Maury, Lincoln, Giles, Overton, Bedford, Wilson, Hickman, Sumner, Stewart, Humphreys, Williamson, Jackson, White, Montgomery, Warren, Robertson, and Dickson, on the first day of the first term in each year to levy a tax to produce funds with which an additional compensation would be made to jurors attending the Circuit and County Courts in those counties, but the additional compensation could not exceed fifty cents per day.
4. Private Acts of 1901, Chapter 471, amended Acts of 1899, Chapter 237, in Section 6, to provide that the jurors would be selected by the County Court to serve in the Circuit Court, as was now provided by Section 5793, Shannon's Code of Tennessee. (This act created special circuit and chancery courts in Dickson County to sit at Dickson.)
5. Private Acts of 1911, Chapter 254, provided that the compensation of jurors serving in Dickson County (identified by the use of the 1910 Federal Census figures) would hereafter be \$2.50 per day, all conflicts being repealed.

freeholders of the County, not practicing attorneys, or State, county, or city officials, and who had no suits pending in Court, each of whom would serve six years and not be eligible for reappointment. All vacancies would be filled in the same manner. The Commissioners had to be sworn by the oath set out in the Act, meet and select a Chair from their own number. The Circuit Court Clerk would serve as a Clerk for the Board and he, too, must subscribe to the oath set out in this statute. It was the duty of the Board to select from the tax rolls, or other sources of public information, no less than 500, nor more than 1000 names, distributing them as equally as possible around the County, which would constitute the jury list for the next two years.

This act was repealed by the one following.
22. Acts of 1899, Chapter 154, abolished the 19th Judicial Circuit composed of the counties of Hickman, Dickson, Cheatham and Williamson and expressly repealed Acts of 1891 (Ex. Sess.), Chapter 20, above.

Acts of 1899, Chapter 237, created a Circuit Court for Dickson County which would have original jurisdiction of all the suits arising in the First, Second, Third, Fourth, Fifth, Twelfth, and Thirteenth Civil Districts. which came up with fourteen Judicial Circuits. The Ninth Judicial Circuit included the counties of Robertson, Montgomery, Stewart, Houston, Humphreys, Cheatham, Dickson and Sumner. The Court in Dickson County would start its terms on the third Monday in January, May and September.

26. Acts of 1901, Chapter 210, rescheduled the opening dates of the terms of the circuit court of Dickson County at Charlotte from the fourth Monday to the second Monday in March, July and November of each year, specifying that person on bail would make their appearance at the court on Tuesday after the second Monday of their respective terms.
27. Acts of 1901, Chapter 365, amended Acts of 1901, Chapter 210, above, in Section 2, by directing that Williamson County be removed from the Ninth Judicial Circuit into the Seventh Judicial Circuit. This Act was repealed by Acts of 1901, Chapter 382, Section 5, below.
28. Acts of 1901, Chapter 382, repealed entirely that portion of Acts of 1901, Chapter 365, above, which moved Williamson County out of the Ninth Judicial Circuit and into the Seventh and in effect returned Williamson County to the Ninth Circuit.
29. Acts of 1901, Chapter 397, detached Williamson County from the 9th Judicial Circuit and placed it in the 7th Circuit as before. The terms of court were to continue as they were now established under the law, and all the laws placing Williamson County in the 9th Judicial Circuit were repealed.

All process and bonds were to conform to the above changes.
33. Public Acts of 1915, Chapter 57, reset the openings of the regular terms of the Circuit Courts in the 9th Judicial Circuit. All the records and transcripts in the custody of the court at Dickson would be returned to the court at Charlotte and all process could be adjusted.

Circuit Court - Clerk

The following acts have no current effect, but once applied to the Dickson County Circuit Court Clerk. They were repealed, superseded, or never received local approval. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1899, Chapter 281, allowed the Circuit Court Clerk and the Clerk and Master of Dickson County the sum of \$100 each for payment of their expenses for the proper and economical discharge of the duties of their offices including the employment of deputies, when needed. This sum was authorized to be paid out of the general funds of the county. This Act was repealed by Private Acts of 1913, Chapter 165.
2. Acts of 1903, Chapter 255, was a salary act which fixed the annual salaries of Circuit Court Clerks only according to the population class of the County in which they served. The Clerk were required to file a sworn, itemized statement with the County Judge, or Chairman, showing all the fees collected in the office. If the fees were less than the salary, the county would supply the difference, but if the fees exceeded the salary, the Clerk could retain the surplus for his own.
3. Private Acts of 1911, Chapter 251, set the salary of the Circuit Court Clerk in Dickson County at \$900 a year, payable quarterly out of the County Treasury on the warrant of the County Judge which would be full compensation. All the fees collected in the office would be the property of the

county and paid to the Trustee.

4. Private Acts of 1913, Chapter 165, expressly repealed Acts of 1899, Chapter 281, in its entirety.
5. Private Acts of 1921, Chapter 70, amended Private Acts of 1911, Chapter 251, Item 3, above, by raising the annual salary of the Circuit Court Clerk from \$900 to \$1200, all other terms and conditions to remain as they were.
6. Private Acts of 1939, Chapter 464, amended Private Acts of 1911, Chapter 251, so that the annual salary of the Circuit Court Clerk of Dickson County would hereafter be \$1,800 instead of \$1,200, all other conditions to remain as they were.

District Attorney General - Assistants and Criminal Investigators

The following acts once affecting Dickson County are no longer in effect but are listed here for historical purposes.

1. Acts of 1807, Chapter 13, provided that one fit and proper person would be appointed in the manner authorized by the Constitution to attend the several superior Courts in all the Districts, including the Robertson District, who would prosecute all causes to which the State was a party and render other services of a similar nature. The person thus appointed and serving would be paid \$45 for each session of a Superior Court attended.
2. Acts of 1817, Chapter 65, Section 3, established ten Solicitorial Districts in the State assigning to the Tenth District the counties of Dickson, Stewart, Humphreys, Montgomery and Robertson. The Attorney General of the District would represent the State in all the cases to which it was a party and be paid an annual salary of \$150.
3. Acts of 1835-36, Chapter 28, made each Solicitorial District in the State to be co-extensive with each Judicial Circuit which had criminal jurisdiction.
4. Public Acts of 1829, Chapter 29, created the position of Assistant Attorney-General for the 9th judicial Circuit except for Montgomery County. The Assistant must be a licensed attorney, at least 21 years of age, and a resident of the Circuit in which he was appointed. He would assist the Attorney-General as directed, and prepare cases for trial and for the Grand Jury. He would serve at the pleasure of the Attorney-General and be paid \$3,000 per annum. The duties of the person appointed under the terms of this Act would cease when the present Attorney General recovered from his current illness.

General Sessions Court

The following acts once affected the general sessions court of Dickson County, but are no longer in effect and are included herein for reference purposes. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1955, Chapter 412, created a General Sessions Court for which Dickson County was obligated to provide a Court Room at Charlotte, and such supplies, furnishings, dockets and equipment as might be needed by the Court. The Circuit Court Room could be used when it was vacant for the business of this Court whose Judge could adjourn it to other locations in the County as his judgment might dictate. The General Sessions Court would have all the jurisdiction, civil and criminal, formerly possessed by Justices of the Peace from whom all such was hereby divested but who could still collect any fees and costs which might be due them. Court procedures were specified and the amount of costs fixed for trials in the Court. The Governor must appoint the first Judge who would serve until his successor, elected in the general August election of 1956, could take office on September 1, 1956, after which the terms of office would be 8 years. The Judge must be sworn and commissioned and devote full time to the position for which his compensation would be \$4,500 a year, payable in equal monthly installments out of the county general funds, and which could not be changed during the term. The Judge could act as clerk of the court, if desired, but could employ assistance if the total cost did not exceed \$600 per annum. The Sheriff was instructed to wait upon the Court, keep good order, and serve the process of the court when properly issued. This Act was not acted on by the Quarterly Court of Dickson County and therefore never became an effective law under the Home Rule Amendment to the State Constitution.
2. Private Acts of 1972, Chapter 336, was rejected by the Dickson County Quarterly Court and never became an effective law. The Act amended Private Acts of 1957, Chapter 214, in Section One so as to place a maximum amount on rent which could be paid for a court room for the court in the hands of the Quarterly Court of Dickson County. Section 9 was amended to set the Judge's salary at \$15,000 per year, payable in equal monthly installments, provided that an election to fill an unexpired term had been held prior to September 1, 1972. Beginning on September 1, 1974, the

base salary of the Judge would be \$17,500 which must be adjusted annually to reflect any cost of living increase appearing during the year. Section 11 was changed to give the Chancellor, or the Circuit Judge, the authority to appoint a temporary Judge of the Court when the regular Judge could not be available.

3. Private Acts of 1972, Chapter 384, provided for a litigation tax in the General Sessions Court but was repealed by Private Acts of 1974, Chapter 235.

Chapter VII - Elections

Elections - Historical Notes

Districts - Reapportionment

The acts listed below have affected the civil districts in Dickson County, but are no longer operative regarding elections.

1. Acts of 1835-36, Chapter 1, was the first Act passed subsequent to the adoption of the 1835 State Constitution and required the General Assembly to appoint suitable people as Commissioners to lay out the Civil District in each County according to the population count of 1833. Each County having as many as 3,000 qualified voters would have 25 Civil Districts. Those with less than 3,000 but more than 2,500 would have 20 Civil districts, the scale being graduated into increments of 500 voters and the number of civil districts dropping off by five each time. Each district would elect two Justices of the Peace and one Constable except the district with the county town which would elect three Justices of the Peace and two Constables. The Commissioners were urged to take advantage of the natural lay of the land as much as possible.
2. Resolution #3, Acts of 1835-36, appointed the Commissioners for every county who were to lay out the Civil Districts as required above. In Dickson County those named were William Hightower, Joseph Kimble, William Hogins, James W. Christian, and Menon Bible. Resolution #21, same years, appointed Thomas Jarnigan and James Pullin to serve as Commissioners in the place of Joseph Kimble and Menon Bible, who were originally named but refused to serve.
3. Acts of 1857-58, Chapter 37, Section 10, authorized and directed the County Court of Dickson County to lay off a civil district in the said county out of the fractions of the Fourth, Sixth, and Seventh Districts, either by appointing Commissioners, or by whatever method seemed best to the Court, and when established, that civil district would be on the same footing with all the others.

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Dickson County, but which are no longer operative. Also referenced below are acts which repeal prior law without

providing new substantive provisions.

1. Acts of 1804, Chapter 1, authorized the County Courts to take charge of the public roads in the county and the ferries, and to decide on the location of bridges. The procedures and methods to be observed in the process of establishing and maintaining roads were mentioned in the Act. The county courts had the authority to appoint Commissioners for roads and to levy taxes to accomplish the above described purposes.
2. Acts of 1821, Chapter 6, required the County Courts of each county to classify and index all the public roads in their respective counties. The three classes of roads were distinguished by the width and surfacing material. The widths ranged from stage roads down to one wide enough to pass a horse and rider on the way to mill or market. Penalties were included for willfully obstructing roads and for a failure to abide by the terms of this Act.
3. Acts of 1831, Chapter 259, named several Commissioners who were residents of Davidson County who were obligated to open books and subscribe stock up to \$60,000 to build a turnpike road from Nashville to the Western District by way of Charlotte in Dickson County.
4. Acts of 1837-38, Chapter 241, named William J. Carter, Samuel Adkerson, and Joseph Sewter, of Davidson County, and Epps Jackson, James Larkins, Jr., Benjamin C. Robertson, Thomas W. Overton, Joab Hardin, James Christian, and John James Hardwicke, all of Dickson County, as Commissioners, to sell stock up to \$130,000 to build a graded, graveled, or sanded turnpike from Charlotte in Dickson County to the termination of the Nashville and Charlotte Turnpike now being built to the top of the hill about one mile from Elijah Robertson's place, in the direction of Charlotte.
5. Acts of 1837-38, Chapter 290, Chapter 423, appointed Augustin Roberts, J. P. Hardwicke, Henry A. C. Napier, William Norsworthy, Absalom Massie, and John Eubank, all of Dickson County, and eight citizens of Humphreys County to sell stock not to exceed \$130,000 to build a graded, graveled, or sanded turnpike, or one which was macadamized, from Charlotte through Waverly to Reynoldsburgh, in Humphreys County. All the organizational details of the company to be formed and the regulations to be observed in the sale of the stock were included in the act.
6. Acts of 1845-46, Chapter 70, nominated as Commissioners to sell stock, Robert McNeilly, William A. James, Jacob Hardin, Thomas McNeilly, and John C. Collier, of Dickson County, and four additional commissioners from Davidson County. The authorized capital stock was set at \$10,000 which would be used to build a road between the western terminus at Atkinson's Road and the City of Charlotte.
7. Acts of 1851-52, Chapter 361, incorporated William J. McClelland, and authorized him to construct a turnpike road to begin at Charlotte and run in the direction of Waverly, in Humphreys County, for a distance of six miles, to a place known as the Gulley Farm. The road must meet all the specifications on the degree of grade permissible and on the width of the road at specified places. Anyone injured by the construction of the road must be recompensated with adequate amounts of money. The road must be started within two years and completed in five years, with toll gates authorized to be installed at points along the road at which the rates of passage stipulated in the Act could be charged. All acts of non-compliance could be punished with fines, or other appropriate penalties.
8. Acts of 1859-60, Chapter 46, Section 12, incorporated Robert H. Williams, William M. Shelton, William W. Stewart, John F. House, Thomas Ramsey, William J. Holmes, J. T. Richardson, J. T. Johnson, and Thomas W. Wisdon, and their associates, under the style of the Clarksville, Cumberland, and Charlotte Turnpike Company. The incorporators were scheduled to meet and organize in Clarksville when \$2500 in stock had been subscribed and paid in. The road would run from Clarksville, or from Port Royal Turnpike, or from Madison Street near the residence of Cave Johnson in the direction of Charlotte in Dickson County.
9. Acts of 1867-68, Chapter 65, was the legal authority to move the tollgate nearest Nashville back to its place on Brown's Hill, or to some place within three-fourths of a mile from that spot. Authority was granted to sell the lot and the gatehouse of the toll being moved and apply the proceeds on the acquisition of a new one. All the above was on the Nashville and Charlotte Turnpike.
10. Acts of 1901, Chapter 136, was a general road law applicable to every county in Tennessee under 70,000 in population, according to the 1900 Federal Census. The County Court in the County would select one Road Commissioner to serve two years from each Road District in the county, the Road Districts being co-extensive with the civil districts. These Road Commissioners would be sworn into office, bonded, and be in charge of all the roads, bridges, road hands, tools, and materials situated in the said area. The commissioners would be compensated at the rate of

\$1.00 per day but for no more than 10 days each year. The County Court would determine the number of days a road hand would be required to work which would be no less than five, nor more than eight, and fix the price of one day's labor for commutation purposes. The County Court could levy a general road tax of two cents per \$100 property valuation for each day the road hands were ordered to work. The Commissioners would name and supervise the Road Overseers in their Districts. The Overseers were to be in immediate charge of a particular section of road in the District. They would work the same number of compulsory days as others did but would be paid at the rate of \$1.00 per day for all labor over that up to \$6.00 per annum. All males, outside of cities, between the ages of 21 and 45, were required to do the above road work. The commissioners would dispose of petitions to open, close, or change roads, would classify and index the public roads when necessary and would continuously inspect to see that the roads met the minimum specifications enunciated in the law. See Carroll v. Griffith, 117 Tenn. 500, 97 S.W. 66, (1906), for some judicial observations on this act.

11. Acts of 1905, Chapter 478, amended Acts of 1901, Chapter 136, above, in several minor particulars but dealt primarily with the method of acquiring rights of way especially when the power of eminent domain was to be used.
12. Private Acts of 1913 (Ex. Sess.), Chapter 82, permitted Dickson County to purchase any turnpike road, or toll road, which would then be dedicated to the use of the public without charge. A general road tax of 20 mills could be levied in order for the same roads to be purchased, and the authority was likewise given to issue up to \$25,000 in bonds at an interest rate of 5%, or less, and to mature no later than 20 years from the date of issue. The proceeds generated by the tax levy, or the bond sales, could not be used for any other purpose. The power and authority conferred herein would be exercised by the Quarterly Court of Dickson County always in the very best interests of the people.
13. Private Acts of 1919, Chapter 161, created a County Highway Commission in Dickson County, composed of Joe B. Weems, E. H. Stone, N. H. Eubanks, Pete Hensley, and C. H. Williams, who would serve until the general August election in 1920 could produce their successors taking office when other county officials did. Joe B. Weems was named as Chairman of the Commission and as County Road Super-visor. Two of the Commissioners would come from the northern section of the County, two from the southern section, and one would be elected at large. The Commission would meet at the call of the Chairman and exercise the powers granted them in the supervision of the roads of this Department. The duties of the chairman, who would also be the Road Supervisor, of the Secretary of the commission, and of the other members were specified in the Act. They would have the same authority over privately owned roads and pikes as the County Court had. They would name a Deputy Supervisor of Roads in each civil district to serve for two years who were to supervise and inspect the roads in their Districts and render periodic reports on their condition. Restrictions were placed on the obstruction of the roads and their willful, or negligent damage, for which specified penalties and fines could be imposed. Workhouse prisoners could be worked under some circumstances, and all males, outside cities, between the ages of 21 and 50, must labor six full, nine-hour days on the roads. Special provisions were included for the owners of wagons and teams, how must pay \$2.00 per day if they desired to commute. Laborer's commutation fee was \$1.00 for each day missed. A general road tax could be levied of no less than fifteen cents and no more than 30 cents per \$100 property valuation, and a maintenance tax of 15 cents per \$100 could be imposed when needed. The Commission could borrow money under certain conditions but could not pay more than 6% interest. The Chairman would be paid from \$350 to \$800 annually and the members would receive \$3.50 per meeting.
14. Private Acts of 1920, Chapter 115, amended Private Acts of 1919, Chapter 161, in Section 16, by reducing the mandatory labor on roads from six days to four days and made it the duty of the owner of a wagon and team to present the same for work at a place designated by the Road Supervisor; by revising the definition of a wagon and team to include some who were apparently escaping this responsibility. The commutation rate for both the teams and wagons and the road hands was increased, but the minimum tax rate of the general road levy was reduced from 15 cents to 10 cents per \$100 property valuation. Section 24 was rewritten to give the Highway Commission the authority to deal with the State for the improvement of the Dickson County roads, and to issue up to \$150,000 in bonds in order to take advantage of the aid available from the State and Federal people.
15. Private Acts of 1921, Chapter 414, established rates of toll for any auto, or motor driven vehicle, using the roads of incorporated turnpike companies, or the toll roads with authority to install toll-gates. Twenty-five cents per vehicle was the toll on each five mile section of road and fifteen cents on each vehicle coming and going on the same day, or night. This Act was applicable only

- to Dickson County.
16. Private Acts of 1925, Chapter 321, amended Private Acts of 1920, Chapter 115, above, by striking out that act's amendments to Private Acts of 1919, Chapter 161, and restoring that act's provisions to the original language, insofar as the original act provided for the furnishing of teams and wagons for road work. The bond authority given was not affected by this Act.
 17. Private Acts of 1927, Chapter 761, amended Private Acts of 1919, Chapter 161, Item 13, above, in Section 10, by striking the provision for the District Road Supervisor to be given a warrant book to draw warrants on the general road fund collected in the District, provided the same was countersigned by the Chairman of the Highway Commission. Section 25 was amended to provide that reports be made on a quarterly basis instead of semi-annually.
 18. Private Acts of 1933, Chapter 287, repealed all laws in conflict with this one which presumable would include Private Acts of 1919, Chapter 161, Item 13, above. This Act created a County Highway Commission, a Secretary of the Highway Commission, and the post of county Road Supervisor. The Highway Commission would be made up of five members, selected by the County Court from each of the areas specified in the Act, who would serve until January's first Monday, when their successors elected by popular vote would take over in 1934, and every four years thereafter. The Commission would elect the Road Supervisor, who could not be a member of the Commission, or be holding any other county, or state, office, who must be at least 25 years old and experienced in road building. The Road Supervisor would serve for one year beginning in each January. He would be sworn, bonded, and compensated annually at no less than \$1,000 nor more than \$2,000, payable in equal monthly installments out of the road funds of the county, the salary being fixed by the Quarterly Court at its January meeting each year. The Road Supervisor would operate the Department of Roads, employ its personnel, and, with the purchasing committee of the County Court, buy supplies, up to \$250 without the Committee, but with them on all purchases exceeding that amount. The Supervisor could work the prisoners on the county road under certain conditions and assign road hands to Districts. The Highway Commission could limit the weight to be hauled on the roads and penalize those who violated it. The Quarterly Court could levy a general road tax of twenty cents per \$100 property valuation, and could elect a Secretary for the Commission who must be competent for the job and be paid a salary not to exceed \$40 a month who would keep all the records of the Commission and assist them in every way necessary to good road management.
 19. Private Acts of 1933, Chapter 879, exempted all the citizens of Dickson County from any road service, either personally, or by furnishing a team or equipment.

Acts of 1803, Chapter 1, was a military code and a militia law for the State which made all free men and indentured servants between the ages of 18 and 45 eligible for the militia but naming some exceptions as Judges, ministers, cabinet officers, ferrymen, Justices of the Peace, and others. A Table of Organization in which all county units were included designated the Dickson County unit as the 25th Regiment which would drill and muster with the Battalion on the second Thursday in October of each year.

3. Acts of 1815, Chapter 119, reenacted the entire military code of the State in order to accommodate the expanding militia units in Tennessee. The eligibility standards were not changed. This tax applies to, is a levy upon, and shall be paid on each motor-driven vehicle, the owner of which lives within, or usually stays within, or who operates such a motor-driven vehicle, on, over, or upon the streets, roads, or highways of said county, state-maintained roads excluded, for a period of as many as sixty (60) days, during any year hereafter.

SECTION 2. It shall be and is hereby declared to be a misdemeanor and punishable as such for any owner of a motor-driven vehicle taxable hereunder to operate or allow to be operated such motor-driven vehicle upon the streets, roads or highways of said county, state-maintained roads excluded, without the payment of the tax herein levied and without full and complete compliance with all provisions hereof. Provided further that nothing in this Act shall be construed as permitting and authorizing the levy and collection of a tax against non-residents of Dickson County or against owners of such vehicles using the streets, roads, and highways of said county, who live or reside outside the bounds of the County but do not come within the provisions of this Act, and within a reasonable construction of the provisions hereof.

Any new resident of Dickson County shall be allowed thirty (30) days after establishing his residence in the county within which to comply with the provisions of this Act.

SECTION 3. The tax herein levied shall be paid to and collected by the County Court Clerk of Dickson County, who shall collect this tax at the same time he collects the state privilege tax levied upon the operation of a motor-driven vehicle over the public highways of this State. The Clerk shall not issue to a resident of said county and state license for the operation of a motor-driven vehicle taxable hereunder unless, at the same time, such owner shall purchase the license or pay the privilege tax levied hereunder, for the operation of each of his motor-driven vehicles under the provisions of this Act.

SECTION 4. Payment of the privilege tax imposed hereunder shall be evidenced by a receipt, issued in duplicate by the Clerk, the original of which shall be kept by the owner of the motor-driven vehicle, and by a decal or emblem also issued by the Clerk, which shall be displayed by affixing the same on and to the designated place on the license plate.

The expense incident to the purchase of such decals and emblems herein required, as well as the expense of obtaining proper receipts and other records necessary for the performance of the duties herein incumbent upon the clerk shall be paid from the General Fund of the county.

SECTION 6. The privilege tax or wheel tax herein levied, when paid together with full, complete and explicit performance of and compliance with all provisions of this Act, by the owner, shall entitle the owner of the motor-driven vehicle for which said tax was paid and on which the decal or emblem has been affixed as herein provided, to operate or allow to be operated his vehicle over the streets, roads, and highways of the county for a period of one year from March 1st of each year until midnight on the last day of February of the next succeeding year. There shall be a grace period of forty-six (46) days to commence on March 1st of each year and end at midnight on April 15th to allow for the purchase of new emblems and decals as required herein.

When a vehicle becomes taxable under the provisions of this Act, at a later date than the above required date, the same proportionate reduction shall be made as to the cost of the wheel tax, or the amount to be paid to the County Court Clerk therefor, as is now made in the issuance of the privilege tax payable to the State of Tennessee and collected by the Clerk, under the provisions of the general laws of this State.

SECTION 7. For his services in collecting the aforesaid tax, and in issuing the receipt therefor and delivering the decal or emblem to the owner, the Clerk shall be entitled to a fee of Fifty Cents (\$.50) for each motor-driven vehicle, motorcycle, motor-driven scooter and bicycle, and further provided that this fee shall be deducted from the amount of wheel tax paid by and collected from the owner of each motor-driven vehicle, motorcycle or motor-driven scooter and bicycle as required by the provisions of this Act. The Clerk will faithfully account for, make proper reports of, and pay over to the Trustee of the county at monthly intervals, all funds paid to and received by him for the payment of the aforesaid wheel

tax.

SECTION 8. In the event any motor-driven vehicle for which the wheel tax has been paid and the emblem or decal issued and placed thereon, becomes unusable or is destroyed or damaged to the extent that it can no longer be operated over the public roads, streets or highways of said county; or in the event that the owner transfers the title to such vehicle, and completely removes therefrom and destroys the decal or emblem issued for and placed thereon, and the owner makes proper application to the Clerk for the issuance of a duplicate decal or emblem to be used by him on another vehicle for the unexpired term for which the original decal or emblem was issued, and the Clerk is satisfied that the applicant is entitled to the issuance of such a duplicate decal or emblem, and the owner pays into the hands of the Clerk the sum of One Dollar (\$1.00) of which fifty cents (\$.50) shall be the Clerk's fee, the Clerk shall then issue to such owner a duplicate receipt, canceling the original receipt delivered to him by the owner, and will deliver to the owner a duplicate decal or emblem, which shall be affixed to the motor-driven vehicle for which it is issued, as herein provided, and such duplicate decal or emblem shall entitle the owner to operate or allow to be operated the vehicle upon the streets, roads, and highways of said county for the remainder of the period for which the original decal or emblem was issued. Likewise, in the event a decal or emblem becomes obliterated, erased, or defaced, or is destroyed under the provisions of this Act, and is therefore illegible and unusable by the owner, upon proper application made by the owner and filed with the Clerk, showing such circumstances and facts to be true, then the Clerk, upon receipt from the owner of One Dollar (\$1.00) from which the Clerk shall deduct fifty cents (\$.50) as his fee, shall issue and deliver to the owner, a duplicate decal or emblem.

SECTION 9. That the proceeds from the tax herein imposed, when collected by the Clerk and paid into the hands of the Trustee, shall be placed in the Highway Fund of Dickson county to be used for county road maintenance only.

SECTION 10. Any person violating the provisions of this Act, upon conviction, shall be fined not less than Twenty-five Dollars (\$25.00) nor more than Fifty Dollars (\$50.00).

SECTION 11. The tax herein levied shall be collected beginning March 1, 1976, and each subsequent year thereafter.

Its approval or non-approval shall be proclaimed by the presiding officer of the Quarterly County Court and certified by him to the Secretary of State.

SECTION 13. This Act is declared severable in its construction, and if any section or provision of said act should be declared unconstitutional by a court of competent jurisdiction, the remaining sections or provisions will have full force and effect; it being the legislative intent that this Act would have been enacted without the inclusion of the unconstitutional provisions or sections thereof.

SECTION 14. For the purpose of approving or rejecting the provisions of this Act as provided in Section 12, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, this Act shall take effect upon approval as provided in Section 12.

Taxation - Historical Notes

Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as

a reference to laws which once affected the Dickson County Assessor.

1. Private Acts of 1911, Chapter 411, amended the general State law on Tax Assessor's for several counties including Dickson County which set the annual salary of the assessor at \$800.
2. Private Acts of 1917, Chapter 208, also amended Private Acts of 1911, Chapter 411, Item 1, above, but the amendment apparently only applied to Monroe County although Dickson County was mentioned as being within the population figures quoted.
3. Private Acts of 1917, Chapter 250, was a duplicate of Chapter 208, Item 2, above, quoting the same population figures.
4. Private Acts of 1919, Chapter 106, amended Private Acts of 1917, Chapter 208, Item 2, above, by increasing the annual salary of the Tax Assessor therein mentioned from \$800 to \$1,200. Again there is some question on whether this Act applied to Dickson County.
5. Private Acts of 1925, Chapter 520, amended Private Acts of 1911, Chapter 411, Section 1, by fixing the salary of the Tax Assessor in Dickson County (identified by the use of the 1920 Federal Census figures) at \$1,200 annually beginning with the year 1925 and continuing thereafter.
6. Private Acts of 1949, Chapter 583, stated that the compensation of the Tax Assessor in Dickson County would hereafter be \$1,800 per year instead of \$1,200 payable out of the county treasury on the warrant of the County Judge, or Chairman, which would be countersigned by the County Court Clerk. The salary could be paid in equal monthly installments, or in such a way as might be mutually agreeable to the parties.
7. Private Acts of 1955, Chapter 392, provided that the Tax Assessor of Dickson County would be paid \$2,200 annually in equal monthly installments, effective September 1, 1956. Our information is that no action was taken on this Act by the Quarterly County Court of Dickson County and therefore, if true, the act never became effective.

Taxation

The following is a listing of acts pertaining to taxation in Dickson County which are no longer effective. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1807, Chapter 46, authorized the Quarterly Court of Dickson County, a majority of the Justices being present, to levy a tax to be collected with the other taxes which would be used to complete the construction of the public buildings in the county, primarily located in the town of Charlotte.
2. Acts of 1809, Chapter 66, stated that the taxes hereinbefore imposed have been insufficient to build the Court house and prison in Clarksville for the Robertson District to which Dickson County belonged, this act was the authority for Montgomery County to levy an additional tax and Section 2 made it the duty of the Justices of the counties of Robertson, Dickson, Hickman, Stewart, and Humphreys, to lay a tax in 1810 to complete the construction of the Court House and pay off all the debts in connection with it. Commissioners must make a full and complete statement of the disposition of all the funds.
3. Acts of 1822, Chapter 138, authorized the Trustee of Dickson County to call on the Trustee of Hickman County for that part of the taxes due Dickson County collected by the Sheriff from the citizens living north of the line dividing those two counties. The Sheriff of Dickson County could proceed against the Hickman County Trustee if he failed or refused to act. The Hickman Trustee must furnish on oath a list of those owing taxes to Dickson County.
4. Acts of 1831, Chapter 73, recited in the introduction that a devastating storm had demolished nearly every building in Charlotte and spread wide destruction in Dickson County which would make it oppressive to collect taxes, therefore, this Act remitted all the State taxes for the years 1832 and 1833 to the County. The Collectors would pay over to the Commissioners of the County these tax funds whose primary duty would be to restore the Court House in Charlotte.
5. Acts of 1870, Chapter 50, provided that the Counties and cities in the State could levy taxes for county and municipal purposes in the following manner and upon these conditions (1) that all taxable property would be taxed according to its value, upon the principles established for State taxation, and (2) that the credit of no county, or city, would be given, or loaned, to any person, firm, or corporation, unless a majority of the Justices, or the Councilmen, first agree, and then upon an election being held wherein three-fourths of the voters agree. Twenty-six counties exempted themselves from the three-fourths approval vote, inserting a simple majority for the next ten years, but Dickson County was not among their number.

6. Private Acts of 1921, Chapter 487, amended Public Acts of 1907, Chapter 602, Section 32, to provide that in Dickson County the Board of Tax Equalization would be paid by the county as their compensation no less than \$4.00 per day.
7. Private Acts of 1931, Chapter 422, was the enabling law for the County of Dickson's Quarterly Court to levy a tax in the same manner as other taxes and to be collected as other taxes which would be used for general county purposes but said tax could not exceed 35 cents per \$100 property valuation.
8. Private Acts of 1937, Chapter 739, created the office of Delinquent Poll Tax Collector in Dickson County (identified by the use of the 1930 Federal Census figures) for a term of two years to be filled by the Quarterly County Court at its July term to serve until January 10 when a successor would be elected by the Court and every two years afterwards. All polls due on July 15 for the year 1936 were delinquent and all those not paid on April 1 after the due year were also delinquent. The Collector would be paid \$1.00 for each delinquent poll tax collected which would be added to the costs. The appearance of one's name on a delinquent list was sufficient to cause a distress warrant to be issued. The Collector must use only those receipts in books furnished by the Trustee to whom the money would be delivered each month. The Collector was to be sworn into office, and bonded, and he could examine the books and records of any firm in the county, conduct hearings, and issue subpoenas.
9. Private Acts of 1972, Chapter 384, provided that a litigation tax of \$5.00 would be taxes as part of the costs in all the criminal cases in the General Sessions Court of Dickson County. The Clerks of the Court would collect the tax and pay the money into the "Court House and Jail Maintenance, Repair, and Improvement Fund". All expenditures would be made by the County Judge upon the authorization of the Quarterly Court. This Act was repealed below in Item 11.
10. Public Acts of 1973, Chapter 226, repealed all the poll tax laws thereon the statute books in their entirety.
11. Private Acts of 1974, Chapter 235, specifically repealed Private Acts of 1972, Chapter 384, which set up a litigation tax in Dickson County.
12. Private Acts of 1982, Chapter 305, would have amended Private Acts of 1976, Chapter 206, to levy a \$10 special privilege tax against automobile dealers, but the Act was disapproved by the county legislative body on April 19, 1982.
