Chapter VIII - Health

Dear Reader:

The following document was created from the CTAS website (ctas.tennessee.edu). This website is maintained by CTAS staff and seeks to represent the most current information regarding issues relative to Tennessee county government.

We hope this information will be useful to you; reference to it will assist you with many of the questions that will arise in your tenure with county government. However, the *Tennessee Code Annotated* and other relevant laws or regulations should always be consulted before any action is taken based upon the contents of this document.

Please feel free to contact us if you have questions or comments regarding this information or any other CTAS website material.

Sincerely,

The University of Tennessee
County Technical Assistance Service

Chapter VIII - Health

Health - Historical Notes

The following summaries are included herein for reference purposes.

1. Private Acts of 1937, Chapter 462, recited in the preamble that D. W. Taylor is the co-owner of a drug store and has worked in it for 10 years, and the physicians and many others have displayed their confidence in his ability to compound medicines, etc. This Act states that if the said D. W. Taylor shall file proof with the State Board of Pharmacy that he knows medicines, that he is a resident of Weakley County and a person of good moral character, the Board shall issue him a license to continue in the said business whereupon Taylor shall pay the proper fee.
2. Private Acts of 1937, Chapter 860, stated that D. R. Smyth had been the coowner of a drug store and worked therein for seven years, and that physicians and others had manifested confidence in his ability to compound drugs and to fill prescriptions, that he was of good moral character and a resident of Weakley County. The Act provided that, upon proof of the above circumstances the Board would issue him a license to continue this business and profession and he would pay the proper fee for the same.
