Hospital Authority

Private Acts of 1976 Chapter 297

SECTION 1. A Governmental Hospital Authority to be known as the Chattanooga-Hamilton County Hospital Authority, is hereby created and established for and on behalf of Hamilton County, Tennessee, for the purpose of performing a governmental function by operating Baroness Erlanger Hospital and T.C. Thompson Children's Hospital and such other similar or associated hospitals and existing health centers deemed appropriate to be operated by said authority as sole operator for the purpose of providing health

care facilities and programs for the residents of Hamilton County, Tennessee.

As amended by: Private Acts of 1977, Chapter 125

SECTION 2. The Hospital Authority shall be operated upon the tracts and parcels of real property owned jointly by Hamilton County and the City of Chattanooga, Tennessee, and on which are situated the Baroness Erlanger Hospital and the T.C. Thompson Children's Hospital or upon any other real property acquired by the authority through gift and purchase. The city and the county are authorized and directed to convey and assign all real property constituting the Baroness Erlanger Hospital and the T.C. Thompson Children's Hospital to the authority. The city and the county are also authorized to convey and assign all personal property constituting the Baroness Erlanger Hospital and the T.C. Thompson Children's Hospital to the authority.

In the event the authority shall at any time cease to exist as the operator of Baroness Erlanger Hospital, T.C. Thompson Children's Hospital and such other similar or associated hospitals and existing health centers deemed appropriate to be operated by the authority as sole operator, the real estate which was owned on August 5, 1976, by the county and the city and conveyed to the authority by the county and the city, shall revert in fee simple to the county, subject to such encumbrances as may be on said property at the time of reversion; provided, however, that the city shall have an option to require transfer to it of the title to the same proportion of such real estate as was owned by the city on such date, subject to such encumbrances on that portion of the real estate.

If the authority shall at any time cease to use any such parcel or parcels of said real estate for hospital or related purposes for a period of two (2) years, then the county and the city shall have the option to require transfer to them of title to such parcel or parcels in fee simple, subject to such encumbrances as may be on said property at the time of such transfer of title, in the same proportion as such parcel or parcels were previously owned by the county and the city. In the event that either the county or the city shall elect not to exercise its option with respect to any such parcel or parcels of real estate, then the other of them shall have the option to require transfer to it of the entire parcel or parcels of real estate in question. In the event that neither the county nor the city decides that they wish to exercise said option, then the authority shall have the right to dispose of such property in whatever manner it deems appropriate.

The Hospital Authority, through its Board of Trustees, shall have the authority to operate other facilities that supplement or coordinate with the operation of Baroness Erlanger Hospital and T.C. Thompson Children's Hospital for the residents of Hamilton County, Tennessee, the City of Chattanooga, Tennessee and the other incorporated municipalities in said County. However, nothing contained in this Act either directly or indirectly shall permit the Hospital Authority to have any jurisdiction of, nor to unnecessarily duplicate the services of, the Hamilton County Nursing Home or the Chattanooga-Hamilton County Health Department, each being a separate county agency unconnected with the actual operation of the Hospital Authority. The County Council may, however, (following the determination of desirability and recommendation by the County Judge of the specific services, terms, conditions, and extent thereof) contract with the Hospital Authority for delivery of such health care services as may from time to time be necessary for periods of time not to exceed four (4) years' duration, but such contracts shall not provide a duplication of - only a necessary supplement to - the services of the two aforesaid county agencies.

As amended by: Private Acts of 1977, Chapter 125

SECTION 3. The hospital authority shall be operated and controlled by a board of trustees consisting of eleven (11) members who shall serve without compensation but who shall be indemnified by the authority for any liability they might incur while acting in such capacity other than from culpable negligence. Trustees shall be appointed to four (4) year terms.

The method of appointment of the members of the board of trustees after the expiration of the terms of the members of such board serving on the effective date of this act shall be as follows:

- (1) The county mayor of Hamilton County shall appoint six (6) trustees, with the approval of a majority of the members of the county council;
- (2) The chief of staff of Erlanger Hospital shall serve as a trustee; and
- (3) The general assembly shall, by joint resolution, appoint four (4) trustees; provided, the members of the Hamilton County legislative delegation to the general assembly, by majority vote of the delegation, may recommend nominees to the general assembly for appointment as trustee. If the general assembly is not in session at the time a trustee is appointed to fill a vacancy resulting from the expiration of a term, the trustee whose term has expired shall serve until a new appointee is confirmed. If the general assembly is not in session, in order to fill a vacancy not resulting from the expiration of a term, a trustee may be appointed by joint action of the speaker of the house of representatives and the speaker of the senate after consultation with the Hamilton County delegation to the general assembly, and such appointee shall serve as a trustee for the term

appointed unless such appointment is not confirmed within sixty (60) calendar days after the general assembly next convenes in regular session following such appointment.

Upon the expiration of the term of office of any trustee, the trustee's successor shall be appointed for a term of four (4) years by the authority appointing the trustee whose term has expired. With respect to the existing appointment by the chancellors of the chancery court, no person shall be appointed upon the expiration of the term and the position shall cease to exist. With respect to the appointment for the expiring term for the trustee made by the county mayor and the city mayor with the approval of the Chattanooga-Hamilton County Medical Society, the appointment shall be made by the county mayor with the approval of a majority of the members of the county council. With respect to appointments for the expiring terms for the four (4) trustees appointed by the mayor of the city of Chattanooga, those appointments shall be made by the general assembly and the county mayor pursuant to this section; provided, that for the first such occurring expiration the appointment shall be made by the county mayor with the approval of a majority of the members of the county council and the general assembly shall make the remaining three (3) appointments as provided in this section.

All such appointments to the Board of Trustees as provided herein shall be made without regard to religious preference, race, sex or national origin, and in the making of appointments due consideration shall be given to making said Board of Trustees representative, as nearly as may be practicable, of all residents of the city and county, including the various racial groups therein.

Any member so appointed to the Board of Trustees may, for reasonable cause, be removed from his or her office in the same manner and by the same authority as such member was appointed to the office; provided that such removal shall be preceded by a full hearing and adequate notice of such hearing. 'Reasonable cause' shall include, but shall not be limited to, misconduct in office, failure to perform duties prescribed by this act or other applicable law, or failure to diligently pursue the objectives for which the authority was created.

Vacancies on the Board of Trustees caused by any reason whatsoever, shall be filled by appointment of the authority who appointed the trustee vacating the office, but without the necessity of approval otherwise herein required. A trustee so appointed shall hold office for the remainder of the term of the trustee vacating the office.

A member of the Board of Trustees may serve as such trustee for not more than eight (8) consecutive years, excluding any previous service as a member of the Board of Trustees of Baroness Erlanger Hospital and/or T.C. Thompson Children's Hospital.

The occupancy of their respective offices by the present members of the Board of Trustees (being those individuals enumerated in amended Section 3 above) is hereby ratified and confirmed.

Said bids shall be sealed and filed with the president or his designee, who shall publicly open them on the date specified and not prior thereto. As amended by: Private Acts of 1985, Chapter 99

The authority shall prescribe reasonable rates, fees and charges for the services and facilities furnished by the authority and shall revise such rates, fees and charges from time to time so as to produce revenue at least sufficient to pay the principal of and interest on all bonds and other obligations issued by the authority, including reserves therefor, and to pay the cost of maintaining and operating its facilities.

As amended by: Private Acts of 1977, Chapter 125

SECTION 7. Except as herein otherwise expressly provided, all bonds issued by the authority shall be payable solely out of and secured by a pledge of all or any portion of the revenues and receipts derived from the authority's projects or of any thereof as may be designated in the proceedings of the Board of Trustees under which such obligations shall be authorized to be issued and may be secured by a mortgage or deed of trust covering all or any part of the projects from which the revenues and receipts so pledged may be derived, as such projects may thereafter be extended or enlarged; provided, that notes issued in anticipation of the issuance of bonds may be retired out of the proceeds of such bonds. The proceedings under which the bonds are authorized and any such mortgage or deed of trust may contain agreements and provisions respecting the maintenance of the facilities covered thereby, the establishment of rates, fees and charges for the services and facilities furnished by the authority, the creation and maintenance of special funds from the revenues of the authority and the rights and remedies available in the event of default, all as the Board of Trustees shall determine advisable and not in conflict with the provisions of this act. Each pledge, mortgage and deed of trust made for the benefit or security of any bonds of the authority shall continue in effect until the principal of and interest on the bonds for the benefit of which the same were made shall have been fully paid. In the event of default in such payment or in any agreement of the authority made as a part of the contract under which the bonds were issued, whether contained in the proceedings authorizing the bonds or in any mortgage or deed of trust executed as security therefor, such payment or agreement may be enforced by suit, mandamus, the appointing of a receiver in equity or by foreclosure of any such mortgage or deed of trust, or any one or more of such remedies.

Such bonds may be executed and delivered by the authority at any time and from time to time, may be in such form and denominations and of such terms and maturities, may be subject to redemption prior to maturity either with or without premium, may be in fully registered form or in bearer form registrable either as to principal or interest or both, may bear such conversion privileges and be payable in such installments and at such time or times not exceeding forty (40) years from the date thereof, may be payable at such place or places whether within or without the State of Tennessee, may bear interest at such rate or rates payable at such time or times and at such place or places and evidenced in such manner, may be executed by such officers of the authority, and may contain such provisions not inconsistent herewith, all as shall be provided in the proceedings of the Board of Trustees whereunder the bonds shall be authorized to be issued. Any bonds of the authority may be sold at public or private sale [sic] for such price and in such manner and from time to time as may be determined by the Board of Trustees to be most advantageous, and the authority may pay all expenses, premiums and commissions which its Board of Trustees may deem necessary or advantageous in connection with the issuance thereof.

Proceeds of bonds and notes issued by the authority may be used for the purpose of constructing, acquiring, reconstructing, improving, equipping, furnishing, bettering, or extending any project or projects, including the payment of interest on the bonds during construction of any such project and for six (6) months after the estimated date of completion, the payment of engineering, fiscal, architectural, bond insurance and legal expenses incurred in connection with such project and the issuance of the bonds, and the establishment of a reasonable reserve fund for the payment of principal of and interest on such bonds in the event of a deficiency in the revenues and receipts available for such payment. Any bonds and long-term notes shall, except as herein otherwise expressly provided, be issued for capital expenditures and none of the proceeds shall be used for operational expenditures or routine maintenance needs.

Except as hereinafter in this paragraph provided, the amount of bonds and notes of the authority which may be issued at any time, together with any bonds and notes of the authority then outstanding, shall not exceed an amount equal to ninety percent (90%) of the sum of the value of the existing plant, property and equipment of the authority at the time of issuance of such bonds plus the contract price of the improvements to be constructed, acquired and installed from the proceeds of such bonds, less (1) the principal amount outstanding, if any, of such bonds as may have been issued by the county for the expansion, remodeling, repairing, equipping, and/or construction of all or any part of Baroness Erlanger

Hospital and/or T.C. Thompson Children's Hospital, and (2) the amount, if any, of any unfunded portion of the employees' pension fund of Baroness Erlanger Hospital and/or T.C. Thompson Children's Hospital. Plant, property and equipment for the purpose of the preceding sentence shall be stated at market value as determined by a professional appraiser to be selected by the Financial Review Committee. A certificate of such professional appraiser with respect to the value of such plant, property and equipment, a certificate of the county judge of the county with respect to the amount of outstanding bonds of the county for such hospital purposes, and a certificate of the chief executive officer of the authority with respect to the unfunded portion of such employees' pension fund shall each be conclusive for the purposes of determining the amount of bonds and notes which may be issued [sic] pursuant to this paragraph. The limitations expressed in this paragraph shall not apply to the issuance of advance refunding bonds.

The Board of Trustees shall direct in the proceedings authorizing the issuance of any bonds of the authority that there shall be set aside and appropriated as a reserve for the payment of principal and interest on said bonds an amount not less than the required amount of principal and interest on the bonds falling due during the 12 month period next succeeding the date of issuance of the bonds.

Any bonds or notes of the authority at any time outstanding may at any time and from time to time be refunded by the authority by the issuance of its refunding bonds in such amount as the Board of Trustees may deem necessary, but not exceeding the sum of the following: (a) the principal amount of the obligations being refinanced; (b) applicable redemption premiums thereon; (c) unpaid interest on such obligations to the date of delivery or exchange of the refunding bonds; (d) in the event the proceeds from the sale of the refunding bonds are to be deposited in trust as hereinafter provided, interest to accrue on such obligations from the date of delivery to the first or any subsequent available redemption date or dates selected, in its discretion, by the Board of Trustees, or to the date or dates of maturity, whichever shall be determined by the Board of Trustees to be most advantageous or necessary to the authority; and (e) expenses, premiums and commissions of the authority, including bond discount, deemed by the Board of Trustees to be necessary for the issuance of the refunding bonds. A determination by the Board of Trustees that any refinancing is advantageous or necessary to the authority, or that any of the amounts provided in the preceding sentence should be included in such refinancing, or that any of the obligations to be refinanced should be called for redemption on the first or any subsequent available redemption date or permitted to remain outstanding until their respective dates of maturity, shall be conclusive.

Any such refunding may be effected either by the exchange of the refunding bonds for the obligations to be refunded thereby with the consent of the holders of the obligations so to be refunded, or by sale of the refunding bonds and the application of the proceeds thereof to the payment of the obligations to be refunded thereby, in the manner herein provided. Prior to the issuance of the refunding bonds, the Board of Trustees shall cause notice of its intention to issue the refunding bonds, identifying the obligations proposed to be refunded and setting forth the estimated date of delivery of the refunding bonds, to be given to the holders of the outstanding obligations by publication of an appropriate notice one (1) time each in a newspaper having general circulation in Hamilton County and in a financial newspaper published in New York, New York, and having national circulation. As soon as practicable after the delivery of the refunding bonds, and whether or not any of the obligations to be refunded are to be called for redemption, the Board of Trustees shall cause notice of the issuance of the refunding bonds to be given in the manner provided in the preceding sentence.

If any of the obligations to be refunded are to be called for redemption, the Board of Trustees shall cause notice of redemption to be given in the manner required by the proceedings authorizing such outstanding obligations.

The principal proceeds from the sale of any refunding bonds shall be applied only as follows: either,

(a) to the immediate payment and retirement of the obligations being refunded; or

(b) to the extent not required for the immediate payment of the obligations being refunded then such proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded and to pay any expenses incurred in connection with such refunding, but provision may be made for the pledging and disposition of any surplus, including, without limitation, provision for the pledging of any such surplus to the payment of the principal of and interest on any issue or series of refunding bonds. Money in any such trust fund may be invested in direct obligations of, or obligations the timely payment of principal of and interest on which are fully guaranteed by the United States government, or obligations of any agency or instrumentality of the United States government, or in certificates of deposit issued by a bank or trust company located in the State of Tennessee if such certificates shall be secured by a pledge of any of said obligations having an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable,

shall not have been called for redemption.

As amended by: Private Acts of 1977, Chapter 125

SECTION 8. The Board of Trustees shall have the authority to employ or contract with and fix the compensation of a Chief Executive Officer of the institutions under its jurisdiction. The Board of Trustees shall from time to time determine and prescribe the duties and responsibilities of such Chief Executive Officer. The Board of Trustees shall require all employees receiving and disbursing funds of the Authority to be adequately bonded.

SECTION 9. The Board of Trustees shall prepare and submit to the County Council and the Board of Commissioners of the City of Chattanooga each fiscal year a financial statement which shall be audited by a firm of independent certified public accountants selected by the Financial Review Committee from a list of not less than two (2) firms prepared by the Board of Trustees.

Not less than 30 days before any bonds, or bond anticipation notes are authorized, a statement shall be furnished to the Financial Review Committee from a professional actuary certifying that pension fund contributions established by the Authority Board of Trustees are estimated to be adequate to amortize such unfunded, accrued liability over a period of 40 years, or less.

Health - Historical Notes

The following summaries are included herein for reference purposes.

1. Public Acts of 1885, Chapter 95, was a general act which created a county health board, composed of the county judge or chairman, the county court clerk, and the county health officer, or jail physician, who was to act as president of said board. The board was to have the management of the general health of the county, and to institute whatever measures were necessary when contagious and epidemic diseases threatened the health of the county, and to report same to the state board of health. The expenses of the county health board were to be borne by the county, and any person violating any rule or regulation of the board was considered guilty of a misdemeanor and subject to a fine or confinement in the county jail.
2. Acts of 1903, Chapter 480, made it mandatory for street car companies operating electrical, cable, or horse cars whose operator was in front and outside of the car to equip said cars with complete vestibules to protect the operators from inclement weather; however, this act was not to apply to cars operated from March 15 to November 1 of each year. Violations could be punished by a fine.
3. Private Acts of 1913, Chapter 46, made it unlawful to erect, maintain, or to have any hospital for treatment of contagious or infectious diseases within one-half mile of any public schoolhouse in counties having a population of not less than 70,000 nor more than 90,000, according to the Federal Census of 1910, or subsequent.
4. Private Acts of 1935, Chapter 769, authorized Hamilton County to contract with the Federal Public Works Administration for funds in an amount not to exceed \$1,500,000, to be used in the construction and equipping of a general hospital, and to deliver whatever evidences of debt might be required for the acquisition of said funds. Such notes were not to be issued until a voter referendum was held, and all of this was to be done by the "Hamilton County Hospital Commission", which was to be appointed by the county judge.
5. Private Acts of 1935, Chapter 796, also subject to the outcome of a referendum, authorized the county to contract for an amount not to exceed \$105,000 in funds from the Federal Public Works Administration to construct needed improvements in and additions to the Hamilton County Hospital for the Insane at Silverdale in said county, and to deliver and issue any evidences of debt which the federal agency might require, including bonds.
6. Private Acts of 1937, Chapter 314, authorized Hamilton County and the City of Chattanooga to construct and maintain, jointly, a new hospital or to enlarge existing facilities, jointly, under the supervision of a hospital board created by this act. The board was authorized to contract within the limits of funds allotted for this purpose by both of the governments involved.
7. Private Acts of 1955, Chapter 88, would have established the Silverdale board of trustees to manage, control, and supervise, exclusively, the William L. Bork Memorial Hospital at Silverdale. The act divested all authority in these matters from the county council except the appropriation of funds for the facility. This act did not meet with local approval and did not, therefore, become effective law.
8. Private Acts of 1957, Chapter 12, created and established the Silverdale Board of Trustees and the Trustees of Baroness Erlanger Hospital of Chattanooga, Tennessee, vested with exclusive management, supervision and control of the Hamilton County Alms House and Asylum, known as the William L. Bork Memorial Hospital. This act was superseded by Private Acts of 1967-68, Chapter 248.
9. Private Acts of 1965, Chapter 12, amended Private Acts of 1957, Chapter 12, extending the authority of the Board of Trustees to include the operation of a Nursing Home, Rest Home, and/or Home for the Aged. This act was superseded by Private Acts of 1967-68, Chapter 248.
10. Private Acts of 1967-68, Chapter 225, authorized the board of trustees of Baroness Erlanger Hospital to accept, in the joint names of Hamilton County and the City of Chattanooga by proper conveyances thereof, the real estate and properties owned by the Tuberculosis Sanatorium Association of Chattanooga, commonly referred to as "Pine Breeze Sanatorium". This act was also rejected at the local level and did not become law.
11. Private Acts of 1988, Chapter 228, was an act to amend Private Acts of 1976, Chapter 297, as it was amended by Private Acts of 1977, Chapter 125, relative to appointments to the Erlanger Medical Authority Board. However, this act was 'tabled' by the Hamilton County board of commissioners and no action was taken; therefore, it never became effective law.
12. Private Acts of 2013, Chapter 1, would have amended Chapter 297 of Private Acts of 1976 by making numerous changes to include a new Section 23 concerning cessation of operations and revision of the land to the county and city. This act did not meet with local approval and did not,

therefore, become effective law.
