The county clerk shall verify the physical location of any applicant for a business license having a postal service box address. If the county executive is not the chairman of the county commission, then such legislative body may designate the chairman of the county commission to carry out such duties of the county executive during such period. The county executive of Trousdale County shall by letter filed with the county clerk designate the periods of less than twenty-one (21) days that he or she intends to be absent or will be temporarily unable to perform the regular necessary duties of such office, if known in advance, and such chairman pro tempore or chairman, as appropriate, shall perform such duties. Administration - Historical Notes

County Executive

The references below are of acts which once applied to the office of county judge, or county executive in Trousdale County. They are included herein for historical purposes only.

1. Private Acts of 1947, Chapter 462, established the office of County Judge in Trousdale County and abolished the office of Chairman of the County Court of Trousdale County. The County Judge was popularly elected for a term of eight years. The act provided for the County Judge to perform the duties formerly exercised by the Chairman and he was empowered to break tie votes of the Quarterly County Court. This act was superseded by Chapter 934 of the Public Acts of 1978 which created the office of County Executive and abolished the office of County Judge, transferring administrative duties to the County Executive and judicial duties to other courts.
2. Private Acts of 1955, Chapter 104, would have repealed Private Acts of 1947, Chapter 462, which created the office of County Judge effective on September 1, 1958. However, this Act was rejected in a referendum election by the people of Trousdale County and was therefore rendered null and void.
3. Private Acts of 1974, Chapter 255, would have amended Private Acts of 1947, Chapter 462, by increasing the annual salary of the County Judge from \$1,500 to \$6,600, but this Act was not approved by the Quarterly Court and never became effective.
4. Private Acts of 1974, Chapter 368, would have amended Private Acts of 1947, Chapter 462, by transferring effective September 1, 1974, every judicial function, authority and responsibility of the County Judge as a juvenile and probate court to the Judge of the General Sessions Court. The salary of the County Judge would not be diminished by the transfer of his judicial authority. This Act was not approved by the local authorities and never took effect.

County Legislative Body

The following acts once applied to the quarterly court or the county legislative body of Trousdale County and are included herein for historical purposes. Also referenced below are acts which repeal prior law without providing new substantive provisions.

- Private Acts of 1919, Chapter 242, fixed the per diem of the Justices of the Peace in Trousdale County at \$3 per day for each day he attends any regular, or special, session of the Quarterly County Court. The Act also specified that the Justices would be paid all the mileage, ferriage and toll fees as were then provided under the general law.
- Private Acts of 1923, Chapter 596, set the per diem payments to Justices of the Peace in Trousdale County at \$2 per day for each day of attendance at meetings of the Quarterly Court plus such mileage as the Quarterly Court may allow.
- Private Acts of 1929, Chapter 664, stated that after September 30, 1930, the Chairman of the County Court of Trousdale County would be elected by the members of the County Court instead of by the qualified voters of the county. The election would take place at the same time the county general election was held.

- Private Acts of 1931, Chapter 315, declared that in Trousdale County, the Justices of the Peace shall be entitled to receive as compensation for their services the sum of \$4 per day for each day he attends any regular or special session of the Quarterly County Court, plus such mileage, ferriage, and tolls as may be payable under the general law.
- Private Acts of 1943, Chapter 228, stated that hereafter the Quarterly County Court of Trousdale County would meet in regular session on the second Monday in January, April, July and October instead of on the first Monday in the same months.
- Private Acts of 1949, Chapter 732, provided that the Quarterly Court of Trousdale County would meet in regular session on the Wednesday after the first Monday in January, April, July and October instead of on the second Mondays in the same month. This Act was repealed by Private Acts of 1963, Chapter 95.

County Register

The following acts once affected the office of county register in Trousdale County, but are no longer operative.

1. Private Acts of 1917, Chapter 538, provided that women over the age of 21 in Trousdale County would be eligible to serve as Deputy Register with all the responsibilities, duties and privileges of the office.
2. Private Acts of 1935, Chapter 321, amended Private Acts of 1933, Chapter 444, which set the maximums on the supplementary salaries of the Sheriff, the Clerk and Master, and the Circuit Court Clerk of Trousdale County, by adding the County Register to that list and setting the supplemental salary maximum of the Register at \$300 per year, which would be in addition to all the fees of the office.

Purchasing

The following act once affected the purchasing procedures of Trousdale County, but is no longer operative.

1. Private Acts of 1955, Chapter 321, set up a system for purchasing supplies, materials and equipment for Trousdale County. The officer in charge of each office, commission, board or agency would make all purchases in excess of \$100 through competitive bidding. The officer would receive no compensation for his duties as purchasing agent. This Act was rejected by the voters in a local referendum and consequently never took effect.

General Reference

The following private or local acts constitute part of the administrative and political history of Trousdale County but are today no longer operative because they have either been superseded, repealed, or failed to receive local approval.

1. Public Acts of 1870-71, Chapter 50, authorized the counties to impose taxes for county purposes subject to two conditions: (1) That all taxable property shall be taxed according to its value upon the principles established in regard to State taxation, and (2) That the credit of the county shall not be given or loaned to any person, company or association except upon the consent of a majority of the Justices of the Peace and upon approval of three-fourths of the voters in a local election. Trousdale and twenty-five other counties required only the approval of a majority of the voters until 1880.
2. Public Acts of 1897, Chapter 124, fixed the salaries for several of the county officials according to the population of the county in which the official was serving, provided certain requirements for filing a sworn, itemized statement of the fees collected in the office were observed. All fees would become the property of the county, and in no event shall the salary exceed the amount of the fees paid in. This Act was declared unconstitutional by the courts in Weaver v. Davidson County, 104 Tenn. 315, 59 S.W. 1105 (1900).
3. Private Acts of 1937, Chapter 442, gave the authority to the Quarterly County Court of Trousdale County to appropriate up to \$3,000 in funds to pay innocent purchasers of unpaid county warrants, which were purchased at face value, the amount such purchasers may have paid therefor.

In addition thereto, all persons who shall gig fish under the provisions of this Act shall have a valid fishing license issued by the State of Tennessee.

That any person violating the provisions of this Act shall be guilty of a misdemeanor and upon conviction therefor shall be fined not less than twenty-five dollars (\$25.00), nor more than fifty dollars (\$50.00), for the first offense, and upon conviction for more than one offense said person shall be fined the sum of fifty dollars (\$50.00).

SECTION 5. That the provisions of this Act shall become effective from and after its passage, provided the same shall be approved by a majority of the voters voting in a special election to be held for such purpose. Passed: March 12, 1959.

Animals and Fish - Historical Notes

The following is a listing of acts that at one time affected, but no longer appear to have any effect on, hunting, fishing or animal control in Trousdale County. They are included herein for reference purposes. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Public Acts of 1887, Chapter 153, exempted Trousdale County from the provisions of the general fish law of the State of Tennessee. This Act was repealed by Private Acts of 1905, Chapter 263.
2. Private Acts of 1897, Chapter 296, amended Public Acts of 1895, Chapter 127, so as to make it lawful for any resident of Wilson, Cheatham and Trousdale Counties to catch fish for home

3. Public Acts of 1899, Chapter 337, stated that anyone in Sumner, Trousdale and Robertson County, who catches, kills, injures or pursues any quail, partridge, grouse or pheasant for a period of five years after the passage of this Act is guilty of a misdemeanor and may be fined up to \$25, and/or confined in jail for a period of thirty days, or both. Quail and partridges may be lawfully hunted from November 1 until January 1 with a gun but not on the inclosed lands of another person without first obtaining written permission. The nests and the eggs of the above game birds could not be destroyed or molested.
4. Private Acts of 1905, Chapter 263, provided that hereafter fish shall be taken in Trousdale County only by ordinary hook and line, trot line, snatch hooks, double hooks, and by using the hands. Minnows for bait, however, may be caught with a net. Anyone caught taking fish otherwise than by the manner and means specified above would guilty of a misdemeanor and may be subject to fines from \$25 to \$50. The Grand Jury was given inquisitorial powers concerning this Act and the Judge shall charge its contents to the Grand Jury at each term of Court.
5. Private Acts of 1907, Chapter 115, declared it to be unlawful for livestock, such as cattle, horses, mules, hogs, sheep and goats, to be allowed by their owners or custodians to run at large in Trousdale County. The animals could be taken up, fed, and cared for and the cost of these actions added to the lien for damages.
6. Private Acts of 1909, Chapter 502, was applicable to seven counties including Trousdale and defined a lawful fence for those counties. The fence could be made up of four strands of barbed or smooth wire, or a combination of the two, must be fastened to substantial posts no more than 16 feet apart, and eight feet at the corners. The first wire must be 12 inches above the ground, the second 12 inches above the first, the third 12 inches above the second, and the fourth 12 inches above the third, making a fence four feet high. The owners of livestock would be liable for damages done by their animals to lands which are enclosed by the type of fence described above.
7. Private Acts of 1911, Chapter 164, made it unlawful for livestock, such as cattle, horses, mules, hogs, sheep and goats to be allowed by their owners, or custodians, to run at large in Trousdale County, which, if done negligently or deliberately, could subject them to fines from \$2 to \$5. Any damage done by the livestock was declared to be a lien on the trespassing stock and the cost of care and feeding them could be added to the cost of the damages. This Act would in no wise change or modify the responsibility of railroads for killing or damaging stock.
8. Private Acts of 1911, Chapter 417, stated that in Trousdale, Macon and Wilson Counties, resident citizens could fish in any stream in the county by trot line, gigging, bait, net or seine, whose mesh shall not be less than one inch. No license, or fee, to do so shall be paid to the State Department of Fish, Game and Forestry.

12. Private Acts of 1921, Chapter 666, placed a \$1 fee on every male dog, and a \$3 fee on every female dog, in Trousdale County, to be collected by the Trustee, or Tax Assessor. Accurate and proper records will be kept and the Tax Assessor shall turn the money he collects over to the Trustee at least annually. The money shall be kept in a "Rural School Fund." Penalties for non-compliance and the manner for collecting and enforcing them were provided in the Act. Any dog which harms, worries, or kills sheep may be killed under the conditions in the Act. Metal tags for the animals would be issued when payment is made. This Act was repealed by Private Acts of 1923, Chapter 67.
13. Private Acts of 1921, Chapter 815, expressly exempted Trousdale County from the provisions of Public Acts of 1919, Chapter 61, which was a statewide Act generally regulating the ownership and harboring of dogs.
14. Private Acts of 1929, Chapter 451, made it unlawful in Trousdale and Wilson Counties for any person to catch or kill for sale, any kind of fish less than seven inches long. It was not unlawful to

15. Private Acts of 1931, Chapter 134, made it lawful to catch fish in Trousdale County in any stream and by any means and manner except by dynamite and poison. It was also declared lawful to catch or kill any game, skunk, fox, or other fur-bearing animals in open season without the payment for a privilege license to hunt. Squirrels, rabbits, and ground hogs could be lawfully killed at any and all times without a license, and no license would be required for any activities related to these. The open and closed seasons on birds and fur-bearing animals not specifically mentioned in the Act would be as set by the State. This Act was repealed by Private Acts of 1933, Chapter 704.
16. Private Acts of 1931, Chapter 137, amended Private Acts of 1929, Chapter 451, so as to remove Wilson County from its provisions.
17. Private Acts of 1931, Chapter 655, declared it to be lawful in Trousdale County to take and catch fish by any means other than dynamite or poison. It was further made lawful to catch or kill any game, skunk, fox, or fur-bearing animal in open season without a license and none would be essential for hunting game of any kind. Open and closed seasons would conform to those declared by the State of Tennessee for birds and fur-bearing animals not specifically mentioned in the Act.
18. Private Acts of 1931 (2nd Ex. Sess.), Chapter 106, made it lawful for any person to hunt, catch or kill foxes in Trousdale County in any manner from November 15 to the following February 15.
19. Private Acts of 1935, Chapter 322, made it lawful for the citizens of Trousdale County to take, kill or capture fish of all kinds under the regulations of this Act without having to pay a fee or to buy a license, but this provision shall apply only to fishing by means of a hook and line, trot line, bank poles, and when using natural bait only. It was also rendered lawful for citizens and their families in Trousdale County to hunt, chase, fish, and to kill wild animals, wild birds, wild fowl, or fish, on their own lands without having to obtain a license. It was further deemed lawful to hunt fur-bearing animals without a license with the written permission of the landowner.
20. Private Acts of 1935, Chapter 711, stated that M. M. Kirby had actual experience in the practice of veterinary medicine and surgery for more than ten years, was over 21 years of age, of good moral character, and he is therefore authorized to continue the practice of the same in Trousdale County, provided he files with the State Board of Veterinary Examiners proof of the above facts. The Board will issue him a license upon the filing of the proof and he shall pay the normal cost thereof.
21. Private Acts of 1945, Chapter 292, recited that Oscar Carr had actual experience of more than ten years in the practice of veterinary surgery and medicine in Macon County. This Act authorizes Carr to continue the said practice in Trousdale and Macon Counties, as before, if he offers proof to the State Board of Veterinary Examiners and pays the required fees.
22. Private Acts of 1945, Chapter 294, recited that R. W. Stubblefield had practiced veterinary medicine and surgery for a number of years, is over 21 years of age, and of good moral character. This Act was not approved in a referendum election and therefore never became effective.

Chapter III - Bond Issues

Bond Issues - Historical Notes

Bridge

1. Private Acts of 1929, Chapter 738, was the authority for the Quarterly Court of Trousdale County to issue interest bearing warrants at a rate not to exceed 5%, and in an amount not to exceed \$25,000 in any one year, for the purpose of building a bridge over the Cumberland River at Hart's

Ferry, which warrants would become due as the Court might designate. The Court was required to levy a tax to repay the outstanding warrants as they might become due and payable.

Debts

1. Private Acts of 1931, Chapter 264, ratified, confirmed, and validated all the prior proceedings of the Quarterly Court of Trousdale County held in connection with the issuance of \$100,000, in 5% interest bearing funding bonds, which would mature according to the schedule in the Act, and were dated March 1, 1931. Provision for a property tax levy was included.
2. Private Acts of 1949, Chapter 372, stated that all the actions heretofore taken by the Quarterly Court of Trousdale County with reference to the issuance of \$11,000 in Funding Bonds, dated January 1, 1949, at a 3% interest rate, and maturing serially through 1960, are hereby in all respects validated, confirmed, and ratified notwithstanding the lack of any statutory authority for their issuance. The bonds were made the general and incontestable obligations of the county, requiring the court to levy a tax to amortize them as long as they remained unpaid.

Memorial

1. Private Acts of 1945, Chapter 460, authorized the Quarterly Court of Trousdale County to issue negotiable interest bearing coupon bonds up to \$30,000 in order to acquire a site for the construction of a building to be a monument to all Trousdale County service personnel in World War II. The building would be used by some business to provide employment to veterans, but said building would remain under the jurisdiction of the Quarterly Court of Trousdale County. The bonds would mature over a period of up to 30 years, at the interest rate contracted for by the Chairman and County Court Clerk. A mandatory tax levy was required and the bonds were declared to be tax exempt from State, County and Municipal taxes.

Roads

1. Public Acts of 1883, Chapter 189, was the authority for the Quarterly Courts of Macon and Trousdale Counties to issue bonds in \$50, \$100 and \$1,000 sums, at an interest rate not to exceed 6%, with at least ten interest coupons attached, which may be given to parties in payment for work being done on roads. The Quarterly Courts were directed to levy a tax sufficient to pay the principal, plus interest which would be coming due in any one year, for as long as any remained unpaid. This Act would not be effective unless approved in a referendum vote by a majority of those voting.
2. Private Acts of 1913, Chapter 82, stated that, subject to the approval of the same in a referendum, the Quarterly Court of Trousdale County could issue up to \$50,000 in bonds to buy turnpikes and build, construct and improve public roads. The election would take place on the first Saturday in August, 1913, with the ballot marked simply "For" or "Against". If approved, the bonds would bear 4% interest and mature within 25 years. A privilege charge for using the roads under certain conditions was set up in the Act.
3. Private Acts of 1933, Chapter 128, validated, ratified, and approved all the prior actions of the Trousdale County Quarterly Court taken in connection with the issuance of \$31,000 in Highway Funding Bonds, at an interest rate of 5%, payable semi-annually on February 1, and August 1 of each year through February 1, 1948. These bonds were validated in all respects despite the lack of statutory authority. They were declared to be the general and incontestable obligations of the county. Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following act once affected jurors or boards of jury commissioners in Trousdale County, but is no longer operative.

1. Private Acts of 1955, Chapter 109, created a three member Board of Jury Commissioners for Trousdale County who would be elected by the people for two year terms. The necessary qualifications were specified in the Act. Lloyd J. Donly, Jack A. Key and Hubert Winn were named as the first Board until their successors could be elected. The Clerk of the Circuit Court would serve as Clerk of the Board. The Board would select the names of not less than 300 resident citizens who would comprise the jury list. Between 25 and 20 days before the start of the court term the Board would unlock the jury box and the names of the jurors for that term would be drawn from the box. The Jury Commissioners would receive \$50 per annum compensation plus the same per diem and mileage for each day's service. This Act was rejected by the voters of Trousdale County and consequently never became an effective law because of the Home Rule provisions of the State Constitution.

Chancery Court

The following acts form an outline of the development of equity jurisdiction in Trousdale County, although they no longer have the force of law since they have either been superseded by general law, repealed, or failed to receive local ratification.

1. Public Acts of 1870, Chapter 32, divided the State into twelve Chancery Districts assigning to the 6th District the Counties of Wilson, Sumner, Robertson, Montgomery, Stewart, Cheatham and Trousdale, if established.
2. Public Acts of 1870, Chapter 47, established a schedule for the terms of the Chancery Courts for every county in the State. Trousdale County would begin the terms of the Chancery Court on the

third Monday in February and August.

3. Public Acts of 1873, Chapter 12, repealed that part of Public Acts of 1870, Chapter 47, concerning the opening dates of the terms of the Chancery Court for all the counties in the 6th Chancery Division. The terms of the Trousdale Chancery Court would now begin on the first Monday in February and August at Hartsville.
4. Public Acts of 1877, Chapter 47, reset the terms of the Chancery Courts in the 6th Chancery Division shifting Trousdale County to the fourth Monday in January and June at Hartsville.
5. Public Acts of 1879, Chapter 36, rescheduled the terms of the Chancery Courts in the 6th Chancery Division but Trousdale County's Chancery Court would continue to meet on the fourth Monday in January and June.

SECTION 2. Any violations of this Act shall be deemed a misdemeanor and upon conviction shall be punishable by a fine of not less than fifty dollars (\$50.00) nor more than five hundred dollars (\$500.00) or imprisonment in the

county jail or both in the discretion of the Court.

Such election shall be held at the regular August election and each term shall begin on September 1 after said election. Persons seeking the office of County Superintendent of Roads must comply with the procedure and have the necessary qualifications for the office of chief administrative officer as established in the County Uniform Highway Law in Tennessee Code Annotated, Section 54-7-104, prior to their name being placed on the ballot for such office. The County Superintendent of Roads shall devote his full time to the duties of his office and shall receive compensation as provided in the County Uniform Highway Law. The adoption of this act shall not operate to alter the term of the current Superintendent of Roads, Charles Beasley, who was elected in August 1980 to serve a four (4) year term.

SECTION 4. The Board of Highway Commissioners, hereinafter referred to as the Board, shall have general supervision of the expenditure of all road funds, whether said funds be collected from a direct tax levy by the County Legislative Body or whether they be received from the state or federal government or from whatever source received. Said Board shall have supervision over the location, relocation, construction, reconstruction, repair and maintenance of the county road system, including bridges. The Board shall classify the roads and highways in the county road system and shall designate which roads, highways and bridges shall be worked by the county highway department. The Board may adopt any procedures necessary for classifying the roads in the county, endeavoring at all times to apportion the work and improve as equally as possible all roads according to their importance and/or condition.

SECTION 5. The Board shall superintend the letting of all contracts for construction and repair of all roads, bridges, culverts, ferries and other matters pertaining to said roads and highways and for the purchasing of supplies, materials and equipment for use on or in connection with the same. All such contracts and purchases shall be made in full compliance with the County Uniform Highway law and the provisions of T.C.A., Section 54-7-113. No contract shall be entered into except at a regular meeting of the Board with at least two (2) members present and agreeing thereto, which assent shall be entered upon the Minute Book and signed by at least two (2) members before same shall become operative or binding. Provided, however, that in case of emergency, the County Superintendent of Roads may make such emergency purchases as necessary in accordance with the emergency purchase provisions of the County Uniform Highway Law in T.C.A., Section 54-7-113(c)(1)(C). A full report of such emergency purchases shall be made at the next meeting of the Board, otherwise the Superintendent shall be personally responsible for said purchases and not the County.

SECTION 6. It shall be the duty of the Board of Highway Commissioners to meet at least every thirty (30) days at the office of the Superintendent of Roads. The County Executive shall be the Chairman of the Board of Highway Commissioners. Two (2) members of the Board shall constitute a quorum for the transaction of business. A minute record of all transactions of the Board shall be kept in the office of the Superintendent of Roads.

SECTION 7. The Superintendent of Roads shall have all duties, responsibilities and authorities prescribed, in the County Uniform Highway Law, for the chief administrative officer under that law. The Superintendent of Roads shall execute a bond in accordance with and in the amount required by the County Uniform Highway Law in T.C.A., Section 54-7-108, for the faithful performance of his duties, prior to entering upon the duties of the office.

SECTION 8. The Superintendent shall make and keep on file at his office and in the office of the County Clerk a map or maps showing the location of all roads in the county which will be worked by the county highway department. Such maps shall be updated from time to time as necessary but at least annually.

The Superintendent shall keep himself informed as to the needs and conditions of all roads and shall have immediate charge of the work, repair, construction, maintenance and altering, and changing, of such roads, and shall have immediate charge of all the highway supplies, equipment and personnel of the county highway department. He shall make all contracts regarding such roads and the material, machinery, and supplies, subject to the approval of the Board, and shall be liable on his official bond for the faithful performance on the part of any contractor with whom he deals with respect to such matters and for his protection he is hereby authorized to require bond or bonds from said contractors. He shall be the active agent

through whom the Board exercises the powers and duties conferred upon it. He shall sign all warrants for the payment of the road and highway funds, and all warrants and orders for the county's pro rata share of

the gasoline tax (county aid fund), which when countersigned by the County Executive, shall be paid by the County Trustee. Provided, however, in cases of absence, sickness or refusal on the part of the County Executive to countersign warrants and orders on the gasoline tax fund (county aid fund) when approved by the Board as herein provided, the Board by a vote of two (2) members of said Board may designate one of its members to countersign said warrants or orders against the road funds in his hands, notifying the County Executive of such action on their part.

The Superintendent shall make and keep, and file with the County Executive monthly, an itemized statement showing a true account of all funds spent and the purposes for which each warrant was issued, showing to whom all the money went. He shall make and submit quarterly to the County Legislative Body, a report showing the expenditures of all funds of the county highway department.

SECTION 9. At the time the County Legislative Body shall levy taxes for other purposes, it shall levy a road tax for the purpose of building public roads and bridges and repairing and maintaining same, which tax shall not be more than seventy-five cents (75¢) upon the One Hundred Dollars (\$100.00) worth of taxable property. Said road tax shall be assessed and collected in the same manner as any other property taxes and held by the Trustee subject to the order of the Board; provided, that it shall not be compulsory upon the taxable property of the County unless it appears that the funds being received as the County's share of the gasoline tax (county aid fund) is not sufficient to maintain and build the roads in a satisfactory manner, in which event it shall be the duty of said County Legislative Body to levy a County road tax as hereinabove provided.

SECTION 10. That it shall be unlawful for the Board or Superintendent to expend or to issue any warrants on the Trustee for road purposes or any orders on the gasoline tax fund (county aid fund) unless the funds shall at that time be already in the hands of the Trustee or a County tax levy shall have been made in sufficient amount to cover the same; provided, however, that said Board shall have the right to anticipate as much as one month of the County's pro rata share of the gasoline tax (county aid fund) due from the State; and provided further; that nothing herein shall prevent the Board from entering into a contract authorizing the expenditure of more money than is then on hand with the Trustee or for which a tax levy has not been made, provided that said funds can reasonably be expected to be available at the time said expenditure will be due according to the terms of said contract. Any member of the Board violating this section, or casting a vote known at the time to be in violation of this section shall be guilty of a fraudulent Breach of Trust and shall be punished in accordance with the law providing for the punishment of said offense.

SECTION 11. The Superintendent of Roads and the Board of Highway Commissioners shall not authorize or knowingly permit county road equipment, materials, supplies or labor to be used for any private use or for the use or benefit of any individual for private purposes. Failure to see that this provision is enforced is a misdemeanor, punishable, upon conviction, by a fine of not less than five dollars (\$5.00) nor more than fifty dollars (\$50.00) or confinement in the county jail for a period of not less than ten (10) days nor more than thirty (30) days or both in the discretion of the court. Any employee of the county road department who shall use any truck or other road equipment, rock, crushed stone or other road material for his personal use, or sell or give away the same shall be immediately discharged. No truck or other road equipment or any road material shall be used to work private roads or for private purposes of owners thereof. Any person whose property is improved by having road material placed thereon in violation of this Act or the County Uniform Highway Law shall be liable to suit for the value of such improvements.

SECTION 12. That public roads may be opened, or changed at any time by the Board upon its own motion or upon application of any citizen of the County and section affected. All applications to open, close or to change roads shall be made by written petition addressed to the Board, stating its purpose and giving the general directions and description of the road involved, and the facts showing the necessity for the road or change proposed, which petition shall be considered by the Board within ten (10) days after it is filed, and it shall be a misdemeanor in office for said Board to fail or refuse to act on said petition within ten (10) days after it is filed, and the members thereof shall be subject to removal from office for such failure of action on such petition. But the Board, in its discretion, may either grant or refuse the road or change petitioned. In case the petition is allowed and a road is to be opened or changed, the parties whose lands are to be affected or touched by the proposed road shall be served with a five (5) days written notice if they are residents of the State, and if non-residents of the State said notice shall be served on their agents or attorneys, and if no resident agent or attorney, then said notice shall be mailed to the parties last known address at least fifteen (15) days before action is taken and also published in some newspaper in the County at least fifteen (15) days before action is taken. Said notice shall state when and where the Board will be present to take action in the premises, and at said time and place, said Board shall be present and hear any matter the interested parties may present and act in the premises. The Board shall lay out the proposed road or change, and summon three (3) freeholders, who, after first being duly sworn, shall constitute a jury of view, and who shall proceed to condemn such land

as may be necessary and assess the damages therefor. In assessing damages, the jury of view shall take into consideration the increase in value, if any, which the improvement on the road will make in the lands affected, and shall assess the damages in accordance with the tax valuation of the lands affected. The record of all of which shall be filed in the office of the Superintendent. Either the Board or any of the interested parties may appeal from said assessment or action of the jury of view to the Circuit Court and from the Circuit Court to other appellate Courts in the usual way. Where parties appeal, bonds for cost and damages or pauper's oath shall be required. The jury of view shall each receive twenty-five dollars (\$25.00) per day for their services. The damages and such costs as may be properly taxed against the County shall be paid by the Trustee on the order of the Superintendent, properly countersigned by the County Executive.

SECTION 13. That the Grand Jury shall have inquisitorial powers over all offenses committed under this Act, and this Act shall be given especially in charge to the Grand Jury by the Circuit and Criminal Judges.

SECTION 14. The Trousdale County Board of Highway Commissioners, Superintendent of Roads and the county highway department are subject to the provisions of the County Uniform Highway Law found in Tennessee Code Annotated, Sections 54-7-101 et seq. and to the provisions of this Act. Any conflicts in this Act with the County Uniform Highway Law shall be resolved in favor of the County Uniform Highway Law.

SECTION 15. All Act (sic) or parts of Acts in conflict with this Act are hereby repealed. The provisions of this Act are hereby declared severable. If any of its sections, provisions, exceptions, sentences, clauses, phrases or parts be held unconstitutional, unconstitutional in application or void, the remainder of this Act shall continue in full force and effect, it being the legislative intent that this Act would have been passed even if such unconstitutional or void matter had not been included herein.

SECTION 16. This Act shall have no effect unless it shall be approved by two-thirds (2/3) majority of the County Legislative Body of Trousdale County. Its approval or nonapproval by that body shall be certified by the presiding officer to the Secretary of State.

SECTION 17. For the purpose of approving or rejecting the provisions of this Act, it shall become effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon adoption as provided in Section 16.

Passed: March 10, 1983.

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Trousdale County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1909, Chapter 386, created a five member Board of Public Road Commissioners in Trousdale County who would be chosen for two year terms by the County Court which would also fill all vacancies. No State, County, or City official was eligible to serve on the Board. They would organize by selecting a Chairman and Secretary from their membership. The Board would receive such compensation as fixed by the County Court. The Board would manage and control the roads and bridges in the county exercising such powers as were expressed in the Act and necessarily implied, which included the employment of a civil engineer or surveyor to assist them. The Board would assign road hands to work areas, including the prisoners in the county workhouse. The County Court would levy a special road tax of five to twenty-five cents per \$100 property valuation, and fix the number of days to be worked between five and fifteen for all males between the ages of 21 and 65. The Board may select as many Road Overseers as necessary who would be paid \$1.25 a day. The rate of pay for commutation was 75 cents for labor and \$2.50 for a wagon and team. The Board would handle in a proper manner all requests to open, close, or change roads.
2. Private Acts of 1911, Chapter 439, was a road law for both Trousdale and Macon counties. A five member Board of Public Road Commissioners was created whose members would be elected by the Quarterly Court to two year terms. No State, County or City official could serve on the Board, nor could any member have any personal interest in any contract or transaction. The members would be compensated as the Quarterly Court directed. The Board would be in charge of all roads, bridges, road hands, and county prisoners, could employ a civil engineer or surveyor to aid them, and must make such records, maps, plats, and street guides as necessary to classify and index all the public roads. The Quarterly Court must levy a special road tax from ten to thirty cents per \$100 property valuation. All males between ages of 21 and 50 must work the number of days between four and six decided by the Court or commute at the rate of 75 cents for labor and \$2.50

- per wagon and team. The Commissioners could appoint as many Overseers as needed to be in immediate charge of the sections of road who would be paid \$1 per day. The Board would have the power to open, close, or change roads.
3. Private Acts of 1919, Chapter 208, was a Road Law applicable only to Trousdale County and was substantially a repetition of prior laws creating the five member Board of Public Road Commissioners insofar as their powers and duties were concerned. The limits on the special road tax to be levied by the Quarterly Court was from 15 to 40 cents per \$100 property valuation, and the Act made males from 21 to 50 subject to road duty of between five and ten days per year. Two dollars was allowed for a day's labor and \$5 for the use of a double team, wagon, and driver. Provisions for opening, closing, or changing roads were essentially the same as in previous Acts.
 4. Private Acts of 1921, Chapter 113, created a three member Board of Public Road Commissioners who would be elected by the Quarterly Court to two year terms. The powers of the Board were similar to those granted in previous Acts. The special road tax levy was to be fixed between 20 cents and 50 cents, and the number of days for road work between five and ten, as set by the Court. Road overseers would be paid \$1.50 a day. A road hand could commute by paying \$1 for each day not worked, and those with teams and wagons had to pay \$3 to commute for one day. This Act was repealed by Private Acts of 1935, Chapter 27.
 5. Private Acts of 1921, Chapter 594, amended Private Acts of 1921, Chapter 113, by reducing the minimum amount of the road tax specified in that Act from twenty cents to five cents. This Act was repealed by Private Acts of 1935, Chapter 27.
 6. Private Acts of 1921, Chapter 801, recited in the preamble that certain counties have purchased from private enterprise turnpikes and ferries at a great cost to the taxpayers, which turnpikes are now falling into a state of disrepair because of a lack of funds to be spent for that purpose, but they need to be kept up, therefore, this Act allows the Quarterly Courts of the counties to reopen the toll gates on the turnpikes to produce revenue as they may direct, charging such tolls as they may deem proper, and to designate the Road Commissioners as Turnpike Commissioners to supervise the roads. All funds derived from the reopening of the toll gates shall be used exclusively to repair the said roads. When other funds became available, these roads would become free public roads. This Act was repealed by Private Acts of 1935, Chapter 27.
 7. Private Acts of 1925, Chapter 600, provided that in Trousdale County one Road Commissioner shall be elected by the people for a two year term, the first election to be at the regular August election in 1926, the term of office to being immediately after the election. The duties of the member would be as prescribed by law, and his compensation would be \$3.50 per day for each day actually worked.
 8. Private Acts of 1927, Chapter 498, provided for a County Road Commissioner who would be elected at the regular August election in 1928 for a term of four years, taking office on September 1, following. The salary would be \$100 a month with the Commissioner furnishing his own transportation, but, if his work carries him out of the county, the county would pay his expenses. He would control and manage all the roads, bridges, workhouse and jail, road hands and laborers on the county roads. He may employ a civil engineer or surveyor to assist him. The Commissioner would supervise all materials, machinery and tools, assign the same to areas where needed, conduct the annual settlements with overseers, and keep sufficient records of all receipts and disbursements. The special road tax limitations were fixed at 20 to 50 cents per \$100, and the days to be worked would be fixed by the Court between five and ten. Overseers would be paid \$2 a day. Road hands could commute at the rate of \$1.50 per day. The County Road Commissioner would handle applications to open, close or change roads. This Act was repealed by Private Acts of 1935, Chapter 27.
 9. Private Acts of 1931, Chapter 106, provided for a County Road Commissioner in Trousdale County who would be elected for a four year term at the regular August election in 1932, and take office on the first Monday in September following. The Road Commissioner would receive a salary of \$150 per month but must furnish his own transportation. He could use gas and oil from the county tanks while performing his duties. The Commissioner would have control and management of roads, bridges, the workhouse and jail, and the laborers on the roads. He could employ a civil engineer or surveyor to assist in laying out roads, making maps, plats, and surveys, and assist in other ways as the best interests of the county might dictate for which he would fix the compensation. He may erect a suitable building for a garage or warehouse. The special road tax levied by the County Court would run from 20 to 75 cents per \$100, and the males subject to road work in the county must work from six to twelve days as the Court should decide. If the tax did not produce sufficient revenue, additional taxes could be levied. Commutation fees were set at \$5 per year for laborers. This Act was repealed by Private Acts of 1935, Chapter 27.

10. Private Acts of 1931, Chapter 109, amended Private Acts of 1927, Chapter 498, by increasing the salary of the County Road Commissioner from \$100 to \$150 per month. This Act was repealed by Private Acts of 1935, Chapter 27.
11. Private Acts of 1935, Chapter 31, established a three member Board of Highway Commissioners composed of the Chairman of the County Court, the County Superintendent of Roads, and one resident citizen who would be appointed by the Quarterly Court to a two year term. The Act named Jack B. Carey to serve on the Board as the citizen member until the first Monday in January, 1937. Compensation, except for the Superintendent of Roads, would be \$3 per day up to \$100 a year. The Superintendent of Roads, whose salary was set at \$100 per month, would be elected by popular vote for four year terms, and must furnish his own transportation for which he would be given gasoline and oil. Walter J. Beasley would serve as Road Superintendent until his successor was elected. The Commissioners, who would be in charge and control of all the aspects of the county road system, the road funds, the materials and supplies, the machinery and equipment, and all the personnel, were required to meet at least once every thirty days. Purchases of over \$500 had to be done through solicitation of bids. The special road tax could not exceed 75 cents per \$100. Males between the ages of 21 and 50, must labor on the roads the number of days between six and twelve which was fixed by the Quarterly Court, or pay \$1 for each day missed. Overseers must work six days but would be paid \$2 for every day over that. Applications to open, close or change roads would be made to the Commission.
12. Private Acts of 1935, Chapter 525, amended Private Acts of 1935, Chapter 31, by rewriting the section concerning the office of County Superintendent of Roads. This new section appointed Walter J. Beasley as the first County Superintendent of Roads who would hold office until the regular August election of 1938.
13. Private Acts of 1935 (Ex. Sess.), Chapter 92, was a virtual duplicate of Private Acts of 1935, Chapter 525, except for the addition of an additional qualification for the office of County Superintendent of Roads. This qualification would render ineligible any person who had served as County Road Commissioner for as long as four years in the eight year period preceding the August, 1936 election. This provision of the Act was declared unconstitutional in the case of *Beasley v. Cunningham*, 171 Tenn. 334, 103 S.W.2d 18 (1937), because it unreasonably deprived the defendant of a constitutional privilege.
14. Private Acts of 1943, Chapter 217, amended Private Acts of 1935 (Ex. Sess.), Chapter 92, by removing the restriction of serving only two consecutive terms from the County Superintendent of Roads. The people of Trousdale County were also specifically given the right to elect whomsoever they chose to the office of County Superintendent of Roads.
15. Private Acts of 1945, Chapter 64, amended Private Acts of 1935 (Ex. Sess.), Chapter 92, by increasing the monthly salary of the County Superintendent of Roads from \$100 to \$150 per month, and by removing the requisite that purchases over \$500 must be advertised and bids taken under the procedures established in that Act.
16. Private Acts of 1949, Chapter 95, amended Private Acts of 1945, Chapter 64, by raising the monthly salary of the County Superintendent of Roads from \$150 to \$200.
17. Private Acts of 1953, Chapter 575, was a road law for Sequatchie County but which used population figures from the 1950 Federal Census which would also make the law applicable to Trousdale County. The Act provided for a full time Road Supervisor to be popularly elected to a term of two years.
18. Private Acts of 1955, Chapter 359, would have given Trousdale County a new Road Law, repealing Private Acts of 1935 (Ex. Sess.), Chapter 92, but this Act was not approved in a referendum election and never became effective. This Act created the office of Superintendent of Roads who would be the executive head of the Department of Roads at a \$3,000 annual salary. He would have general and immediate supervision over all the facets of the road program in Trousdale County. He would be elected to a four year term by popular vote beginning in 1956.
19. Private Acts of 1957, Chapter 233, amended Private Acts of 1935 (Ex. Sess.), Chapter 92, by adding a new Section to that Act which provided for the Superintendent of Roads to be reimbursed for all necessary and legitimate expenses incurred by him in the execution of the duties of his office but not to exceed \$100 per month. The amount of his approved expenses would be added to the warrant paying him his salary each month, after he had filed a sworn, itemized statement of the same, which would be approved by the County Judge. This Act was repealed by Private Acts of 1972, Chapter 217.
20. Private Acts of 1957, Chapter 234, recited in its preamble that Private Acts of 1935 (Ex. Sess.), Chapter 92, as amended, was enacted to provide a county road system for Trousdale County, and

that Private Acts of 1953, Chapter 575, was intended to provide a county road system for Sequatchie County but had unintentionally included Trousdale County within its provisions, therefore this Act declared Private Acts of 1935 (Ex. Sess.), Chapter 92, as amended, to be in full force and effect in Trousdale County.

21. Private Acts of 1967-68, Chapter 380, amended Private Acts of 1935 (Ex. Sess.), Chapter 92, to increase the monthly salary of the County Superintendent of Roads from \$200 to \$350.

Law Enforcement - Historical Notes

Jails and Prisoners

The following act once affected jails and prisoners in Trousdale County, but is no longer operative.

1. Private Acts of 1943, Chapter 254, authorized the Quarterly Court of Trousdale County to compensate the county jailer in an amount at their discretion, but not to exceed \$1 per day per prisoner.

Offenses

Some counties in Tennessee have made various activities illegal within their boundaries by the enactment of private legislation. The acts briefly summarized below fell into this category in Trousdale County.

1. Private Acts of 1907, Chapter 359, made it unlawful after the passage of this Act to erect or construct a building, the principal material of which is wood or similar combustible material, within two hundred feet of the Courthouse in Trousdale County. Those guilty of violating this Act could be fined from \$100 to \$500 plus costs, and, in addition, shall also pay the cost of the removal of the building.
2. Private Acts of 1911, Chapter 346, declared it to be unlawful to erect or construct a building, the principal material of which is wood or a similar combustible material, within two hundred feet of the Courthouse in Trousdale County. Those guilty of the same could be made to remove the building and pay a fine from \$100 to \$500 plus costs of the suit. If the owner refused to remove the structure offending, others could do so and the owner could be compelled to defray the expenses thereof.

Sheriff

The following acts have no current effect but are included here for reference purposes since they once applied to the Trousdale County Sheriff's Office. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Private Acts of 1915, Chapter 353, stated that the Sheriff of Trousdale County would receive an annual salary of \$750, payable semi-annually, provided he files a sworn, itemized statement with the County Judge, or Chairman, showing the total amount of fees collected and all income from every source with the exception of all fees for boarding prisoners and turnkeys. The Sheriff was prohibited from donating his fees to anyone. If the fees failed to equal the amount of the salary,

the county would pay the difference.

2. Private Acts of 1921, Chapter 927, declared that the Sheriff would be paid \$1,200 annually in Trousdale County, payable quarterly, on the warrant of the County Judge, or Chairman, provided that the Sheriff file a sworn, itemized statement quarterly with the County Judge, or Chairman, showing the amount of fees collected and the source of all the income of the office except those fees for boarding prisoners and turnkeys, and those allowed for court officers. It was unlawful for the Sheriff, or his deputies, to donate their fees to anyone.
3. Private Acts of 1923, Chapter 597, set the ex-officio or supplementary salaries of the Sheriff, the Circuit Court Clerk, and the Clerk and Master of the Chancery Court. The Sheriff would receive the sum of \$800 annually, payable quarterly, in addition to all the fees of the office. This Act was repealed by Private Acts of 1933, Chapter 447.
4. Private Acts of 1933, Chapter 444, permitted the Quarterly Court of Trousdale County in their discretion to supplement the ex-officio salaries of the Sheriff, but he would not be allowed more than \$800 per annum.
5. Private Acts of 1945, Chapter 65, authorized the Quarterly Court of Trousdale County to set the salary of the Sheriff of the county in an amount which would not be greater than \$100 per month.

Taxation - Historical Notes

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the Trousdale County Assessor. Also referenced below are acts which repeal prior law without providing new substantive provisions.

Private Acts of 1921, Chapter 885, Page 2707, stated that in Trousdale County, the Tax Assessor would be paid \$500 a year, payable semi-annually on the first day of January and July out of the regular funds in the county treasury. This Act was repealed by Private Acts of 1923, Chapter 598, Page 2226.

Taxation

The following is a listing of acts pertaining to taxation in Trousdale County which are no longer effective. Also referenced below is an act which repeals prior law without providing new substantive provisions.

1. Public Acts of 1870-71, Chapter 50, Page 58, stated that counties and cities may levy taxes for county and municipal purposes if the following requisites were observed, (1) that all property be taxed according to its value upon the principles established for State taxation, and (2) that the credit of no county or city be loaned to any person, firm, or corporation, unless it is first agreed to by a majority of the Quarterly County Court and then to a referendum vote of the people wherein it must be approved by a three-fourths majority. Several counties, including Trousdale County, exempted themselves for the next ten years from the requirement of the threefourths approval by the people stating that a simple majority approval would be sufficient.
2. Private Acts of 1963, Chapter 137, providing for a litigation tax in all civil and criminal actions in general sessions, circuit and chancery court with the proceeds being divided between the county general fund and the "Courthouse and Jail Maintenance Repair Fund" was repealed by Private Acts of 1990, Chapter 144.
