Private Acts of 1986 Chapter 143

SECTION 1. In Hardin County, no conveyance divesting and vesting title to real estate shall be registered in the office of the County Register until such conveyance shall have been first submitted to the County Tax Assessor for his information as provided in this Act.

To facilitate the maintenance of records at the Office of Assessor of Property of the value of properties in Hardin County, such instruments shall be submitted to the Tax Assessor of Hardin County together with an affidavit of the value of the property or interest conveyed, or the consideration therefor, whichever is greater. Such amount shall then be entered upon the records of the Tax Assessor of Hardin County. Any person swearing falsely as to the consideration for said conveyance shall be guilty of perjury.

Upon the conveyance being submitted to the Tax Assessor, that official shall enter upon the permanent records of his office a description sufficient to enable the land to be identified, the consideration paid therefor, and shall note such change of ownership upon the permanent records of his office. The Tax Assessor shall endorse upon said conveyance that the instrument has been submitted to him.

Nothing herein shall be construed as requiring the submission of mortgages of deeds of trust to the County Tax Assessor.

After such conveyance has been submitted to the County Tax Assessor pursuant to the preceding provisions, it shall then be eligible for registration in the Office of the County Register of Hardin County. Port Authority

Private Acts of 1957 Chapter 4

SECTION 1. That in order to facilitate transportation in Hardin County, Tennessee, and to promote the navigation on the Tennessee River, which traverses Hardin County, and to facilitate the movement and transfer of people, goods and merchandise, to, from, at and through the county of Hardin, and to fully utilize the natural resources of said county, so that the same may be shipped and transported, and to provide for internal improvement in the development of the resources in Hardin County and the State of Tennessee, and to promote the happiness and prosperity of the citizens, there is hereby established in Hardin County, Tennessee, a Port Authority, to be known as "The Port Authority of Hardin County, Tennessee," hereinafter designated as "The Port Authority", for the purpose of acquiring, constructing, operating and maintaining port and harbor facilities, ports, docks, wharves, piers, loading and unloading machinery, equipment and facilities, harbor and river front improvement, storage and transfer facilities, elevators, terminal and terminal facilities, navigation facilities, railroads, truck and track scales, switch yards, concentration yards, roads and bridges, trucks and bus lines, airports and aircraft landing facilities, communication facilities related or incidental to such port and other facilities, or one or more or a combination of the same, and to provide that the same shall be under the jurisdiction, control and management of said Port Authority, to be constructed and conducted as hereinafter provided.

SECTION 2. That the development, maintenance and operation of such facilities are hereby declared to be essentially public and governmental functions. The powers herein granted, in connection therewith, are declared to be public and corporate purposes and matters of public necessity.

SECTION 3. That the Port Authority shall consist of The Port Authority Commissioners, and such subordinate officers and employees as may be selected by said Port Authority Commissioners, as hereinafter provided.

As amended by:

Private Acts of 1999, Chapter 47

SECTION 4. That the said Port Authority Commissioners shall have power, and they are hereby authorized:

- (a) To acquire, construct, purchase, operate, maintain, replace, rebuild, extend and improve, within the limits of the County of Hardin and State of Tennessee, or on the Tennessee River in any other state or partly within any other state, the port and other facilities described in Section I hereof and any and all related facilities, equipment and appurtenances, necessary or convenient to the improvement of the access of Hardin County, Tennessee, to all channels of commerce, and to make such facilities available to any person, firm, public or private corporation, to any other shipper, consignee or carrier, and to charge for their use and for any and all services performed by the Authority.
- (b) To accept donations to the Authority of cash, lands, or other property to be used in the furtherance of the purposes of this Act.
- (c) To accept grants, loans or other financial assistance from and federal, state, county or municipal agency, or in aid of the acquisition or improvement of any of the facilities herein provided for.
- (d) To purchase, rent, lease or otherwise acquire any and all kinds of property, real, personal or mixed, tangible or intangible, and whether or not subject to mortgages, liens, charges or other encumbrances, for the said County of Hardin, which, in the judgment of The Port Authority Commissioners, is necessary or convenient to carry out the powers herein granted.
- (e) To make contracts and execute instruments containing such covenants, terms and conditions, as, in the judgment of said Commissioners, may be necessary, proper and advisable for the purpose of obtaining grants, loans or other financial assistance from any federal or state agency, for or in aid of the acquisition or improvement of the facilities herein provided for; to make all other contracts and execute all other instruments including, without limitations, licenses, long or short term leases, mortgages and deeds of trust, and other agreements relating to property and facilities under its jurisdiction, and the construction, operation, maintenance, repair and improvement thereof, as in the judgment of said Board of Commissioners may be necessary, proper or advisable for the furtherance of the purposes of this Act, and the full exercise of the powers herein granted; and to carry out and perform the covenants, terms and conditions of all such contracts or instruments.
- (f) To establish schedules of tolls, fees, rates, charges and rentals for the use of the facilities under its

jurisdiction, and for services which it may render.

(g) To enter upon any lands, waters and premises for the purpose of making surveys, soundings and examination in connection with the acquisition, improvement, operation or maintenance of any of the facilities herein provided for.

(h) To promulgate and enforce such rules and regulations as the said Board of Commissioners may deem proper, for the orderly administration of The Port Authority, and the efficient operation of its facilities.

(i) To do all acts and things necessary, or deemed necessary or convenient to carry out the powers expressly given in this Act.

SECTION 5. That except as otherwise expressly provided in this Act, The Port Authority Commissioners shall have full and exclusive control of and responsibility for the administration of facilities constructed or acquired pursuant to this Act; provided, however, that said Authority may lease or license lands or facilities under its jurisdiction, for operation by private persons or corporations, as provided in Section 4(e) of this Act.

SECTION 6. That The Port Authority is hereby authorized and empowered to condemn on behalf of and in the name of Hardin County, Tennessee, any land, easements or rights of way, that, in the opinion of the Board of Commissioners, are necessary or convenient to carry out the purposes of this Act. Title to property so condemned shall be taken in the name of the County of Hardin, and the property shall thereafter be entrusted to said Authority, as the agent of the County of Hardin, to accomplish the purposes of this Act. Such condemnation proceedings shall be pursuant to and in accordance with Sections 23-1401 through 23-1525, inclusive, of Tennessee Code Annotated, or as the same may be hereafter amended, or other eminent domain laws of the State of Tennessee, that may be hereafter enacted; provided, however, that where title to any property sought to be condemned, is defective, it shall be passed by the judgment or decree of the court; provided, further, that where condemnation proceedings become necessary, the court in which any such proceedings are filed, shall, upon application by The Port Authority, and upon posting of a bond with the Clerk of the Court, in such amount as the court may deem commensurate with the value of the property, order that a writ of possession shall issue immediately, or as soon and upon such terms as the court, in its discretion, may deem proper and just.

SECTION 7. That bonds issued pursuant to this Act, and income therefrom, shall be exempt from all state, county and municipal taxation, except inheritance, transfer and estate taxes. So long as title to land or rights therein acquired, or facilities constructed or acquired pursuant to this Act, remains in the County of Hardin, such property, and the income therefrom, shall be exempt from all state, county and municipal taxation, provided, however, that such exemption shall not extend to the leasehold or other interest in such property which may be held by any private person.

SECTION 8. That neither the County of Hardin, The Port Authority nor the Board of Commissioners, shall be required to obtain any certificate of convenience or necessity, franchise, license, permit or other authorization from any bureau, board, commission or other like political subdivision thereof, in order to acquire, construct, purchase, operate or maintain any of the facilities authorized by this Act.

SECTION 9. That neither the Tennessee Public Service Commission, nor any other board or commission of like character, hereafter created, shall have jurisdiction over The Port Authority, with respect to the management and control of the facilities authorized by this Act, including the establishment of rates, fees and charges or otherwise.

SECTION 10. Effective July 1, 1999, the members of the Board of Directors of the Savannah Industrial Development Corporation shall also become members of the Board of Commissioners of the Port Authority of Hardin County, Tennessee; provided, however, that incumbent members of the Board of Commissioners of the Port Authority shall remain as additional members of said Board of Commissioners until the expiration of their term of office or until their office is vacated. Upon the expiration of the terms of all members of the Port Authority's Board of Commissioners or the vacation of office of all such members, the members of the Board of Directors of the Savannah Industrial Development Corporation shall henceforth constitute the Board of Commissioners of the Port Authority of Hardin County, Tennessee

As amended by: Private Acts of 1999, Chapter 47

Before entering upon their duties, all Commissioners shall take and subscribe to an oath of office, as provided by the constitution and law for county officers, and the same shall be filed with the County Court Clerk.

A majority of the Commissioners shall constitute a quorum and the Commissioners shall act by vote of a majority present at any meeting attended by a quorum, and vacancies among the Commissioners shall not affect their power and authority, so long as a quorum remains. Within thirty days after this Act becomes effective, the Commissioners shall hold a meeting to elect a Chairman. The Commissioners shall hold regular meetings at least once every ninety days, and at such regular time and place as the

Commissioners may, by resolution, determine, and may hold such additional meetings, either regular or special, as may be determined by the Board of Commissioners.

Special meetings may be called and held upon such notice and in such manner as the Board of Commissioners may, by resolution, determine. Save as otherwise expressly provided, the Board of Commissioners shall establish their own rules of procedure.

The Commissioners shall designate a secretary and a treasurer, or the same individual as secretary and treasurer, and such secretary and/or treasurer, may or may not be a Commissioner or Commissioners. The secretary shall attend all regular and special meetings and keep minutes thereof. The minutes of said meetings shall be available for inspection by the public at the office of the Authority, at all reasonable times.

The Board of Commissioners, by resolution, shall require the Treasurer or Secretary-Treasurer, if he is one and the same person, to execute a bond with approved corporate surety, for the faithful performance of his duties and the accounting of all monies and revenues that may come to his hands, as such, in such penalty as the Board shall specify, by resolution. Said bond shall be filed with the County Court Clerk and registered in the Register's Office, as required of county officers.

The Board of Commissioners, by resolution, may require all other subordinate officers, or employees, to execute such fidelity bond for the faithful performance of their duties and the accounting of funds that may come to their hands, in such an amount, with such conditions and such sureties, as the Board of Commissioners may determine.

All members of the Board of Commissioners shall serve as such without compensation, but they shall be allowed necessary traveling and other expenses while engaged in the business of the Authority, as may be provided and approved by the Board, payable from the funds of the Authority, or such funds as may be appropriated by the Quarterly County Court of Hardin County, Tennessee. The members of the Board shall be paid such amount for attendance at board meetings as may be fixed by resolution of the Quarterly County Court of Hardin County, Tennessee.

SECTION 11. That the Port Authority Commissioners shall be removable only for good cause, and after preferment of charges, as provided by law for county officers.

SECTION 12. That The Port Authority Commissioners shall be authorized to employ and fix the compensation of such architects, attorneys, engineers, superintendents, consultants, professional advisors and other subordinate officers and employees, as may be necessary for the efficient management and operation of the Port Authority, and the operation of the facilities provided for in this Act, and who shall continue in the employment of the Authority, at the will and pleasure of the Board of Commissioners.

SECTION 13. That The County of Hardin shall have power and authority to issue and sell its bonds to finance the acquisition, construction, improvement and/or expansion of the facilities herein authorized, and to refund bonds previously issued, or refinance indebtedness previously incurred for such purposes. The County of Hardin may, in all respects, provide for the rights of the holders of all bonds, including the manner in which future bonds may be issued on a parity with such bonds.

The bonds may be issued in one or more series, may bear such date or dates, may mature at such time or times, not exceeding forty years from their respective dates, may be in such denomination or denominations, may be in such form either coupon or registered, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment, at such place or places, may be sold or hypothecated in such blocks, may be subject to such terms of redemption with or without premium, may be declared or become due after the maturity date thereof, and may be in such amount as may be provided by resolution or resolutions of the Quarterly County Court of Hardin County, Tennessee. Such bonds may be issued for money or property, at public or private sale, for such price or prices and at such rate or rates of interest, and may be hypothecated in such manner as said Quarterly County Court may determine, but the interest cost to maturity of the bonds, when issued for property (at the value determined by said Quarterly County Court, which determination shall be conclusive), or the money received for any issue of said bonds, shall not exceed the maximum rate fixed by law, payable semiannually. Such bonds shall have all the qualities and incidents of negotiability.

Pending the preparation of the definitive bonds, interim receipts or certificates in such form, and with such provisions, as the Quarterly County Court may determine, in the resolution authorizing said bonds, may be issued to the purchaser or purchasers of bonds sold pursuant to this Act. Said bonds and interim receipts or certificates, shall be fully negotiable.

In case any of the officers, whose signatures or counter-signatures, appear on such bonds shall cease to be such officers before the delivery of the bonds, such signatures and counter-signatures shall nevertheless be valid and sufficient for all purposes, the same as though such officers had remained in office until the bonds had been delivered. Such bonds may be issued, notwithstanding and without regard

to any limit or restriction on the amount or percentage of indebtedness, or of outstanding obligations of the County of Hardin, contained in any other statute, general or special, and notwithstanding and without regard to the requirements of any other general or special statute, including requirements as to elections for the approval of such bonds.

In the case of bonds payable solely out of the revenues of The Port Authority, it shall be the duty of the Quarterly County Court of Hardin County, Tennessee, to provide, by resolution, for the issuance of such bonds, as requested by The Port Authority Commissioners.

Prior to a vote by the Quarterly County Court of Hardin County, authorizing the issuance of bonds to be financed wholly or in part through tax levies by the Quarterly County Court, The Port Authority Commissioners shall prepare and submit to the Quarterly County Court a recommendation that bonds in a stated amount be issued hereunder, supported by a report on the need for, and projected use of the facilities for the financing of which such bond issue is proposed, including a review of alternate solutions, if any, and a justification of the solution proposed.

Bonds may be issued as direct and general obligations of the County of Hardin, payable out of its general income and revenue, or at the election and subject to the determination of The Port Authority Commissioners, may be made payable only out of the revenues from the facilities of The Port Authority. In case the bonds are issued as general obligations of the County, it shall be the duty of the Quarterly County Court of said County of Hardin to levy a tax each year, over and above the taxes levied for general county purposes, to pay the interest and principal of said bonds, as they mature; provided, however, that in case the revenues derived from the operation of the facilities herein provided for, are sufficient to pay the interest and principal of said bonds, or a part thereof, as they may severally mature, then a special levy for the full payment of said interest and principal shall not be required, but the Quarterly County Court shall each year levy an amount of tax, which, when added to the amount of revenue derived from the operation of said facilities, then on hand and available for that purpose will be sufficient to pay the interest and principal maturing prior to the collection of the next succeeding tax levy. Said bonds shall be sold at public or private sale, and in such manner as may be determined by resolution of the Quarterly County Court, authorizing their issuance. Said bonds shall contain a recital that they are issued pursuant to and in accordance with this Act, and such recital shall be conclusive evidence of their legality.

SECTION 14. That in order to secure the payment of any of the bonds issued pursuant to this Act, the interest thereon, or in connection with such bonds, the Quarterly County Court of Hardin County, Tennessee, shall have power, as to such bonds, to the extent not inconsistent with the mandatory provisions of this Act:

- (a) To pledge the full faith and credit and unlimited taxing power of the County of Hardin to the punctual payment of the principal of and interest of such bonds.
- (b) To pledge all or any part of the revenue derived from the operation of the facilities herein authorized.
- (c) To provide for the term, form, registration, exchange, execution and authentication of such bonds.
- (d) To provide for the replacement of lost, destroyed or mutilated bonds.
- (e) To covenant as to the use and disposition of the proceeds from the sale of such bonds.
- (f) To covenant as to the rates and charges for the use of facilities of The Port Authority, and for its services.
- (g) To redeem such bonds, and to covenant for their redemption and to provide the terms and conditions thereof.
- (h) To covenant and prescribe as to what happenings or occurrences shall constitute "events of default," and the terms and conditions upon which any or all of such bonds shall become or may be declared due, before maturity, and as to the terms and conditions upon which such declaration and its consequences may be waived.
- (i) To covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenant, condition or obligation.
- (j) To vest in a Trustee or Trustees, the rights to receive all or any part of the income and revenues pledged and assigned to or for the benefit of the holder or holders of bonds issued hereunder and to hold, apply and dispose of the same, and the right to enforce any covenant made to secure or pay, or in relation to the bonds; to execute and deliver a trust agreement or trust agreements, which may set forth the powers and duties, and the remedies available, to such trustee or trustees, and limiting the liability thereof, and describing what occurrences shall constitute "events of default," and prescribing the terms and conditions upon which such trustee or trustees, or the holder or holders of bonds of any specified amount or percentage of such bonds, may exercise such rights and enforce any and all such covenants

and resort to such remedies as may be appropriate.

(k) To make covenants other than and in addition to the covenants herein authorized, of like or different character, necessary or advisable to effectuate the purpose of this Act.

(l) To execute all instruments necessary or convenient in the exercise of the powers herein granted, or in the performance of its covenants or duties.

SECTION 15. That any holder or holders of bonds, including trustee or trustees for holders of such bonds, shall have the right, in addition to all other rights:

(a) By mandamus or other suit, action or proceeding in any court of competent jurisdiction, to enforce his or their rights against the County of Hardin, the Quarterly County Court, The Port Authority, The Port Authority Commissioners, or any other proper officer, agent or employee of any of them, including but without limitation, the right to require the County, the Quarterly County Court, The Port Authority, The Port Authority Commissioners and any proper officer, agent or employee of any of them, to assess, levy and collect taxes, and to fix and collect rates and charges adequate to carry out any agreement as to, or pledge of taxes or Authority revenues, and to require the County of Hardin, the Quarterly County Court, The Port Authority, The Port Authority Commissioners, and any officer, agent or employee of them, to carry out any other covenants and agreements, and to perform its and their duties under this Act.

(b) By action or suit in equity to enjoin any acts or things, which may be unlawful or in violation of the rights of such holders of bonds.

SECTION 16. That the Quarterly County Court of Hardin County, Tennessee, shall have power, by resolution, to confer upon any holder or holders of a specified amount or percentage of bonds, including a trustee or trustees for such holders, the rights, in the event of an "event of default", as defined in such resolution or as may be defined in any agreement with the holder or holders of such bonds, or the trustee or trustees thereof:

(a) By suit, action or proceedings in any court of competent jurisdiction, to obtain the appointment of a receiver of the Authority's facilities, or any part or parts thereof. If such receiver be appointed, he may enter and take possession of such facilities or part or parts thereof, and operate and maintain the same, and collect and receive all revenues thereafter arising therefrom, in the same manner as the Authority itself might do, and shall deposit such monies in a separate account or accounts, and apply the same in accordance with the obligations of the County of Hardin, issued under this Act, as the court may direct.

(b) By suit, action or proceedings in any court of competent jurisdiction, to require the Quarterly County Court of Hardin County, Tennessee, or The Port Authority Commissioners, to act as if they were the trustees of an express trust.

Any such resolution shall constitute a contract between the County of Hardin, and the holders of bonds of such issue.

SECTION 17. That all expenses actually incurred by The Port Authority Commissioners in the making of surveys, estimates of cost and of revenue, employment of engineers, attorneys or other employees, the giving of notices, taking of options, selling of bonds, and all other preliminary expenses of whatever nature, which said Commissioners deem necessary in connection with or precedent to the acquisition or improvement of any of the facilities herein provided for, and which they deem necessary to be paid prior to the issuance and delivery of the bonds issued pursuant to the provisions of this Act, may be met and paid out of the general funds of the County of Hardin, not otherwise appropriated or from any other fund available, as may be provided by the Quarterly County Court.

All such payments from the general or other funds shall be considered as temporary, non-interest bearing loans, and shall be repaid immediately upon sale and delivery of the bonds, and claim for such repayment shall have priority over all other claims against the proceeds derived from the sale of such bonds.

SECTION 18. That the Quarterly County Court of Hardin County, Tennessee, is authorized to appropriate to The Port Authority from the general funds of Hardin County, Tennessee, or such other funds as may be unappropriated, to pay the expenses of The Port Authority Board of Commissioners, or expenses or operation of any of the facilities authority by this Act, and said Quarterly County Court is authorized and empowered to levy a tax, in addition to all other taxes, upon all taxable property within the county, sufficient to pay the appropriation made by it to The Port Authority.

SECTION 19. That all monies derived from the issuance of bonds hereunder, together with any federal or other grant or loan made, for the purposes of this Act, shall be paid to the Treasurer of The Port Authority. The Treasurer shall deposit such monies, together with all the receipts from the Authority operations, in a separate bank account or accounts, separate from all other county funds, and shall keep adequate record of all such receipts and their sources. The Treasurer shall pay out such monies only on vouchers signed by such Authority officials as The Port Authority Commissioners shall, by resolution,

designate to sign such vouchers. No such vouchers for the payment of any such monies shall be issued except upon the resolution or order of the said Commissioners, a certified copy of which shall be filed in the office of the Treasurer.

SECTION 20. That the revenues derived from the operation of the port, storage and transfer facilities, and any and all other facilities herein authorized, shall be applied and used as follows:

- (1) The payment of all operating expenses of The Port Authority.
- (2) The payment of the interest on bonds issued pursuant to the provisions of this Act, and the principal of said bonds, as they severally mature, and/or payments into the sinking fund reserves for this purpose.
- (3) The establishment of necessary reserves for contingencies, depreciation, maintenance, replacement of said port, storage, transfer facilities and any and all other facilities, or other purposes, as may be required under any bond indenture or as The Port Authority Commissioners may deem necessary or desirable.
- (4) Any revenue remaining after all the above items have been provided for, shall be held and used for the further development of and for additions to the Authority facilities, and for the acquisition or construction of new facilities, which may become necessary or desirable to further the purposes of this Act. None of such revenue shall go to the general funds of the County of Hardin, except as may be directed by The Port Authority Commissioners.

SECTION 21. That except as otherwise herein expressly provided, all contracts of The Port Authority shall be entered into and executed in such manner as may be prescribed by the Board of Commissioners, but no contract or acquisition by purchase, of equipment, apparatus, materials or supplies, involving more than \$500.00, or for construction, installation, repair or improvement of the property or facilities, under the jurisdiction of the Board of Commissioners, involving more than \$1,000.00 shall be made except after said contract has been advertised for bids, provided that advertisement shall not be required when:

- (1) An emergency requires immediate deliver of the supplies or performance of the service; or,
- (2) Repair, parts, accessories, supplemental equipment or services are required for supplies, or services previously furnished or contracted for, in which case such purchase of supplies or procurement of services shall be made in the open market in the manner common among business men.

Provided, further, That in comparing bids and in making awards, the Commissioners may consider such features as quality and adaptability of supplies or services, the bidders' financial responsibility, skill, experience, record of integrity in dealing, ability to furnish repairs and maintenance service, the time of delivery, or performance offered, and whether the bidder has complied with specifications.

Provided, further, That in the employment of architects, engineers and attorneys, or other professional advisors for personal service, no advertisement or bids shall be required, but the Board of Commissioners may employ or select such architects, engineers, attorneys or professional consultants and advisors, as in the judgment of the Commissioners best meet the qualifications for rendering such services.

Provided, further, That after advertisement for bids, as provided in this section, if no acceptable bid is received, the Port Authority Commissioners may reject any and all bids, or the Board of Commissioners may negotiate with contractors or suppliers, to secure the construction of facilities, or the purchase of equipment, apparatus, materials or supplies at the best possible price, or the Board of Commissioners may construct such facilities, by "Force Account Construction", that is, the Board of Commissioners may employ the necessary engineers, supervisors and other personnel, purchase necessary materials, equipment and supplies, to construct such facilities authorized by this Act, with its own employees.

SECTION 22. That The Port Authority may use any property, right of way, easement or other similar property right necessary or convenient in connection with the acquisition, improvement, operation or maintenance of the facilities herein authorized, held by the State of Tennessee, any county or municipality in the State of Tennessee, provided such municipality shall consent to such use.

SECTION 23. That the Quarterly County Court of Hardin County, Tennessee, with the approval of The Port Authority Commissioners, may dispose of all or substantially all of the land and real property acquired under the provisions of this Act, upon a vote for such disposal, of a majority of all the members of the Quarterly County Court. Any such vote shall be taken at a meeting duly and regularly called for the purpose of considering the question of the disposition of such property.

The Port Authority Commissioners may dispose of personal property of said Authority, when, in the judgment of said Board of Commissioners, it is advantageous to or necessary, for the efficient operation of said Authority, to dispose of the same, or when said personal property is being replaced by new or more efficient property of like character, or when said personal property is no longer necessary for the operation of the Authority.

SECTION 24. That the powers, authority and rights conferred by this Act shall be in addition and

The tax would not exceed fifteen cents per \$100 property valuation, and ten cents on each poll.

County Buildings

1. Private Acts of 1945, Chapter 19, ratified and validated all the proceedings of the Quarterly County Court of Hardin County in connection with the issuance of bonds in the aggregate amount of \$70,000. The act was not presented to the Hardin County Court for ratification and did not become effective.

Debts

1. Public Acts of 1866-67, Chapter 41, Section 5, authorized the County Court of Hawkins County to issue coupon bonds upon approval by a two-thirds vote of the Court in the amount of the indebtedness of the County. 2. Private Acts of 1931, Chapter 248, authorized Hardin County to execute short-term notes in an amount not to exceed \$40,000 and secure the pay back of such notes by assigning to the holder of the notes the obligation owing Hardin County by Caldwell and Company of Nashville. Private Acts of 1937, Chapter 132, validated all prior actions had by the Quarterly County Court of Hardin County in connection with the issuance of \$45,000 worth of Funding Bonds, dated January 1, 1937. \$5,000 in bonds would mature in 1938, and \$4,000 worth of bonds would mature annually for the next ten years, all bearing four and one-half percent interest. Circuit Court Clerk

The following acts have no current effect, but once applied to the Hardin County Circuit Court Clerk. They were repealed, superseded, or never received local approval.

1. Acts of 1903, Chapter 255, set the Hardin County Circuit Court Clerk's salary at \$750 a year. The Clerk was required to file a sworn, itemized statement in January of each year with the County Judge or Chairman, showing all the fees collected by his office. If the fees failed to equal the salary, the County would pay the difference, but if they exceeded the salary, the Clerk could retain the excess as his own.
2. Acts of 1907, Chapter 475, set the salary of the Circuit Court Clerk of Hardin County at \$1,000 per year. An itemized, sworn statement was to be filed in January of each year with the County Judge or Chairman, showing the total amount of fees collected by the office. If the fees were less

than the salary, the County would make up the difference, but if they exceeded the salary, the Clerk could retain the excess.

3. Private Acts of 1919, Chapter 149, amended Private Acts of 1907, Chapter 475, above, by requiring that the sworn, itemized statement of the fees collected by the Clerk would be filed in January, April, July and October, instead of annually.
4. Private Acts of 1923, Chapter 258, amended Acts of 1907, Chapter 475, above, by increasing the salary of the Circuit Court Clerk from \$1,000 to \$1,200 annually. Acts of 1907, Chapter 475, and Private Acts of 1923, Chapter 258, were declared unconstitutional in Harbert v. Mabry, 166 Tenn. 290, 61 S.W.2d 652 (1933).
5. Private Acts of 1939, Chapter 308, set the salary of the Circuit Court Clerk of Hardin County at \$900 per year and payable at \$75 per month, provided the Clerk would first receive the fees of his office, and should they not equal the salary, the County will supply the difference.

Education/Schools - Historical Notes

Board of Education

The following acts once affected the board of education in Hardin County but are no longer operative.

1. Acts of 1907, Chapter 236, created a Board of Education and an Advisory Board for every county in the State, abolishing all District Directors of Education. Each county court would divide the county into a minimum of five school districts, to be composed of whole civil districts. One member of the Board of Education would be elected, from each district. The duties of the Chairman of the Board, the Secretary, and the members of the Board are defined. The compensation of the members of the Board would be set by the county court between \$1.50 and \$3.00 per day, not to exceed thirty days per year. An Advisory Board of three members would be elected from each school district every two years. Its duties were to assist the Board as set forth in the act. This act did not apply to city schools and several counties other than Hardin County were exempted from its application.
2. Acts of 1909, Chapter 302, was an amendment to the general school law concerning Boards of Education and applied to Giles, DeKalb, Rutherford, Hickman, Benton, Decatur, Coffee, Hardin, McNairy, and Bedford Counties. The duties of the Chairman of the Board, the Secretary, and the members of the Board were set forth in the act. For example, each member of the board was required to make an accurate report of the status of the schools in his district to the County Superintendent of Public Instruction before August 1st of each year to be written on the forms furnished by the school system. The members were responsible for determining the scholastic population in July of each year.
3. Private Acts of 1915, Chapter 430, required each member of the Board of Education in Hardin County to appoint in their respective districts a special Advisory whose term of office would be concurrent with that of the Board member. The Advisory would devote special attention to the school building in the district and attend to needed repairs and ascertain the feelings of the people concerning the teachers and other personnel. The Advisory would receive no compensation. A vacancy in the office would be filled by an appointment. Women with five years teaching experience were eligible to serve as Advisors. Nothing in the act was to be construed as diminishing the powers of the Board of Education.
4. Private Acts of 1921, Chapter 738, amended Acts of 1909, Chapter 302, above, by providing that each member of the Board of Education shall take the scholastic population of his respective District on the blank forms furnished by the State Superintendent of Public Instruction. Board members would be paid \$2.50 per day for their attendance at Board meetings and \$1.50 per day while visiting schools.
5. Private Acts of 1923, Chapter 709, created a Board of Education with ten members, one from each of the ten civil districts, and one from any civil district created in the future, who would be elected at the general election on the first Thursday in August, 1924. A Referendum to be held on September 8, 1923, was to determine whether the act would become effective.
6. Private Acts of 1925, Chapter 785, abolished the County Board of Education of Hardin County and created a seven member Board of School Commissioners to be elected from the county at large for four-year terms. The Commissioners were required to be over twenty-one years old, of good moral character, residents and qualified voters of the county, able to read and write, and no more than four Commissioners could belong to the same political party. The Board would have supervision and control of all the schools, both elementary and secondary, and all others which were supported by public taxation. They would perform all the duties of the old Board of Education. The members would elect a chairman from their own number and the Superintendent of Public Instruction would act as ex officio Secretary, keeping all Board records. The Board members would be paid \$3.00 per day for each day in attendance, payable out of the County general funds. The act named A. L. Hughes, A. M. Patterson, W. W. Roberts, Bernice Nance, J. B. Franks, H. C. Smith, and J. E. Oldham as members of the first Board.

6. Acts of 1851-52, Chapter 140, amended Acts of 1847-48, Chapter 154, above, so that there would be five Trustees elected to manage the affairs of the female branch of Savannah Academy, all of whom would be elected in the same manner, for the same length of time, and who would have the right to exercise the same rights and privileges, as all other duly constituted Trustees.

The County Court would authorize a person to survey the land, divide it into the most attractive lots possible, and return a plat to County Court. The act described the area included in the district but also stated that the district included the following inhabitants: Jim Coffman, Watt Hardin, Will Symms, Arthur Porter, Ben Beckham, Jeff Walker, Dock King, the Mitchells, Wash Hamilton, Riley Hamilton, Matt Davis, Jim Davis, Lee Hardin, Bill Brasier, Lige Brasier, Elisha Brasier, Lum Clifton, John Simpson, Lum Robertson, Arthur Porter, Lum Bell, Leonard Bell, and Henry Bell.
12. Acts of 1909, Chapter 236, was a compulsory school attendance law for Blount and Hardin Counties. All children between eight and sixteen years of age were required to attend the public

schools for 80 days, or 16 weeks, or as long as the school term lasted. Days would be four hours or longer, and no child could be excused except by the Superintendent. One could attend a private, or parochial school, or be taught by a competent person at home and meet the requirements of the act. Arrangements were included for a child to obtain working papers if he helped support his family. Those who were poverty stricken could obtain aid from the Commissioners of the Poor who could arrange support for the family or the child in school. The Board of Education could furnish free text books. Temporary absences could be excused by a teacher or principal, who were required to keep sufficient records of attendance. Any person or business hiring a child not excused from school could be prosecuted and fined. The Sheriff, the Deputies, and the Constables of the County were charged with the enforcement of the act.

13. Private Acts of 1911, Chapter 671, was a school attendance law for Hardin County, which directed that each child in the County between the ages of 8 and 16 years be sent to school at least 75 days, or for as long as school was in session unless they were excused by the Board of Education. Children legally could be sent to private, parochial, or to other schools having the educational qualifications. Illness of the child or hardship was acceptable as an excuse for failure to attend. The Commissioners of the Poor could provide for a child of extreme poverty to attend school, pay his family, and buy his clothes and books. Teachers or the principal could excuse temporary absences.
14. Public Acts of 1925, Chapter 115, Section 33, was part of the act which is codified as Title 49 of the Tennessee Code Annotated. This section abolished all special school districts which were not taxing districts, and those which were taxing districts were allowed to hold referenda on the question of their abolition. When all the debts of the school district were paid, the district would join the county system, if desired.
15. Private Acts of 1925, Chapter 783, created a special school district in the area of the northeast corner of McNairy County, and the southeast corner of Chester County along the western border of Hardin County because it was not possible for the three counties to maintain separate school districts there. Some 150 children of school age resided in the area. Each county would contribute \$900 toward the cost of erecting a school building to be located as near to the center of the area as possible, and would contribute to the continuing expenses of the school in proportion to the average daily attendance of pupils from each county. The operation and maintenance of the district would be the responsibility of the Boards of Education of each County acting jointly.
16. Private Acts of 1929, Chapter 862, authorized the Commissioners of the Town of Savannah to transfer to Hardin County the building located in Savannah and known as the City Elementary School Building. The transfer would be first submitted to the voters for approval. The building would be used by the County for school purposes.
17. Private Acts of 1933, Chapter 131, amended Public Acts of 1925, Chapter 115, above, by exempting Hardin County from the application of the general act, which required the establishment and maintenance of at least one county high school in every county of the state offering at least one full four year course of study approved by the State Board of Education.

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Hardin County, but which are no longer operative.

1. Acts of 1837-38, Chapter 251, appointed Richmond Baker, Austin Miller, William Ramsey, David Fentress, and R. P. Neely, of Hardeman County; William S. Wisdom, W. B. Terry, Martin Cross, Thomas Bell, and J. P. Young, of McNairy County; Christopher H. McGinnis, James Irwin, David

- Robinson, Richard Davie, and Samuel Perkins, of Hardin County, as Commissioners to open books and subscribe stock in an amount up to \$100,000 to build a turnpike road from the bank of the Tennessee River opposite Savannah to Purdy and onto Bolivar, the road to be constructed under the same rules, restrictions, and standards, as applied to other turnpikes.
2. Acts of 1847-48, Chapter 44, created and incorporated the Indian Creek Turnpike Company naming J. J. Gibson, John Kervin, Martin Cook, A. Montague, George F. Benton, John Hardin, J. L. Smith, John S. Broyles, and Thompson Hurst as Commissioners to take subscriptions on \$75,000 in stock at \$50 a share. The corporation was to build a macadamized turnpike road from Waynesboro to Savannah in the direction of and along the route of the existing main road. The road was required to be built to meet certain specifications set forth in the act, including the specification that it be eighteen feet wide.
 3. Acts of 1901, Chapter 136, was a statewide road law for all counties in Tennessee under 70,000 in population. The County Court in each county would select a Road Commissioner at its January meeting from each of the Road Districts in the county. Road Districts were to be coextensive with civil districts in the county. The duties of the Road Commissioners were enumerated in the act. The Commissioners would name the overseers for each road section in their Districts who would be in immediate charge of the matters affecting that road. Male residents of the county between twenty-one and forty-five years of age were required to work on the roads for as many days as was established by the County Court or pay such commutation charge as may be determined by the Court, none to be less than seventy-five cents per day. A special tax of two cents per \$100 worth of taxable property was authorized to be levied in order to carry out the purposes and intentions of the legislation. Some general specifications for roads were established and provisions made for the hearing and disposition of petitions to open, close, or change roads. Road work would be contracted under the supervision of a committee composed of the County Judge and four citizens of the county. Commissioners would be paid at the same rate as Justices of the Peace for each day actually devoted to their duties. The constitutionality of this act was upheld in the courts in the case of Carroll v. Griffith, 117 Tenn. 500, 97 S.W. 66 (1906).
 4. Acts of 1905, Chapter 478, amended Acts of 1901, Chapter 136, above, in several minor details but most importantly in the method of handling the petitions filed with the commission to open, close, or change roads in the county.
 5. Acts of 1909, Chapter 268, was a comprehensive road law for Hardin County. The County Court would elect one Road Commissioner from each road district. The road districts were to be coextensive with the County civil districts. Each Commissioner would have the general supervision over all the roads, bridges, and overseers in his district. He would be sworn, bonded, and would serve a two year term. He could purchase tools and some other supplies and would be paid up to \$50 per year for his services. The County Court would also determine the number of days from five to eight, which the resident male citizens of the County, between twenty-one and forty-five years old in the county would work on the roads. Credit would be given if a team and wagon were furnished. A special road tax ranging from four to ten cents per \$100 of property valuation could be levied by the Court. Commissioners would appoint road overseers in their districts who would be responsible for all the tools in use in their districts. Road specifications were set forth and the roads were to be classified. Provisions were incorporated to open, close, or change a road and for working prisoners on the roads under certain conditions.
 6. Private Acts of 1923, Chapter 465, provided that the Governor would appoint a suitable person to be Highway Commissioner for a term of two years in Hardin County. The Highway Commissioner would have supervision and control of repairing and constructing the roads in the county on which the automobile tax was to be expended. He would sign all checks, drafts, and vouchers expending automobile tax funds and report to the State Highway Commissioner by December 31 of every year on certain details of receiving and disbursing funds. No provision of the act was intended to interfere with the then current operation of the Hardin County Road Department. The Commissioner would receive \$400 per year as salary, payable quarterly.
 7. Private Acts of 1925, Chapter 138, amended Private Acts of 1923, Chapter 465, above, by reciting that the above act created the position of Highway Commissioner in Hardin County at a salary of \$100 quarterly but did not mention the source from which the funds would come to pay the salary, and that the commissioner who had been appointed under the terms of the act had not been paid. The act directed the Comptroller of the State Treasury to pay the Commissioner \$100 per quarter out of that portion of the Automobile Tax Fund belonging to Hardin County and to pay the same retroactively to April, 1923.
 8. Private Acts of 1929, Chapter 113, as amended by Chapter 512 of the Private Acts of 1931, Chapters 115 and 325 of the Private Acts of 1939, Chapter 114 of the Private Acts of 1953,

Chapter 168 (sic) of the Private Acts of 1961, Chapter 346 of the Private Acts of 1972, as amended by Chapter 114 of the Private Acts of 1953 abolished the office of District Road Commissioner and created the office of the Hardin County Highway Commissioner and the Board of Supervisors. The County Highway Commissioner was to be elected every 2 years by popular vote and receive a salary of no less than \$1,800 a year and no more than \$2,400. The Commissioner was designated as the official agent and representative of the County when dealing with the State Highway Department; the Commissioner was given the authority of eminent domain; the Commissioner was given supervision and control over all public roads and bridges that did not belong to the State; the commissioner required to report to the Quarterly County Commission; and the Commissioner was authorized to perform road work or contract out the road work. The Act also provided for a Board of Supervisors elected every 2 years and comprised of five (5) members, one (1) elected from each of the 5 districts. Together the Board of Supervisors and Highway Commissioner were responsible for purchasing highway related materials, making payments for contracts, and required to not spend funds that were not available. This Act was repealed by Private Acts of 1997, Chapter 62.

9. Private Acts of 1953, Chapter 114, amended Private Acts of 1929, Chapter 113, providing for the Highway Commissioner to receive \$3,600 per year, payable in installments of \$300 per month. It further provided for the Highway Commissioner's secretary to receive \$100.00 per month. All purchased by the Highway Commissioner required the County Judge to draw up a warranty to make payments. The Act stated that if the Highway Commissioner did not make a required detailed report of the quarterly expenditures to the Quarterly County Court, it was grounds for ouster. All purchases over \$500 had to be competitively bid and the Highway Commissioner had to put up a \$25,000 bond. Regarding the Highway Board, the Board was composed of 4 members, one from each district, who would be elected by the entire county, but they were required to reside in the district they represented. The Highway Board members were elected for 4 years, while the Highway Commissioner was only elected for 2 years. The Act was repealed by Private Acts of 1997, Chapter 62.
10. Private Acts of 1961, Chapter 138, amended Private Acts of 1929, Chapter 113, providing that the Highway Commissioner shall be elected every 4 years, beginning with the election in August 1962. This Act was repealed by Private Acts of 1997, Chapter 62.

The following acts once affected jails and prisoners in Hardin County, but are no longer operative.

Acts of 1907, Chapter 497, repealed parts of Public Acts of 1891, Chapter 123, which was the general law in regard to county workhouses, as it applied to Hardin County. The Act provided that the chairman of the County Court, the Clerk of the County Court, and the Clerk of the Circuit Court would constitute a Commission to be called the Board of Workhouse Commissioners.

Acts of 1909, Chapter 501, amended Acts of 1907, Chapter 497, above, by providing for the compensation of the secretary of the Board of Workhouse Commissioners as the County Court would deem proper.

Militia

Those acts once affecting Hardin County, which related to the militia and to other law enforcement agencies other than the sheriff, are mentioned below in chronological order.

1. Public Acts of 1825, Chapter 69, declared that all free men and indentured servants between the ages of eighteen and forty-five years would constitute the State Militia. Some persons were exempted, including judges, ministers of the gospel, grist mill keepers, public ferry men, and mail carriers. The time for muster for Hardin County's 65th Regiment was on the second Saturday in October of each year. Many changes were made by the act in the military system of a technical or organizational nature.
2. Public Acts of 1835-36, Chapter 21, was a reorganization of the whole state militia law and units. Hardin County's Regiments were numbered as the 105th and 106th. A company would be composed of a Captain, one First Lieutenant, one Second Lieutenant, one Ensign, three Sergeants, three corporals, and no less than forty-five privates. The 105th and 106th Regiments formed part of the 17th Brigade which was in the 3rd Division. The State had four Divisions.
3. Acts of 1837-38, Chapter 157, scheduled county drills and musters for every county militia unit in Tennessee. Hardin County would convene and drill its units on the second Friday and Saturday in September. Hardin, Hickman, Wayne, and Lawrence Counties' units would compose the Seventeenth Brigade.
4. Acts of 1839-40, Chapter 56, limited membership in the militia of the State to white, male, inhabitants between the ages of eighteen and forty-five, with some exceptions specified. The Organizational Table did not make any changes in the regiments of Hardin County and scheduled muster on the third Friday and Saturday in October for the 105th and 106th Regiments.

Private Acts of 1825, Chapter 136, stated that the Sheriffs of Humphreys, Perry, and Hardin Counties, the Rangers, and other public officials, who have been required to advertise the notice of execution sales on property and estrays in newspapers published elsewhere, were required to publish the notices in the newspaper at Jackson, Tennessee.
3. Private Acts of 1919, Chapter 561, provided that the Sheriff of Hardin County, in addition to all the legal fees of his office, would be paid \$300 for ex officio services rendered. This amount would be paid quarterly out of the regular county funds and would be in the place and stead of all other ex officio payments or special appropriations.
4. Private Acts of 1923, Chapter 429, stated that the Sheriff of Hardin County would receive \$1,500 as an annual salary, payable quarterly, provided he filed a sworn, itemized statement each quarter with the County Judge or Chairman, showing the amount of all the fees collected in his office from all sources. If the fees were less than the salary, the County would pay him the difference. The Sheriff was not required to account for the fees he received for the destruction of illicit distilleries or for any jailor or turnkey fees.
5. Private Acts of 1925, Chapter 546, declared that the Sheriff of Hardin County would receive \$1,200 per year as salary, payable quarterly on the first day of January, April, July, and October, from the county treasury on the warrant of the County Judge. He would receive, in addition, all
