Education/Schools - Historical Notes

Board of Education

The following acts once affected the board of education in Putnam County but are no longer operative.

1. Acts of 1907, Chapter 236, abolished all the District Directors of the Schools and established a County Board of Education, and a District Board of Advisors, for each county in the State. The Quarterly Court must divide the County into five, or less, school districts, composed of whole civil districts, from each of which one member of the Board of Education would be elected by the people. The Superintendent of Schools was to be the ex-officio Secretary of the Board. The duties of the Chairman, the Secretary, and the other members of the Board were generally specified in the Act. Certain reports were required from each of the above named officials to be filed with the Superintendent. A three member Board of Advisors would be elected in each Civil District for two year terms to discharge the duties specified and imposed by this Act. Putnam County exempted themselves from this Act along with eight other counties.
2. Private Acts of 1911, Chapter 355, amended Acts of 1907, Chapter 236, by removing Putnam County from the list of exempted counties.
3. Private Acts of 1911, Chapter 564, amended Acts of 1907, Chapter 236, by removing several counties from the list of exempted counties. Putnam County was included.
4. Private Acts of 1919, Chapter 644, abolished the County High School Board, the County Board of Education, and the District Advisory Boards as of September 1, 1920, and placed the operations of the elementary and high schools in Putnam County under the County Board of Public Education established under this Act. The new Board would be made up of six members elected by the County Court and the Superintendent who would be an ex-officio member and secretary. The members of the County High School Board were to continue in office after September 1, 1920 until their terms have expired. Some of the duties of the Board and the Secretary were specified in the Act. The Superintendent was charged with the responsibility to issue warrants for the Board and keep records. The Board would meet regularly on the first Saturday in January, April, July, and October, and at such other times as the Chairman, or Superintendent decided. A District School Commissioner would be elected in each civil district to serve a two year term. Five specific duties were outlined in the Act for District Commissioners to perform.
5. Private Acts of 1921, Chapter 390, amended Private Acts of 1919, Chapter 644, by adding to the duties of the members of the Board of Education. They included the obligation to visit the schools in their Districts to see that they were run properly, that the attendance did not fall below the number fixed in the teacher's contract, and to make monthly reports to the County Superintendent on the condition and status of the school. He would be paid \$2 for each report but the report must include all the schools in the District. If the reports were not submitted properly and on time, the office could be declared vacant.
6. Private Acts of 1943, Chapter 144, stated that in the event the Chairman of the Board of Education of Putnam County entered the armed services of the United States, the County Judge would serve as the Chairman in the absence of the regular chairman and would be clothed with all the powers and would perform all the duties of that office during that time but the County Judge would not be compelled to execute a new bond.
7. Private Acts of 1979, Chapter 127, amended the Private Acts of 1963, Chapter 14, relative to the compensation of the board of education.

School Districts

The private acts listed below are no longer in effect in Putnam County.

1. Acts of 1891, Chapter 216, created a school district in Putnam County and Smith County which consisted of the farms of Phillip Apples, C. F. Burton, R. G. Apple, James McKinley, Robert McKinley, B. F. Brinley, and John Watts, all of Putnam County, and the farms of Wirt Apple, A. P. Apple, Dr. F. M. Amonnett, J. C. Fletcher, James Fletcher, and W. C. Apple, all of Smith County. This school district would have and enjoy the benefits conferred upon all other school districts. A board of three Directors would be elected from that part of each county comprising the school district. This Act was repealed by Acts of 1899, Chapter 329.
2. Acts of 1903, Chapter 511, transferred the title to the two public school houses and the land upon which they were located in the 18th Civil District of Putnam County, as they were described in this act, from the State of Tennessee to the Board of Public School Directors of the School District and their successors.

3. Acts of 1905, Chapter 166, formed an independent school district to be called School District #21, out of portions of the Eleventh, Twelfth, and Seventeenth District, near Gentry which area was described in this act, and by naming the owners of the farms and the families which were included within the District. This Act was repealed by Acts of 1907, Chapter 575.
4. Acts of 1905, Chapter 457, amended Acts of 1905, Chapter 166, so as to exclude the lands of L. F. Elrod, A. B. Thompson, and W. A. Holladay, of the Twelfth District; the lands of J. H. Jared, Monroe Huddleston, John Boyd, James McKinley, R. B. McKinley, and Mary Bush, of the Eleventh District, all to revert to the Districts in which they were formerly located.
5. Private Acts of 1921, Chapter 490, formed the Algood School District out of the entire 19th Civil District of Putnam County. On Saturday, April 2, 1921, an election was to be held in that District by the Election Commission which would decide by the vote of the people the question of whether or not the School District would issue up to \$30,000 in bonds. In the event the vote was affirmative, the Act named H. T. Painter, Dr. J. T. Moore, and C. H. Hickman, as a Bond Commission for the Algood School District to supervise the sale of the bonds at an interest rate not to exceed 6%, and at a maturity schedule no longer than thirty years from the issue date. The proceeds of the bond issue were to be used to purchase a site and build a school in the District, the title to which would be vested in the Board of Education in trust for the District. The management of the school would be in the hands of the County Board of Education. A general property tax of 40 cents per \$100 would be levied on all property in the Algood School District to pay the interest on the bonds and fund the school for a nine month term. The County Court could levy a tax in the district to amortize the bonds. A poll tax of \$1 was placed upon each legal voter in the District over the age of 21. (The constitutionality of this Act was attacked in the case of Greenwood v. Rickman, 145 Tenn. 361, 235 S.W. 425, (1921) but the constitutionality of the Act was upheld.)
6. Private Acts of 1921, Chapter 644, amended Private Acts of 1921, Chapter 490, to postpone the date of the election provided for therein from April 2 to April 30.
7. Private Acts of 1921, Chapter 828, created the "Buffalo Valley Special School District" and made the same co-extensive with the boundaries of the Ninth and Eleventh Civil Districts in the county which included the village of Buffalo Valley. The District would be supervised by a five member Board to which the Act named C. B. Maddox, R. L. Alcorn, H. C. McKenley, and W. G. Travis as four of the first five members of the Board. Vacancies would be filled by the other members of the Board. The regular Board members would serve two years and be elected by the people of the District. Eleven specific powers and duties related to the Board were enumerated in Section 5 of the Act. When the correct scholastic census was established, the school funds would be pro-rated upon that basis. In order to support the District and keep the High School in operation for 9 months in the year, a tax levy of ten cents per \$100 property valuation was required to be levied upon all the properties in the District. All children between ages of six and twenty-one residing in the area could attend the school free of charge, but others must pay according to rates of tuition established by the Board. This Act could be repealed only by a three-fourths vote of the people.
8. Private Acts of 1927, Chapter 86, amended Private Acts of 1921, Chapter 490, which established the Algood Special School District in 19th Civil District of Putnam County, by increasing the tax rate levied for the support and maintenance of the schools in the District from 40 cents to 60 cents per \$100 property valuation.
9. Private Acts of 1927, Chapter 687, established the Baxter School District in Putnam County which included the area embraced by the 20th Civil District. The management of the District would remain in the hands of the County Board of Education, it being the intention of this Act to secure additional funds through a tax levy to lengthen the school term to nine months and to pay the interest on \$15,000 in bonds issued by the City of Baxter used to erect the school. A general tax of 50 cents per \$100 property valuation was levied in order to pay the interest on the bonds. If anything remained after that it would be used in the operation of the School. A poll tax of \$1 on all voters between 21 and 50 was also levied in the District. This District was abolished by Private Acts of 1929 (Ex. Sess.), Chapter 56.
10. Private Acts of 1929 (Ex. Sess.), Chapter 56, recited in the preamble of the Act that Private Acts of 1921, Chapter 490, established an independent school district in Putnam County granting to it the authority to issue \$30,000 in bonds with which to construct and equip a school building. These bonds were sold and applied to the erection of a school building at Algood, and, further, that Private Acts of 1923, Chapter 90, was the authority for the city of Baxter to issue \$10,000 in bonds with which a public school building would be built, which bonds were also sold and devoted to that purpose, and now it had become necessary to sell the bonds of Putnam County to construct additional school buildings and to reimburse Algood and Baxter for the buildings

constructed by them. This Act was the legislative authority subject to prior approval of the same by the people in a referendum vote, for the Quarterly Court of Putnam County to sell bonds up to \$200,000, at an interest rate not to exceed 5½%, and on a maturity calendar not to exceed 20 years from the date of issue with which to build a suitable high school in Cookeville at \$100,000, to purchase the school at Algood for a price not to exceed \$25,000, to purchase the school at Baxter to cost \$10,000 or under, a school at Monterey at a top figure of \$25,000, and \$5,000 would go for a heating plant at Baxter with \$35,000 being allocated to the remainder of the rural schools of the county.

11. Private Acts of 1931, Chapter 621, amended Private Acts of 1921, Chapter 86, so that the general tax levy for the support and maintenance of the Algood School District was reduced from 60 cents to 45 cents per \$100 property valuation. This Act was repealed by Private Acts of 1935, Chapter 436.
12. Private Acts of 1935, Chapter 436, repealed Private Acts of 1931, Chapter 621, and revived Private Acts of 1921, Chapter 86. The tax levy for the year 1935 in this District would be 60 cents per \$100 property valuation.
