Court System - Historical Notes

Board of Jury Commissioners - Jurors

The following acts once affected jurors or boards of jury commissioners in Perry County, but are no longer operative.

1. Acts of 1819, Chapter 165, directed the Quarterly County Courts of Humphreys, Perry, and Hardin Counties to allow jurors and witnesses who are compelled to cross the Tennessee River to attend court a sum of money to pay for their ferriage which would be paid out of any monies in the county treasury which were not appropriated at the time.
2. Acts of 1825, Chapter 279, made it the duty of the ferryman to give any person a certificate when they pay their ferriage who have been summoned as a juror in Humphreys, Perry, and Roane Counties, which the juror can file with the County Trustee who shall return the amount of the ferriage to him.
3. Acts of 1903, Chapter 509, created a three member Board of Jury Commissioners in Perry County, who would be of good repute, and good habits, not attorneys or county officials who had no suit pending nor any interest in one. Those appointed would appear immediately before the Judge to be sworn after being notified and they would be paid \$2.00 per day for each day actually worked in this capacity. Their appointments would be for one year. They would retire to some room in the Court house and select from the tax rolls, or some other public source, the jurors who would serve for the next three terms of Court. The jurors chosen would have their names entered on a book and also written on separate slips of paper which would be placed into an envelope and sealed. The proper number would be chosen for each term of Court. These envelopes would be presented to the Judge in open Court. At least twenty days before the term of Court opened, the Clerk would open the envelope and issue summons for the 25 named on the list. Provisions were made for selecting special panels and to replenish an exhausted list. The Judge may dismiss a Commissioner for failure to perform his duty and fill the vacancy created thereby. No one could be excused except by the Judge.
4. Private Acts of 1949, Chapter 195, fixed the compensation of jurors serving on both the Grand Jury and the various petit juries in Perry County at \$4.00 per day for every day of attendance as such.
5. Private Acts of 1949, Chapter 919, amended Chapter 427, Private Acts of 1917, which set up a Board of Jury Commissioners for Williamson County so as to make the same Act applicable to Perry County. Chapter 427 created a four man Board of Jury Commissioners who could not be lawyers, or State or County officials who would be appointed after the first two years to four year terms by the Circuit Judge. Those appointed must take the oath prescribed in the Act and select one of their members as Chairman. The Circuit Court Clerk or his Deputy, would serve as Clerk to the Board and must likewise subscribe to the oath written into the Act. On the first Monday in June the Board would meet and select from the tax rolls, or other public sources, a list of names equal to one-fifth of the voters in the last Presidential election but which number would be no less than 250 nor more than 4,000. Those selected would be the petit Jury list for the next two years, whose names would be entered alphabetically in a book provided for them by the Clerk and the list certified by all of the Commissioners. Two-fifths of that number would be designated as Grand Jurors, who would also be listed in the book and certified by the Commissioners. Their names would also be written on separate scrolls, or cards, which would be placed in a box, locked, and sealed. All these would be presented to the Court as Grand and petit juries. At least fifteen days before the court would open the term, the Judge shall open the box and draw names for the petit jurors. And then do the same for the Grand Jurors, whereupon the box would be relocked and sealed. The names chosen would be delivered to the Sheriff to be summoned as Jurors. They could be excused only by the Judge and then only for the reasons specified in the law. Ample provisions were included for special jury panels.

Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1831, Chapter 16, provided that so much of the state common school funds which belong to Humphreys and Perry County, which was appropriated for internal improvement in Middle Tennessee, is hereby placed in the hands of the common school commissioners to be used and applied as are other school funds.
2. Acts of 1843-44, Chapter 27, incorporated Buffalo Academy in Perry County, appointing A. H. Guthrie, Basdel Brown, William Sheppard, James Dickson, and Jacob McLoagee, as Trustees for the said Academy. The Trustees and the academy would have the same rules and regulations as are written in the Act creating Fulton Academy in Dekalb County. The Trustees of Perryville Academy were directed to pay over half of their funds to this school. The facilities at Perryville shall be rented or sold and one-half of those proceeds shall be given to the Buffalo Academy. These Trustees shall serve two years and then the Quarterly County Court shall appoint five more every two years thereafter.
3. Acts of 1845-46, Chapter 189, incorporated Perry Academy in Perry County, naming as Trustees for the Academy, Joseph Brown, Naphtali Tracey, Robert Patterson, John L. Webb, Claiborne Harris, Jeremiah Woods, John Montgomery, William O. Britt, and Jacob McCage. The Trustees were endowed with all the powers and responsibilities which were incidental to corporate institutions. The Trustees of the Perryville Academy were directed to divide all the assets of that Academy with the new Perry Academy herein and the new Decatur Academy in Decatur County.
4. Acts of 1847-48, Chapter 102, allowed the appropriation to the Perry County School Fund of

\$497, which amount had been sent to the said county of Perry by the State Agent for the common school funds but never reached the hands of the Superintendent and was therefore never credited to the county schools, this being through no fault of the officials of Perry County, or their school officers.

5. Acts of 1851-52, Chapter 351, authorized the Trustees of the county academy of Perry County to establish a female branch of the said academy in or near the town of Linden.
6. Acts of 1853-54, Chapter 208, declared that the Linden Male Academy would be divided into two branches, one for the education of males and one for the education of females, each of which would share equally in the moneys on hand, or which may hereafter be drawn from the treasury of the Linden Male Academy. Trustees, who were named to serve the new branch, were Thomas W. Edwards, Joseph Brown, F. H. Williamson, John L. Webb, Joseph Brown, and W. B. Barfield.
7. Acts of 1883, Chapter 150, recited in the preamble that the Linden Academy had two buildings which were old, dilapidated, and vacant and which were unfit for use by the school, and that the Trustees are in the process of erecting a new and commodious building in Linden but do not have sufficient funds to pay for the same, therefore, this Act named C. L. Pearson, W. C. Webb, S. P. Beasley, A. D. Craig, and James L. Sloan, as Trustees with power to sell and dispose of the old buildings and land and apply the proceeds of the sale to the construction of the new building.
8. Acts of 1903, Chapter 275, created a special school district out of the portions of Humphreys and Perry County described in the Act, providing for an election to be held on the fourth Saturday in May, 1903, to elect school directors for two years. The Clerk of the District shall furnish to the County Superintendents of Public Instruction a complete and accurate list of the students of both counties attending the school. The Superintendents were required to pass this information on to the Respective County Trustees who would pay over to the Directors their pro rata share of the county school funds.
9. Acts of 1907, Chapter 236, abolished the office of District Directors of Schools and created a Board of Education in every county. The County Court would divide the counties into five school districts, composed of whole civil districts from each of which one member of the board of Education would be elected. The members would select a Chairman from their own number. The County Superintendent of Schools would be the Secretary. The duties of the Chairman, the Secretary, and the members of the Board are all spelled out in the Act. Members would be paid from \$1.50 to \$3.00 per day when serving, as decided by the County Court. The people of each district would also elect three members of the Advisory Board whose duties are likewise enumerated. This law did not apply to city schools nor to the nine counties, not including Perry County, which exempted themselves in Section 17. This Act was part of the litigation in *Whitthorne v. Turner*, 155 Tenn. 303, 293 S.W. 147 (1927).
10. Private Acts of 1917, Chapter 803, abolished the Board of Education in Perry County. This Act required the Quarterly Court to divide the county into school districts, one for each school then existing. An election would be held in each district on the first Saturday in May, 1917, and every two years thereafter to elect three school Directors for the District. The duties of the Chairman, selected by the other members, and the members are stipulated in the Act. A board of Supervisors was provided which would consist of the Superintendent of the Schools, the County Judge, and a third person, who would be selected by the County Court, which Board would have immediate control and supervision, hiring and fixing salaries of personnel, etc. All schools with an average daily attendance of ten, or more, shall be kept open the same number of days. No one herein mentioned would receive any compensation for their services except salaried school people.
11. Private Acts of 1919, Chapter 196, repealed Private Acts of 1917, Chapter 803.
12. Private Acts of 1923, Chapter 623, created the "Cedar Creek Special School District" in the first Civil District of Perry County which embraced the area contained in a metes and bounds description set out in the Act. The District would be operated by a three member Board to which this Act initially appointed W. A. Horner, J. M. Howell, and George B. Ward, to hold office until the next general election produced their successor, all of whom would serve without compensation. The incidental powers of corporate institutions, plus those specified in the Act, were vested in the Board. The County Trustee would apportion to the District their pro-rata share of the school funds according to the district's scholastic population compared to the whole school census. Authority was given to levy a special school tax of 20 cents per \$100 property valuation, and a \$1.00 poll tax to operate the school for nine months each year. Children in the district would pay no tuition but those outside would. The Board must choose a Chairman and Secretary and could select no one other than qualified people to man the school district. This Act was repealed by Private Acts of

1933, Chapter 512.

13. Private Acts of 1925, Chapter 129, created a special school district out of an area in the Fourth Civil District of Perry County as the same was more particularly described in the Act, which included the town of Lobelville and which would be known as the "Lobelville Special School District." The powers and the duties of the five member Board of Directors, serving two year terms are specified in the Act. Until their successors could be elected at the next general election, this Act named G. A. Lancaster, Ralph Patterson, W. H. Lancaster, W. H. Bates, and S. J. Leeper to the Board of Directors. A special tax of 25 cents per \$100 property valuation and a poll tax of \$1.00 on all males between the ages of 21 and 50 were authorized, all funds to be used for the benefit of the district. Authority to issue bonds was granted but only when first approved by the people in a referendum. This Act was repealed by Private Acts of 1927, Chapter 265.
14. Private Acts of 1925, Chapter 499, created the "Linden Special School District" out of a portion of the Third Civil District of Perry County which included that city, the area being made specifically described in the law. A five member Board of Directors would operate the District as a Corporation, which would have all the incidental powers of a corporation plus those specifically granted. The Directors would serve two year terms when elected by the people at the next general August election, but, until that time, the Act appointed O. A. Kirk, L. B. Duncan, John Vaughn, O. T. Craig and S. B. Hufstедler, to serve. Subject to prior approval in a referendum, the Directors could issue up to \$10,000 in bonds at a maximum 6% interest rate and a maximum maturity schedule of twenty years which would be for the purpose of erecting school buildings, and which would have to meet all the requirements set out in the Act. Only the Election Commission could certify the results of the above mentioned referendum. This Act was repealed by Private Acts of 1927, Chapter 264.
15. Private Acts of 1927, Chapter 264, repealed Private Acts of 1925, Chapter 499.
16. Private Acts of 1927, Chapter 265, Private Acts of 1925, Chapter 129, which created the Lobelville Special School District.
17. Private Acts of 1927, Chapter 648, provided for an Elementary School Board in Perry County, composed of five members, one from each Civil District and one at large, who would be elected at the August general election to two year terms. Ernest Broadway, Mrs. Ezra Bussell, S. Y. Conger, Dr. W. J. Frost, and J. A. Denton, were named to the Board until their successors could be popularly elected. The Board would organize themselves and the County Superintendent would be an ex-officio member but could not vote. The powers, duties, and responsibilities of the Board and the Secretary are specified generally including the keeping of mentioned records and reports. Section A provided for three member District Boards in each Civil District, to be elected for two year terms by the people in that particular District, and discharge the duties specified in the Act. The Act named George Sewell, G. B. Ward, and J. M. Howell from the First District; A. M. Roberts, Same Bell, and W. A. Daniel, from the second District; B. E. Warren, B. W. Depriest, and R. T. Ledbetter, from the third District, and no one from the fourth District. Each member of the Elementary School Board would receive from \$2.50, to \$5.00 per day not to exceed fifteen days per year for their services. This Act was repealed by Chapter 554, Private Acts of 1933, and by Chapter 817, Private Acts of 1935. See *Warren v. Walker*, 167 Tenn. 506, 77 S.W.2d 1057 (1934).
18. Private Acts of 1929, Chapter 615, stated that the High School at Lobelville in Perry County, is hereby changed from a two year to a four year High School and the same shall be under the control and the management of the County Board of Education. The school shall teach the regular four year High School curriculum.
19. Private Acts of 1929, Chapter 647, amended Private Acts of 1927, Chapter 648, defined the manner of electing the members of the Elementary School Board of Perry County by stating that the people of each Civil District shall elect one member of the Board and one member shall be elected by the county at large, all for two year terms. The Board may refund to any Special School District Boards any or all funds used in building or constructing any of the special school District building.
20. Private Acts of 1933, Chapter 512, repealed Private Acts of 1923, Chapter 623, which created the Cedar Creek Special School District.
21. Private Acts of 1933, Chapter 554, provided that a five member Board of Education was to be elected by the people every two years in Perry County at the general August election. Ross Walker, Ted Pitts, Ed Coleman, Sam Leeper, and S. Y. Conger, shall serve as the first Board until their successors are elected. One member shall be elected in each Civil District and one from the county at large, any vacancy being filled by the Quarterly Court for the unexpired term. Members

must meet the qualifications established by the State. This Act also repeals Private Acts of 1927, Chapter 648, and all other conflicts. See Warren v. Walker, 167 Tenn. 506, 77 S.W.2d 1057 (1934).

22. Private Acts of 1935, Chapter 84, recited in the preamble to the Act that a balance of \$5,000 existed in the Elementary School Fund for Perry County for the year ending July, 1934, and that the High School Fund is depleted and, unless some relief is found and provided, the High School cannot finish the school year, this Act is the authority for the County Elementary School Board to transfer to the High School Fund such sums, not to exceed \$5,000, as may appear to them necessary to enable the work of the High School to continue until the close of the school year.
23. Private Acts of 1941, Chapter 529, amended Chapter 817, Private Acts of 1935, by adding the last paragraph in Section 2 as it appears in the Act.
24. Private Acts of 1947, Chapter 719, amended Private Acts of 1927, Chapter 502, by repealing the last three Sections of that Act which required the Superintendent to be the Truant Officer for the county, which supplemented his salary from the State by \$500 to \$750 per year, and which required the Superintendent to devote his full time to his duties.
25. Private Acts of 1963, Chapter 277, would have created another Lobelville School District embracing the entire Fourth Civil District of Perry County to be administered and controlled by a five member Board of Directors who would be elected for six year terms, staggered initially, to which Willie Hinson, Ray Loveless, Mrs. Cecil Bates, Mrs. Kate Morrison Gimmer, and James Westbrooks, were named as the first Directors to serve until their successors could be elected. Section 5 was an enumeration of the specific powers and duties of the Board. The Board could levy a special school tax in the District of 40 cents per \$100 property valuation. Children in the District could attend school free of charge, but others must pay a tuition as determined by the Board. This Act was rejected by the Quarterly Court of Perry county, and therefore never became an effective law under the provisions of the Home Rule Amendment to the Constitution.
26. Private Acts of 1965, Chapter 64, attempted to increase the compensation of the members of the Board of Education in Perry County to \$25 per day for each day's attendance at the regular meetings of the board and to \$10 per day for their attendance at special, or called, meetings of the Board but no members total compensation could exceed \$255 per year, but this Act was likewise rejected by the Quarterly Court of Perry County and never took effect.
27. Private Acts of 1993, Chapter 58, sought to repeal the Private Acts of 1982, Chapter 264, and to divide Perry County into school districts; and to provide for the number, election, and terms of members of the Perry County Board of Education. This act, however, never received local ratification and is therefore not operative.

Highways and Roads - Historical Notes

The following is a listing of acts which once had some effect upon the county road system in Perry County, but which are no longer operative. Also referenced below are acts which repeal prior law without providing new substantive provisions.

1. Acts of 1821, Chapter 6, required the Quarterly Courts of every county to index and classify their public roads into three classes, determined primarily by the width of the road. Higher degrees of maintenance were required on the more widely traveled roads. Third class roads had to be wide enough to pass horses and riders on their way to mill or market. Penalties were established, perhaps for the first time, for obstructing roads and for failing to comply with this Act.
2. Acts of 1825, Chapter 179, was the authority for William Adkinson, of Perryville, to build a bridge across the Beech River near Perryville in Perry County. As long as the bridge was kept in good repair, Adkinson may charge tolls to cross it at the rates specified in this Act but before doing so, he must obtain a certificate from three Justices of the Peace that the bridge is in good and safe condition.
3. Acts of 1837-38, Chapter 40, declared the Buffalo River to be navigable from its mouth to Beardstown in Perry County, and it would therefore be unlawful for any person to build, or erect, any dam across the River or put any sort of obstruction in it which would prevent or impede navigation. This Act was repealed by Acts of 1839-40, Chapter 14..
4. Acts of 1837-38, Chapter 115, authorized and permitted the County Court of Perry County to expend a portion of the internal improvement funds allotted to the county to purchase a horse boat for the use of the public ferry at Perryville. The proceeds derived from the operations of the ferry would go into the common school funds.
5. Acts of 1839-40, Chapter 14, repealed Acts of 1837-38, Chapter 40, which declared the Buffalo River to be navigable along certain portions of its length.
6. Acts of 1901, Chapter 136, was a statewide Road Law which applied to all counties under 70,000

in population. The County Court must elect one Road Commissioner from each Road District, which were coextensive with the Civil Districts, who would be in charge of the roads in his district for two years. He must be sworn and give receipt for all money and tools given to his care, could be punished for willful negligence or misconduct, and who would be paid \$1.00 for each day worked up to ten days per year. The County Court would assign road hands to the district and fix the number of days they would work on the roads each year which would be not less than five nor more than eight for all males, outside of cities, between the ages of 21 and 45. One could pay a stipulated commutation fee if he chose not to work, but must do one or the other. The County Courts were given the power to levy a special road tax of two cents per \$100 for each day the court required the hands to work on the roads. Prisoners could be worked under certain specific conditions. Some specifications for building roads were incorporated into this Act which also required that the roads be indexed and classified into one of four classes depending on width and surfacing materials. Road work could be contracted if the conditions of doing so were strictly adhered to. Procedures were established to dispose of petitions filed with the Commission to open, close, or change a road. Commissioners would be paid at the same rate as Justices of the Peace not to exceed 12 days per year. A special ad valorem tax of not more than twenty cents per \$100.00 property valuation could also be levied for road purposes. This Act was part of the lawsuit in the case of Carroll v. Griffith, 117 Tennessee 500, 97 S.W. 66 (1906).

7. Acts of 1905, Chapter 478, amended Acts of 1901, Chapter 136, in several minor particulars but principally involved the procedures for handling and disposing of those petitions to open, close, and change roads, especially where the exercise of the power of eminent domain was necessary.
8. Private Acts of 1921, Chapter 363, created a Board of County Road Supervisors, in Perry County, to be appointed by the County Judge and confirmed by the County Court. There would be one from each district for a term of two years beginning in January, 1922, who would be paid from \$200 to \$300 per year, payable quarterly. The Commissioners would be sworn and bonded for \$1,500. They must have a general knowledge of roads and their maintenance, and would be the custodians of, and responsible for, all road machinery, tools, supplies, and equipment in their districts. Road Districts would be coextensive with Civil Districts. The Road Supervisor would appoint the Overseers, or Foremen, in the District, who could serve for two years, if they desired, or longer, who would have direct supervision over sections of road assigned to them, and the road hands who would be males from 21 to 50 years of age, and who would work six, 8 hour days, and could contract for the use of wagons and teams if they owned such. Up to \$1.50 per day was allowed for them to secure a driver for teams, or, they could be paid that amount if they drove themselves. The Supervisors would plan and schedule the road work, could purchase supplies for the district, but could not contract beyond the amount of funds available. The County Court had the power to levy a special road tax of from 30 to 50 cents per \$100 property valuation, and could levy special privilege taxes according to the schedule in the Act. Penalties were set up for violations of this law and procedures written into the Act for handling and disposing of petitions to open, close, or change roads.
9. Private Acts of 1925, Chapter 772, amended Private Acts of 1921, Chapter 363, by deleting Section 2 and incorporating a new Section which provided for a County Road Supervisor who would have charge of the roads, culverts, and bridges in the county, who must meet the qualifications fixed in this amendment, who must be sworn and bonded, and who would be paid an annual salary of \$1,000 to \$1,200. The office of District Road Commissioner was abolished. Section 13 lowered the amount on which purchases could be made without bid procedures being observed from \$250 to \$50. The remainder of this Act made the changes necessary when changing from the four District Road Supervisors to the one County Road Supervisor.
10. Private Acts of 1927, Chapter 728, amended Private Acts of 1921, Chapter 363, to the effect that owners of teams living on State highways shall work on the roads nearest to them which leads to the State roads. The commutation fees for both road hands and teams were reduced and the permissible tax rate was lowered from the minimum of 30 cents to 15 cents per \$100. The Act provided that the privilege tax on autos and trucks, as established in the above amended Act, shall be paid at the same time the State licenses are bought, or the State license shall not be sold to the buyer, and by adding a provision that a Justice of the Peace would henceforth be eligible to serve as County Road Supervisor.
11. Private Acts of 1929, Chapter 641, contained only a general repealing clause but was undoubtedly the next Road Law for Perry County. This Act established a five member Board of Highway Commissioners, one from each of four Road Districts, and the Chairman would be elected from the county at large. Their terms would be for two years beginning September 1, 1929, and until that time, the Act named Fred Howell, Clint A. Daniel, Robert Tucker, Jesse Sweeney, as members

of the Board, and W. H. Bates, as Chairman, all of whom must be sworn and bonded, and their duties are specified in a general way. The Board could employ a County Highway Superintendent to be in immediate charge of the Road Department, who would be between 21 and 60 years of age, be paid \$5.00 per day, who would also be sworn and bonded, and discharge the duties specified in the Act. W. H. Bates would serve as County Highway Superintendent until his term expired. The powers of the Commission are written out in eleven paragraphs in Section 9. The Board would serve as Purchasing Agent, submitting all items over \$500 to bids. The Board would meet once each month and specially, when called. Each of the Civil Districts constituted a Road District. The Commission would appoint Road Overseers to serve at \$2.50, or less, per day, who would be in charge of sections of road as assigned to them. All males between the ages of 21 and 50 must work six days on the road or commute at 60 cents per day. Owners of horses and wagons may be required to furnish both but could be paid up to \$2.00 per day for their use. Purchases and contract could not be made beyond the amount of available funds. A special road tax could be levied up to 20 cents per \$100 property valuation. Each Commissioner was authorized to act as the accredited representative of the County.

12. Private Acts of 1935, Chapter 527, amended Private Acts of 1929, Chapter 641, by providing for the election of the Highway Superintendent to two year terms; in Section 3, by providing that the Quarterly Court would fill the vacancies, should any occur, on the Board of Highway Commissioners instead of the remaining members of the Board doing so; in Section 13, by adding a provision against nepotism from the County Highway Commissioner's families.
13. Private Acts of 1949, Chapter 927, also amended Private Acts of 1929, Chapter 641, by changing the compensation of members of the Board of Highway Commissioners set up in Section 12 from \$5.00 per meeting, regular and called, to \$25 per month; in Section 6, by striking \$5.00 per day and inserting \$8.00 per day as salary of the Road Supervisor; in Section 17, by increasing the maximum allowable pay for Road Overseers, and assistants, from \$2.50 for each day served to \$6.00 per day provided each day was of ten hours duration.
14. Private Acts of 1957, Chapter 119, was the former road law for Perry County. It was repealed by Private Acts of 1977, Chapter 18.
15. Private Acts of 1959, Chapter 257, amended Private Acts of 1957, Chapter 119, in Section One by deleting the last sentence of the first paragraph which required a person to be out of the office of Road Commissioner for two years after serving three consecutive terms; in Section 3 by raising the hourly wage scale for skilled and unskilled labor from 75 cents to \$1.00 per hour to 75 cents to \$1.25 per hour; and by removing from Section 3 a requirement that the District Road Commissioner shall keep records of receipts and disbursements in itemized form and file monthly reports of the same with the Commission.
16. Private Acts of 1961, Chapter 314, would have amended Private Acts of 1957, Chapter 119 in Section 2, by giving the County Highway Supervisor, in addition to his salary, a monthly expense account of no less than \$50 per month, and no more than \$100 per month, which would have been paid to him by the County Judge at the same time as his salary. This Act was rejected by the Quarterly Court of Perry County and consequently never took effect under the provisions of the Home Rule Amendment to the State Constitution.
17. Private Acts of 1965, Chapter 41, also was an amendment to Private Acts of 1957, Chapter 119, which increased the daily pay rate of the County Road Supervisor to \$12 per day for each day worked, and set his pay at \$1.50 per hour instead of the amount then being paid to skilled workmen. This Act was also rejected by the Quarterly Court which rendered it null and void under the Home Rule Amendment.
18. Private Acts of 1965, Chapter 171, amended Section 3 of the Road Law by increasing the hourly rate for unskilled labor from 75 cents to 95 cents and for skilled labor from \$1.25 to \$1.50.
19. Private Acts of 1967, Chapter 163, amended Section 2 of the Road Law by increasing the daily pay range of the Road Supervisor from \$7.00 to \$10 to a \$12 minimum and \$15 maximum.
20. Private Acts of 1967, Chapter 363, amended Section 3 of the Road Law by raising the hourly pay scale for skilled workers from \$1.50 per hour to \$1.75 per hour but left the rate for unskilled labor at 95 cents per hour.
21. Private Acts of 1970, Chapter 244, amended Section 3 by again increasing the hourly wage rates for skilled and unskilled labor which was 95 cents to \$1.75 per hour to 95 cents to \$2.00 per hour; and by adding a new Section Five as it appears in the Act.
22. Private Acts of 1972, Chapter 270, increased the daily pay range for the Road Supervisor from \$12 to \$15 per day to \$15 to \$20 per day; and the hourly rates for laborers which were fixed from

95 cents to \$2.00 per hour were changed to \$1.60 to \$2.50 per hour.

23. Private Acts of 1974, Chapter 261, increased the daily pay range for the Road Supervisor to \$20 a day minimum and \$24 a day maximum and the hourly pay scale for laborers which was then from \$1.60 to \$2.50 was changed to \$1.75 to \$3.00 per hour.

Law Enforcement - Historical Notes

Sheriff

The following acts have no current effect but are included here for reference purposes since they once applied to the Perry County Sheriff's Office.

1. Acts of 1822, Chapter 72, provided that the Sheriff of Perry County shall advertise all lands reported by him and all other lands he may be compelled to sell, and the Ranger shall advertise all strays in some newspaper in Columbia, any law, custom, or usage to the contrary notwithstanding.
2. Acts of 1825, Chapter 136, stated that the Sheriffs of Humphreys, Perry, and Hardin Counties, the Rangers, and other public officers may advertise the sale of lands under execution, and estrays, which the law requires to be advertised in some newspaper, in some public newspaper in Jackson, Tennessee.
3. Private Acts of 1915, Chapter 534, stated that in Perry County, identified by the use of the 1910 Federal Census figures, the Sheriff shall receive the sum of \$750 per annum, payable quarterly, out of the county treasury, provided an accurate sworn, itemized statement showing the total amount of fees collected in the office shall be filed with the County Judge, or Chairman, showing the source, also, from whence the fees come. Fees for boarding prisoners were not to be included in the total. If the fees failed to equal the above salary, the county would pay the difference to the Sheriff, who must also pay his own deputies out of these allowances.
4. Private Acts of 1921, Chapter 903, fixed the annual salary of the Sheriff of Perry County at \$1,200 per year as compensation for his services, payable quarterly, out of the regular county treasury. The Sheriff must file with the County Judge a sworn, itemized account of all the fees collected by his office, excluding the fees for boarding prisoners. The county would pay the Sheriff the difference if the fees fail to equal the salary. The Sheriff was prohibited from giving the fees to anyone, and shall pay their deputies out of the salary herein provided.
5. Private Acts of 1931, Chapter 660, set the salary of the Sheriff of Perry County and the Bledsoe County at \$2,000 per year in addition to amounts received by the Sheriff for the boarding of prisoners and turnkeys which amount would be paid out of the regular county funds on a warrant drawn by the County Judge, or Chairman.
6. Private Acts of 1933, Chapter 547, stated that the salary of the Sheriff of Perry County shall be and is, hereby fixed at \$50 per month, plus the fees collected by the said office under the law, except the fees for summoning veniremen, the said \$50 to be paid out of regular county funds.
7. Private Acts of 1943, Chapter 441, established that the sheriff was to be paid out of the county treasury not less than \$1,000 nor more than \$2,000 per year.

Severance Tax

Private Acts of 1980 Chapter 207

SECTION 1. Perry County by resolution of its county legislative body is authorized to levy a tax on all sand, gravel, limestone, phosphate rock, and all other mineral products severed from the ground within its jurisdiction. The tax shall be levied for the use and benefit of Perry County only and all revenues collected from the tax, except deductions for administration and collection provided for herein, shall be allocated to Perry County.

Administration and collection of this tax shall be by the county clerk of Perry County who shall have the power to promulgate all rules and regulations necessary and reasonable for the administration of the provisions of this Act.

SECTION 2. The rate of the tax shall be set by the county legislative body, but shall not exceed ten cents (10¢) per ton of sand, gravel, limestone, phosphate rock, or other mineral products severed from the ground in the county. Every interested owner shall become liable at the time the sand, gravel, limestone, phosphate rock, or other mineral product is severed from the earth and ready for sale, whether before processing or after processing as the case may be. The term "sand, gravel, limestone, phosphate rock, or other mineral product" shall mean sand, gravel, limestone, phosphate rock, or any other mineral severed from the earth in the process of producing a saleable product by whatever means of severance used. It shall not include, however, any mineral taxed under the provisions of Tennessee Code Annotated, Sections 67-5901 through 67-5905 nor Section 60-116. The tax levied upon the entire production in the county regardless of the place of sale or the fact that delivery may be made outside the county. The tax shall accrue at the time the sand, gravel, limestone, phosphate rock, or other mineral product is severed from the earth and in its natural or unprocessed state. The tax levied shall be a lien upon all sand, gravel, limestone, phosphate rock, and other mineral products severed in the county and upon all property from which it is severed, including but not limited to mineral rights of the producer, and such lien shall be entitled to preference over all judgments, encumbrances or liens whatsoever created.

As amended by: Private Acts of 2008, Chapter 84

SECTION 3. The tax levied by this Act shall be due and payable on the first day of the month succeeding the month in which the sand, gravel, limestone, phosphate rock, or other mineral products are severed from the soil. For the purpose of ascertaining the amount of tax payable, it shall be the duty of all operators in Perry County to transmit to the county clerk on or before the fifteenth (15th) day of the month next succeeding the month in which the tax accrues a return upon forms provided by him. The return shall show the month or period covered, the total number of tons of each type of mineral, sand, gravel, limestone, phosphate rock, or other miner product severed from each production unit operated, owned or controlled by the taxpayer during the period covered, the amount of the tax and such information as the county clerk may require. The return shall be accompanied by a remittance covering

the amount of tax due as computed by the taxpayer.

SECTION 4. The tax levied by this Act shall become delinquent on the sixteenth (16th) day of the month next succeeding the month in which such tax accrues. When any operator shall fail to make any return and pay the full amount of the tax levied on or before such date there shall be imposed, in addition to other penalties provided herein, a specific penalty in the amount of ten percent (10%) of the tax due. Whenever a penalty is imposed there shall also be added to the amount of tax and penalty due interest thereon at the rate of eight percent (8%) per annum from the date due until paid. A further penalty of fifty percent (50%) of the amount due may be added if the nonpayment of the tax is due to an intent to evade payment. If the tax is delinquent for a period of sixty (60) days or if the nonpayment of the tax is due to an intent to evade payment, the person liable for such payment may be restrained and enjoined from severing sand, gravel, limestone, phosphate rock, or other mineral products that have been severed and sold and upon which the tax is due. Restraint proceedings shall be instituted in the name of the county by the District Attorney General for the county at the request of the Perry County Clerk.

All such penalties and interest imposed by this Act shall be payable to and collectible by the county clerk in the same manner as if they were a part of the tax imposed and shall be retained by the county clerk's office to help defray the expenses of administration and collection.

Any person required by this Act to make a return, pay a tax, keep records, or furnish information deemed necessary by the county clerk for the computation, assessment, or collection of the tax imposed by this Act, who fails to make the return, pay the tax, keep the records, or furnish the information at the time required by law of regulation is, in addition to other penalties provided by law, guilty of a misdemeanor, and upon conviction is punishable by a fine of not more than one thousand dollars (\$1,000), or by imprisonment for not more than one (1) year or both.

Any person who willfully or fraudulently makes and signs a return which he does not believe to be true and correct as to every material fact is guilty of a felony and subject to the penalties prescribed for perjury under the law of this state. For the purposes of this section the word "person" also includes an officer or employee of a corporation or a member or employee of a partnership who is under duty to perform the act in respect to which the violation occurs.

SECTION 5. When any person shall fail to file any form, statement, report or return required to be filed with the county clerk, after being given written notice of same, the county clerk is authorized to determine the tax liability of such person from whatever source of information may be available to him. An assessment made by the county clerk pursuant to this authority shall be binding as if made upon the sworn statement, report or return of the person liable for the payment of such tax; and any person against whom such an assessment is lawfully made shall thereafter be estopped to dispute the accuracy thereof except upon filing a true and accurate return together with such supporting evidence as the county clerk may require indicating precisely the amount of the alleged inaccuracy.

SECTION 6. All revenues collected from the severance of sand, gravel, limestone, phosphate rock, or other mineral products in Perry County less an amount to cover the expenses of administration and collection and all of the penalties and interest collected, which shall be retained by the office of the county clerk and credited to its current service revenue to cover the expense of administration and collection, shall be remitted quarterly to the county trustee of Perry County, not later than the tenth (10th) day of the month following the end of the calendar quarter. Any present or future revenues shall become part of the highway fund of Perry County.

Any adjustment of taxes, penalties, or interest which is necessary to adjust any error in collection or disbursement may be made at a subsequent collection or disbursement.

As amended by: Private Acts of 2008, Chapter 84

SECTION 7. This Act shall have no effect unless it is approved by a two-thirds (2/3) vote of the county legislative body of Perry County before November 1, 1980. Its approval or nonapproval shall be proclaimed by the presiding officer of the Perry County legislative body and certified by him to the Secretary of State.

SECTION 8. For the purpose of approving or rejecting the provisions of this Act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 7.

Passed: March 3, 1980.

Taxation - Historical Notes

Assessor of Property

The following acts were superseded, repealed or failed to win local ratification, but they are listed here as a reference to laws which once affected the Perry County Assessor.

1. Private Acts of 1915, Chapter 607, fixed the salary of the Tax Assessor in Perry County at \$500 per year, payable quarterly out of the county treasury on the warrant of the County Judge, or Chairman.
2. Private Acts of 1933, Chapter 887, provided that the Tax Assessor of Perry County shall receive as compensation for his services the sum of \$400 per annum to be paid monthly out of regular county funds on the warrant of the County Judge, or Chairman.
3. Private Acts of 1949, Chapter 586, amended Section One, Private Acts of 1933, Chapter 887, by striking the provisions for the compensation of the Tax Assessor written therein and inserting a provision that the Tax Assessor shall receive for his services the amount prescribed by the Quarterly Court of the County which amount shall be paid to him monthly out of the county treasury on the warrant of the County Judge, or Chairman.

Taxation

The following is a listing of acts pertaining to taxation in Perry County which are no longer effective.

1. Acts of 1870-71, Chapter 50, authorized the counties and the cities of the State to impose taxes for county and municipal purposes in the following manner (1) that all taxable property be taxed according to its value and on the principles established for State taxation, and (2) that the credit of no county, or city, may be loaned to any person, firm, or corporation, unless a majority of the Quarterly Court first agrees to submit the question to a referendum vote of the people, and that the people approve the same by a three-fourths vote. Several counties, not including Perry County, exempted themselves from the three-fourths majority requisite for the next ten years, saying a simple majority would be sufficient to comply.
2. Private Acts of 1929, Chapter 462, amended Chapter 363, Private Acts of 1921, by striking Section 30 from the Act in its entirety, which provided for a wheel tax in Perry County. Chapter 363, above, was the Road Law for Perry County at the time. See the Section on Highways and Roads.
3. Private Acts of 2005, Chapter 20, amended Private Acts of 1980, Chapter 207 by increasing the severance tax from five cents (5¢) to ten cents (10¢). This act never received local approval.
