Before you can begin your training journey with CTAS, you must get a k@te account. Follow these easy steps to get started:

1. **Click Training** on our website

2. **Click Request k@te Account**

3. **Fill out the k@te Account Request form**
   - Please provide ALL information, especially your JOB TITLE in the Title field.

4. **Receive account approved email from CTAS Support**
   - This email contains important information about your new k@te account – please read it in its entirety!
