Sheriffs receive fees from the public for services they perform. In this sense, the sheriff is like the other fee officials in the county.
In 1921 the legislature passed what is known as the “Anti-Fee Act,” (Chapter 101 of the Public Acts of 1921). See *Ledbetter v. Duncan*, 676 S.W.2d 91 (Tenn. App. 1984) for a discussion of this Act.

This Act has been amended ten times since it was enacted.
Because the sheriff is no longer on the “fee system,” it is the duty of the county legislative body to make the necessary appropriation and pay to the sheriff the authorized expenses fixed by law for the operation of the sheriff’s office, direct from the county trustee in 12 equal monthly installments, irrespective of the fees earned by the sheriff.

T.C.A. § 8-24-103(a)(1).
The sheriff must pay over to the trustee, on a monthly basis, all fees, commissions, and charges collected by the sheriff’s office during the month.

T.C.A. § 8-24-103(a)(2).
FEES

Three Important Rules
FEES AUTHORITY

RULE 1

The sheriff is not allowed to demand or receive fees or other compensation for any service further than is expressly provided by law.

As an arm of a political subdivision of state government, a local law enforcement agency derives its power from statutes passed by the General Assembly and may only exercise powers derived explicitly or by necessary implication from state law.

Thus, a local law enforcement agency must be given the authority through constitutional mandate or acts of the Legislature to charge a fee to defray the cost of providing a service or benefit.

RULE 2

If any officer demands or receives any other or higher fees than are prescribed by law, such officer is liable to the party aggrieved in the penalty of $50.00, to be recovered before any judge of the court of general sessions, and the officer also commits a Class C misdemeanor.
RULE 3

Any officer who fails to charge or collect from the one liable therefor, every fee, commission, compensation that the county may be entitled to, and which, by the exercise of reasonable diligence could have been collected, or by failing to present the statement of receipts as herein directed, shall be held individually liable to the county for the amount that should have been collected, and the same shall be charged against the officer and be deducted from the officer's salary, or collected from the officer by law.
It is the duty of the courts to decide, upon application by the officer entitled to compensation, any question arising under the law, and such decision will protect the officer acting under it.

T.C.A. § 8-21-901

(But Not All)
THE SHERIFF’S FEE STATUTE
T.C.A. § 8-21-901

Notwithstanding any other law to the contrary, the sheriff is entitled to demand and receive the respective fees for the following services **where services are actually rendered**:

T.C.A. § 8-21-901(a).
Service of Process

(A) For serving any process except as otherwise provided in this section or other applicable law, whether issued by a clerk for a general sessions, criminal, circuit, chancery or any other court, the sheriff shall be entitled to the following fees, based on the manner in which process is served, for each item of process that must be served separately per person served:

(i) For service in person: $40.00;
(ii) For service by mail: $10.00;
(iii) For service by acceptance or consent or any other authorized method: $10.00.
Service of Process

(B) For summoning jurors in any proceeding: $5.00.

(C) For serving or delivering any other process or notice not related to a judicial proceeding and issued by an entity other than a court: $10.00.

(D) For returning any service of process where the sheriff attempts service but is unsuccessful, the sheriff shall be entitled to the same fees specified in subdivision (a)(1)(A); provided, that service is attempted in accordance with the laws of the state.
There is no provision under this statute for a fee when a sheriff merely forwards documents to another sheriff for service.

On the other hand, the statutes clearly contemplate that it is the sheriff who actually serves the warrant or summons who will be compensated for that service.

For instance, T.C.A. § 8-8-202 authorizes the sheriff who receives a summons from another county to require payment of his fee in advance of service.

Service of Process

Police officers cannot receive fees for serving process.

In Lewis v. Nashville, 101 Tenn. 659, 49 S.W. 749 (1899), the Tennessee Supreme Court concluded that a salaried policeman was not entitled to receive fees for serving subpoenas in his capacity as a deputy sheriff. The Court reasoned that the city paid the policeman a regular salary for his services, “whatever they may be.” Id. at 660.
ADVANCE FEES ON PROCESS FROM OTHER COUNTIES
T.C.A. § 8-8-202

No sheriff shall be compelled to execute any subpoena or original summons in civil cases coming from any county other than the one in which such sheriff is an officer, unless the fees allowed such sheriff by law for the service of such process, if demanded, are paid in advance.
Collection of Money; Returning, Transporting, Storing or Establishing Possession of Property

(A) For a levy of an execution on property or levy of an attachment or other process to seize property for the purpose of securing satisfaction of a judgment yet to be rendered or for executing a writ of replevin or writ of possession: $40.00.
(B)

(i) For collecting money to satisfy a judgment, whether by execution, fieri facias, garnishment or other process, in civil cases each time collection is attempted: $20.00.
(B)

(ii) For purposes of the payment of fees for garnishments as provided in this subdivision (a)(2)(B), all garnishments shall be deemed to be original garnishments and the sheriff shall be entitled to the fee provided for in this subdivision (a)(2)(B) for each such garnishment served.

(C) Whenever the sheriff provides for the storage or maintenance of property including, but not limited to, vehicles, livestock and farm and construction equipment, that has been levied on by execution, attachment or other process, the sheriff is entitled to demand and receive a reasonable per day fee for such services.
(C) – continued

The sheriff is also entitled to demand and receive reimbursement for costs of transportation of such personal property to a suitable location for storage and maintenance when such action is necessary to secure such property.
(C) – continued

Any such fees for transportation, maintenance and/or storage shall be approved by the court issuing the execution, attachment or other process.

See T.C.A. § 26-3-117 – Costs paid by plaintiff.
COSTS TO BE PAID BY PLAINTIFF
T.C.A. § 26-3-117

Collection of Delinquent Business Taxes by Distress Warrant

If the officer cannot find personal property to satisfy the distress warrant, the officer may levy the distress warrant upon any real estate in the officer's county belonging to such delinquent taxpayer. If levied on land, the distress warrant, together with the officer's return on the warrant, shall be returned to the circuit court of the county in which the land lies, and the land shall be condemned and sold under the orders of the circuit court, in the same manner as in case of a levy on land of an execution issued by a general sessions court. Suit or suits may be brought, if necessary.
Collection of Delinquent Business Taxes by Distress Warrant

If any sheriff willfully fails, refuses or neglects to execute any distress warrant directed to the sheriff within the time provided in this part, the official bond of such sheriff shall be liable for the tax, penalty, interest, and cost due by the taxpayer, and, on complaint of any proper officer, this penalty shall be enforced by the attorney general and reporter in any manner permitted by law.
Tobacco Tax – License Proceedings

All such subpoenas shall be served by the sheriff or any deputy of the county where the subpoena is directed, and such sheriff or deputy shall be entitled to the same fees for serving such subpoenas as in the case of serving subpoenas in civil cases from any court of record.

Collection by Distress Warrant

The tax books in the hands of the trustee and the delinquent lists furnished to the sheriff in any county where the taxpayer or any property liable for the taxes may be found shall have the force and effect of a judgment and execution from a court of record and shall be ample authority for the officers having such taxes for collection to distress and sell a sufficient amount of the personal property to satisfy the delinquent taxes, interest, penalties, costs and attorneys’ fees.
Collection by Distress Warrant

The officers shall in all cases have the personal property present when sold and shall be allowed to retain in addition to the taxes, interest, penalties, costs, and attorney's fees, all commissions, costs and necessary expenses of removing and keeping the property distrained (expenses of seizure, preservation and storage of the property).
Original Process in Delinquent Tax Collection Proceedings

The sheriff shall receive, as costs to be taxed against each delinquent, $7.50 for serving all original processes and the statutory fees for all other services performed by the sheriff.

See Tn. Atty. Gen. Op. 81-161 (Mar 13, 1981) (when a specific and a general statute both deal with the same subject matter, the specific controls over the general).
JAIL FEES
Misdemeanant Prisoners

The county legislative body or governing body of each county has the authority to pass a resolution fixing the amount of jailers' fees which may be applied to misdemeanor prisoners. The rate fixed shall apply to such prisoners confined in the county jail or county workhouse or workhouses, but not meeting the conditions required for a state subsidy under title 41, chapter 8.

Jailers' fees are costs, Tenn. Code Ann. § 40-25-104, which are taxed separate from the general bill of costs in criminal cases. Tenn. Code Ann. § 41-4-131(a).

As such, they are applicable to persons held prior to trial as well as those persons who are serving time after conviction. Tenn. Code Ann. § 40-25-104.
This Office has recently opined that “jailers' fees established pursuant to § 8-26-105(a) apply to persons held prior to trial on misdemeanor charges as well as persons who are serving misdemeanor sentences in the county jail but are only assessed against persons actually convicted of criminal offenses.”
Charging fees to pretrial detainees may be unconstitutional.

See Allen v. Leis, 154 F.Supp.2d 1240 (S.D. Ohio, 2001) (jailer’s fee and booking fee as applied to pretrial detainee).
PAYMENT OF COSTS BY DEFENDANT
T.C.A. § 40-25-123

(a) A defendant convicted of a criminal offense shall pay all the costs that have accrued in the cause.

(b) Notwithstanding any law to the contrary, the presiding judge of a court of general sessions may suspend the court costs and the litigation tax as required by §§ 67-4-602 — 67-4-606, for any indigent criminal defendant, as in the presiding judge's opinion the equities of the case require.
PAYMENT OF COSTS IN CRIMINAL CASES
T.C.A. § 40-25-129

Compensation for boarding prisoners,

Expenses of keeping and boarding juries,

Compensation of jurors,

Costs of transcripts in cases taken to the supreme court by appeal or writ of error as provided by law,

Mileage and legal fees for removing or conveying criminals and prisoners from one county to another or from one jail to another.
Compensation and mileage of witnesses for the state duly subpoenaed and required to attend before any court, grand jury or magistrate in a county other than that of their residence and more than five miles from their residence, and

Where any witness for the state shall be confined in jail to await the trial in which the witness is to testify, shall be paid in all cases as heretofore.
The state, or the county in which the offense was committed or is triable, according to the nature of the offense, pays the costs accrued on behalf of the state, and for which the state or county is liable under § 40-25-129, in the following cases, when:

(1) The defendant is acquitted by a verdict of the jury upon the merits;
(2) The prosecution is dismissed, or a nolle prosequi entered by the state;
(3) The action has abated by the death of the defendant;
PAYMENT OF COSTS WHEN STATE OR COUNTY LIABLE
T.C.A. § 40-25-130

(4) The defendant is discharged by the court or magistrate before indictment preferred or found, or after indictment and before verdict; or

(5) The defendant has been convicted, but the execution issued upon the judgment has been returned “nulla bona” or where the court hearing the case has made a finding at any evidentiary hearing that the defendant is indigent and remains indigent at the time of conviction.
Fees For Witnesses Committed to Jail

Jailers shall be allowed the same fees for keeping witnesses committed to jail as they are allowed by § 8-26-105 for keeping prisoners, the same to be taxed in the bill of costs and paid in the same manner as other costs in the same cases.
A county legislative body may vote to impose an additional fee of not more than $10.00 for the booking and processing of each person subject to arrest or summons.

The fee shall be collected at the same time and in the same manner as other fees are collected by a sheriff in accordance with Title 8, Chapter 21, Part 9.

The fee shall not be charged to any person determined by the court to be indigent.
Any county may, by resolution adopted by a two-thirds vote of its legislative body, establish and implement a plan authorizing the jail or workhouse administrator of the county to charge an inmate in the jail or workhouse a co-pay amount for any medical care, treatment, pharmacy services or substance abuse treatment by a licensed provider provided to the inmate by the county.
The county adopting the co-pay plan shall establish the amount the inmate is required to pay for each service provided.

Nothing in this subsection (d) shall be construed as authorizing a county to deny medical care, treatment, pharmacy services or substance abuse treatment by a licensed provider to an inmate who cannot pay the co-pay amount established by the plan.
INMATE CO-PAY
T.C.A. § 41-4-115(e)

If an inmate cannot pay the co-pay amount established by a plan adopted pursuant to subsection (d), the plan may authorize the jail or workhouse administrator to deduct the co-pay amount from the inmate’s commissary account or any other account or fund established by or for the benefit of the inmate while incarcerated.
Notwithstanding any other law to the contrary, a plan established pursuant to subsection (d) may also authorize the jail or workhouse administrator to seek reimbursement for the expenses incurred in providing medical care, treatment, hospitalization or pharmacy services to an inmate incarcerated in the jail or workhouse from an insurance company, health care corporation, TennCare or other source, if the inmate is covered by an insurance policy, TennCare or subscribes to a health care corporation or other source for those expenses.
Any county may, by resolution adopted by a two-thirds vote of its legislative body, establish and implement a plan authorizing the jail or workhouse administrator of the county to charge an inmate committed to that jail or workhouse a fee, **not to exceed the actual cost**, for items issued to inmates upon each new admission to jail.
FEES FOR SPECIAL SERVICES
T.C.A. § 41-4-142(b)

Any county may, by resolution adopted by a two-thirds vote of its legislative body, establish and implement a plan authorizing the jail or workhouse administrator of the county to charge an inmate committed to that jail or workhouse a **nominal fee** set by the legislative body at the time of adoption for the following special services, when provided at the inmate’s request:
FEES FOR SPECIAL SERVICES
T.C.A. § 41-4-142(b)

(1) Participation in GED or other scholastic testing for which the administering agency charges a fee for each test administered;

(2) Escort by correctional officers to a hospital or other health care facility for the purpose of visiting an immediate family member who is a patient at the facility; or

(3) Escort by correctional officers for the purpose of visiting a funeral home or church upon the death of an immediate family member.
A plan adopted pursuant to subsection (a) or (b) may authorize the jail or workhouse administrator to deduct the amount from the inmate’s jail trust account or any other account or fund established by or for the benefit of the inmate while incarcerated.

Nothing in this section shall be construed as authorizing a county to deny necessary clothing or hygiene items or to fail to provide the services specified in subsection (b) based on the inmate’s inability to pay a fee or costs.
The jailer is liable for failing to receive and safely keep all persons delivered under the authority of the United States, to the like pains and penalties as for similar failures in the case of persons committed under authority of the state.

However, the marshal or person delivering a prisoner under authority of the United States is liable to the jailer for fees and the subsistence of the prisoner while so confined, which shall be the same as provided by law for prisoners committed under authority of the state.
The jailer will also collect from the marshal fifty cents (50¢) a month for each prisoner, under the resolution of the first congress, and pay the same to the county trustee forthwith, to be accounted for by the trustee as other county funds.

For the purpose of providing suitable quarters for the safekeeping, care, and subsistence of all persons held under authority of any enactment of Congress, the Attorney General may contract, for a period not exceeding three years, with the proper authorities of any State, Territory, or political subdivision thereof, for the imprisonment, subsistence, care, and proper employment of such persons.
The rates to be paid for the care and custody of said persons shall take into consideration the character of the quarters furnished, sanitary conditions, and quality of subsistence and may be such as will permit and encourage the proper authorities to provide reasonably decent, sanitary, and healthful quarters and subsistence for such persons.
No county shall be required to house convicted felons sentenced to more than 1 year of continuous confinement unless the county, through the authority of its county legislative body, has chosen to contract with the department of correction for the purpose of housing certain felons. The department shall promulgate rules for requirements and procedures for contracting.
Counties That Contract with the State

Under the County Correctional Incentives Act, T.C.A. § 41-8-101, et seq., counties that contract with the state are reimbursed by the state for housing state prisoners in county jails.
Counties That Contract with the State

(c)(1) Counties must be reimbursed for housing convicted felons and state parolees awaiting a parole revocation hearing pursuant to the general appropriations act and according to rules and regulations for determining reasonable allowable costs as promulgated by the department, in consultation with the comptroller of the treasury. The department is authorized to include capital costs within the meaning of reasonable allowable costs. Capital costs may include, but are not limited to, debt service.
Counties That Contract with the State

(e) The subsidies paid to counties pursuant to this chapter shall be the only compensation from the state to which counties are entitled for housing state prisoners and shall be in lieu of the fees allowed in § 8-26-106 or any other section.
Counties That Do Not Contract with the State

The department shall take into its custody all convicted felons from any county that had not contracted with the state as authorized by subsection (b).

The department shall not be required to take actual physical custody of any of the felons until fourteen (14) days after the department has received all certified sentencing documents from the clerk of the sentencing court.
Counties That Do Not Contract with the State

The commissioner is authorized to compensate any county that has not contracted with the state as authorized by subsection (b) for that county’s reasonable, allowable cost of housing felons.

The rate of compensation to these counties shall be determined by and is subject to the level of funding authorized in the appropriations bill.
“Counties owe their creation to the statutes, and the statutes confer on them all the powers which they possess, prescribe all the duties they owe, and impress all the liabilities to which they are subject.”

*State v. Stine, 292 S.W.2d 771, 772 (Tenn. 1956)*, quoting *Burnett v. Maloney, 37 S.W. 689, 693 (Tenn. 1896)*.
As an arm of a political subdivision of state government, a local law enforcement agency derives its power from statutes passed by the General Assembly and may only exercise powers derived explicitly or by necessary implication from state law.

Tennessee statutory law imposes upon the sheriff a multitude of mandatory duties designed to promote an inmate’s welfare. T.C.A. § 41-4-101, et seq.
Operating a jail commissary is not a statutory duty of the sheriff or the jailer.
While there are Tennessee statutes that refer to jail commissaries, under current Tennessee law, there is no express statutory authority for a sheriff’s office to operate a jail commissary, regardless of whether it is operated on a for profit basis or not for profit basis.
Inmates do not have a constitutional right to a commissary or commissary privileges.

There is no statute specifically authorizing the sheriff to operate a jail commissary or to accept compensation or fees from inmates for providing commissary services.

Tennessee Code Annotated § 8-21-901, which lists fees a sheriff may collect, does not include such payment or compensation.
A local law enforcement agency must be given the authority through constitutional mandate or acts of the Legislature to charge a fee to defray the cost of providing a service or benefit.

JAIL COMMISSARY CHARGING FEES

Remember the Rules

RULE 1

Pursuant to T.C.A. § 8-21-101, the sheriff is not allowed to demand or receive fees or other compensation for any service further than is expressly provided by law.
If any officer demands or receives any other or higher fees than are prescribed by law, such officer is liable to the party aggrieved in the penalty of $50.00, to be recovered before any judge of the court of general sessions, and the officer also commits a Class C misdemeanor.

T.C.A. § 8-21-103.
Engaging in an unauthorized activity may result in undesired consequences.

For example, “when a county departs from its governmental activities and engages in a business enterprise for gain, which would ordinarily be taxable and which the county is not authorized to engage in, that it then becomes liable for the tax.”

State v. Hamilton County, 144 S.W.2d 749, 751 (Tenn. 1940).
Nevertheless, as for the money actually collected, pursuant to T.C.A. § 8-24-103(a)(2), the sheriff must pay over to the county trustee, on a monthly basis, all fees, commissions, and charges collected by the sheriff’s office during the month.

Unless there is a specific statute that allocates the money to a specific fund for the use of the sheriff, such as the drug fund or the fees collected for registering sex offenders, the money goes into the county general fund for the use of the county.
DHS’ statutory priority under T.C.A. § 71-4-501 et seq. gives DHS “the exclusive right to the operation of any and all vending facilities on any public property” that DHS determines are capable of being operated by a blind vendor.

In other words, the blind vendors get the first shot. Right of first refusal.

Accounts of Sheriffs and Jailers - T.C.A. § 41-4-129

Sheriffs and jailers must make written statements of account, properly proven and sworn to, for the keeping of prisoners, specifying distinctly each item and the amount due for each item.
JAILER’S FEES
BOOK-KEEPING

Jailer’s Fees - T.C.A. § 41-4-131

The fees of jailers shall be taxed separately from the general bills of costs of criminal cases.

All state costs shall be properly proved and sworn to before the clerk of the criminal or circuit court of the county and certified by the clerk for payment.
Sheriff’s Fees - T.C.A. § 41-4-132

The accounts of sheriffs for keeping prisoners in their respective jails charged with crime, for which the state may eventually become liable, shall be certified; provided, that the sheriffs having such bills shall first make oath as to the correctness of the bills before the clerk of the circuit or criminal court, who shall affix the clerk’s certificate to the bills.
Filing of Sheriff’s Bills - T.C.A. § 41-4-133

The clerk of the court shall then file the bills of the sheriff, together with the affidavit of the sheriff, whose signature shall be certified in writing under seal of office as authentic by the clerk of the court on the face of the document, and then the sheriff or the clerk shall forward the bills to the proper authorities for payment.
Compliance as Prerequisite to Payment

T.C.A. § 41-4-134

The commissioner of finance and administration shall not issue warrants for any accounts of sheriffs for boarding prisoners until the bill shows on its face compliance with all of the requirements of §§ 41-4-131 — 41-4-133.
The jailer's fees for county prisoners shall be referred monthly to the county mayor for inspection, who shall audit the fees and cause the clerk to issue a warrant for the amount allowed.
DUI FINES
A portion of any fine imposed upon a person for a violation of § 55-10-401, up to the maximum fine actually imposed, shall be returned to the sheriff of a county jail for the purpose of reimbursing the sheriff for the cost of incarcerating the person for each night the person is actually in custody for a violation of § 55-10-401.
This reimbursement shall be in the same amount as is provided by § 8-26-105, and shall not in any event be less than the actual cost of maintaining the person and shall be reimbursed in the manner provided by § 8-26-106.
However, the AG has opined that if the sheriff recovers the full cost of incarceration through a jailer’s fee, the county may not seek additional reimbursement through the DUI fine.

The proceeds from the increased portion of the fines for driving under the influence of an intoxicant provided for in chapter 948 of the Public Acts of 1994, the additional fines for reckless driving, under § 55-10-205(d)(2), and the additional fines for aggravated reckless driving, under § 55-10-209(b)(2) must be collected by the respective court clerks and then deposited in a dedicated county fund.

This fund does not revert to the county general fund at the end of a fiscal year but remains for the purposes set out in this section.
For the purposes of this section, the “increased portion of the fines for driving under the influence of an intoxicant” means:

the first $100 collected after the initial collection of $250 on a first offense,

the first $100 collected after the initial collection $500 on a second offense, and

the first $100 collected after the initial collection of $1,000 on a third or subsequent offense.
COUNTY DUI FUND
T.C.A. § 55-10-412(b)

The respective counties shall be authorized to expend the funds collected pursuant to subsection (b) by appropriations to any of the following:

(1) Alcohol, drug, and mental health treatment facilities licensed by the department of mental health and substance abuse services;

(2) Metropolitan drug commissions or other similar programs sanctioned by the governor's Drug Free Tennessee program for the purposes of chapter 948 of the Public Acts of 1994;
(3) Organizations exempted from the payment of federal income taxes by § 501(c)(3) of the federal Internal Revenue Code (26 U.S.C. § 501(c)(3)), whose primary mission is to educate the public on the dangers of illicit drug use, alcohol abuse, or the co-occurring disorder of both alcohol and drug abuse and mental illness or to render treatment for alcohol and drug addiction, or the co-occurring disorder of both alcohol and drug abuse and mental illness;
(4) Specialized court programs and specialized court dockets that supervise offenders who suffer from alcohol and drug abuse, or the co-occurring disorder of both alcohol and drug abuse and mental illness;

(5) Organizations that operate drug, alcohol, or co-occurring disorder treatment programs for the homeless or indigent;
(6) Agencies or organizations for purposes of drug testing of offenders who have been placed on misdemeanor probation; and

(7) The employment of a probation officer for the purposes of supervising drug and alcohol offenders.

Any fees assessed in the criminal background records check process are the responsibility of the person seeking to be credentialed as a court interpreter of spoken foreign languages.
Sheriffs are allowed to open their shooting ranges for public use when such ranges are not being used by law enforcement personnel. The law enforcement agency in charge of a shooting range may establish reasonable regulations for the use of the firing range in order to promote the full use of the range without interfering with the needs of law enforcement personnel. The law enforcement agency may also charge a reasonable fee for persons or organizations using the range and may require users to make improvements to the range.
As part of the process of applying for a handgun carry permit, an applicant is required to provide two full sets of classifiable fingerprints at the time the application is filed with the Department of Safety. The applicant may have his or her fingerprints taken by the department at the time the application is submitted, or the applicant may have his/her fingerprints taken at any sheriff's office and submit the fingerprints to the department along with the application and other supporting documents.

The sheriff may charge a fee not to exceed $5.00 for taking the applicant's fingerprints.

Payments of the costs to the Tennessee bureau of investigation are to be made in accordance with §§ 38-6-103 and 38-6-109. In the event that such applicants fail to pay for these incurred expenses, the responsibility for payment will fall to the employer originally requesting such criminal background checks. Items Subject to Judicial Forfeiture

The items subject to judicial forfeiture when used or intended to be used in connection with a violation:

Any real property, including any right, title, and interest in the whole of or any part of any lot or tract of land and any property used as an instrumentality in or used in furtherance of such violation.
Any property subject to forfeiture under this part may be seized by the sheriff when acting pursuant to a lawful arrest or search, the execution of a search warrant, a petition to abate a nuisance, or a court order.
When property is seized under this part, it may be removed by the sheriff to a place to secure the property, it may be preserved as evidence, it may be padlocked as ordered by a court of record, it may be secured by depositing in an interest bearing account as approved by a court of record or it may be secured as otherwise authorized by law regarding the maintenance, storage, or disposition of seized property.
Whenever a judgment of forfeiture is rendered under this part, the court may authorize the attorney general to sell the property at public auction, subject to the orders and approval of the court.

The court, in lieu of such sale, may order that the property be sold by any person having an interest in the real property whose interest has not been forfeited. The proceeds of the sale shall be subject to the orders of the court.
All property ordered forfeited shall be sold at public auction. The proceeds from all property forfeited and sold at public auction shall be disposed of by the court as directed by this part.

If the property seized and ordered forfeited was taken from the lawful owner through theft or fraud, then the property shall be returned to the lawful owner, or restitution provided, as the court determines.
Disposition of Forfeited Property
T.C.A. § 39-11-713(a)

If the defendant owes restitution, the proceeds shall first be directly applied to satisfy any judgments against the defendant for restitution in favor of the victim.

The attorney general shall then be compensated for all expenses incident to the litigation, as approved by the court. Any such costs for appeals shall be provided for by the trial court upon conclusion of the litigation.
The attorney general shall then direct that any public agency be reimbursed for out-of-pocket expenses resulting from the investigation, seizure, and storage of the forfeited property.
The court shall then award the remainder of the funds as follows:

(1) In the event that the investigating and seizing agency is a state agency, the funds shall be distributed to the state general fund;
(3) In the event that the investigating and seizing agency is the sheriff’s office, then the funds shall be distributed to the county, when, upon ratification of this part by the county governing body by resolution, the county has authorized the receipt of the distributed funds and has designated how the funds are to be distributed, which shall be designated for law enforcement, the court shall make the award and distribution consistent with the resolution by the county governing body.
When more than one local public agency participated in the investigation and seizure of forfeited property as certified by the attorney general, then the court shall order a distribution according to the participation of each local public agency. Accounting procedures for the financial administration of such funds shall be in keeping with those prescribed by the comptroller of the treasury.
For purposes of this section, a local public agency includes any county or municipal law enforcement agency or commission, any judicial district drug task force established under state law, the district attorney general, or any local department or agency of local government authorized by the attorney general to participate in the investigation.
Funds awarded under this section may not be used to supplement salaries of any public employee or law enforcement officer. Funds awarded under this section may not supplant other local or state funds.

Chapter 11, part 7 of this title shall govern the procedure by which property subject to forfeiture pursuant to § 39-11-703(c) is forfeited, and this section shall govern the manner in which proceeds from forfeitures are distributed and used.
Notwithstanding § 39-11-713, the proceeds from all forfeitures made pursuant to § 39-11-703(c) shall first be applied to the reasonable expenses of the forfeiture proceeding, including the expenses of the district attorney general, and the costs of seizing and maintaining custody of the forfeited property.
Parties seeking repayment for forfeiture-related expenses shall file a request detailing the expenses incurred in the forfeiture procedure with the judge of the court in which the forfeiture occurred.
