

# Example: How COCTP Rollover Credits Work

## FY2022

Earned Credits	22
Credits Previously Rolled Over	0
Total Credits FY2022	22
Rollover Eligible Credits	6

Bob earned 22 credits in FY2022. He requested to rollover 6 credits to FY2023, because he has 6 earned credits above the 16 credit annual requirement.

## FY2023

Earned Credits	18
Credits Previously Rolled Over	6
Total Credits FY2022	24
Rollover Eligible Credits	2

Bob earned 18 credits in FY2023. He previously rolled over 6 credits from FY2022. Bob now has a total of 24 credits in FY2023, which is 8 credits above the 16 credit annual requirement. However, since Bob previously rolled over 6 credits, he may not roll them over again. Therefore, Bob has 2 credits eligible for rolling over to FY2024.

## FY2024

Earned Credits	16
Credits Previously Rolled Over	2
Total Credits FY2022	18
Rollover Eligible Credits	0

Bob earned 16 credits in FY2024. He previously rolled over 2 credits from FY2023. Bob now has a total of 18 credits in FY2024, which is 2 credits above the 16 credit annual requirement. However, since Bob previously rolled over 2 credits, he may not roll them over again. Therefore, Bob has 0 credits eligible for rolling over to FY2025.
